America Must Not Rest on Her Laurels

It is a truism to say that as time slips by, everything grows older. Our country, our schools, and ourselves are all subject to the effects of time. These United States of America were officially born 200 years ago, in 1776. Since then, our country has led the world in technological, political, and sociological developments. As citizens of this great land we have inherited much from our forefathers. Our responsibilities to America are many and far-reaching. Outstanding contributions have preceded us, yet much remains to be done.

so stay sweet.

STUDENT LIFE

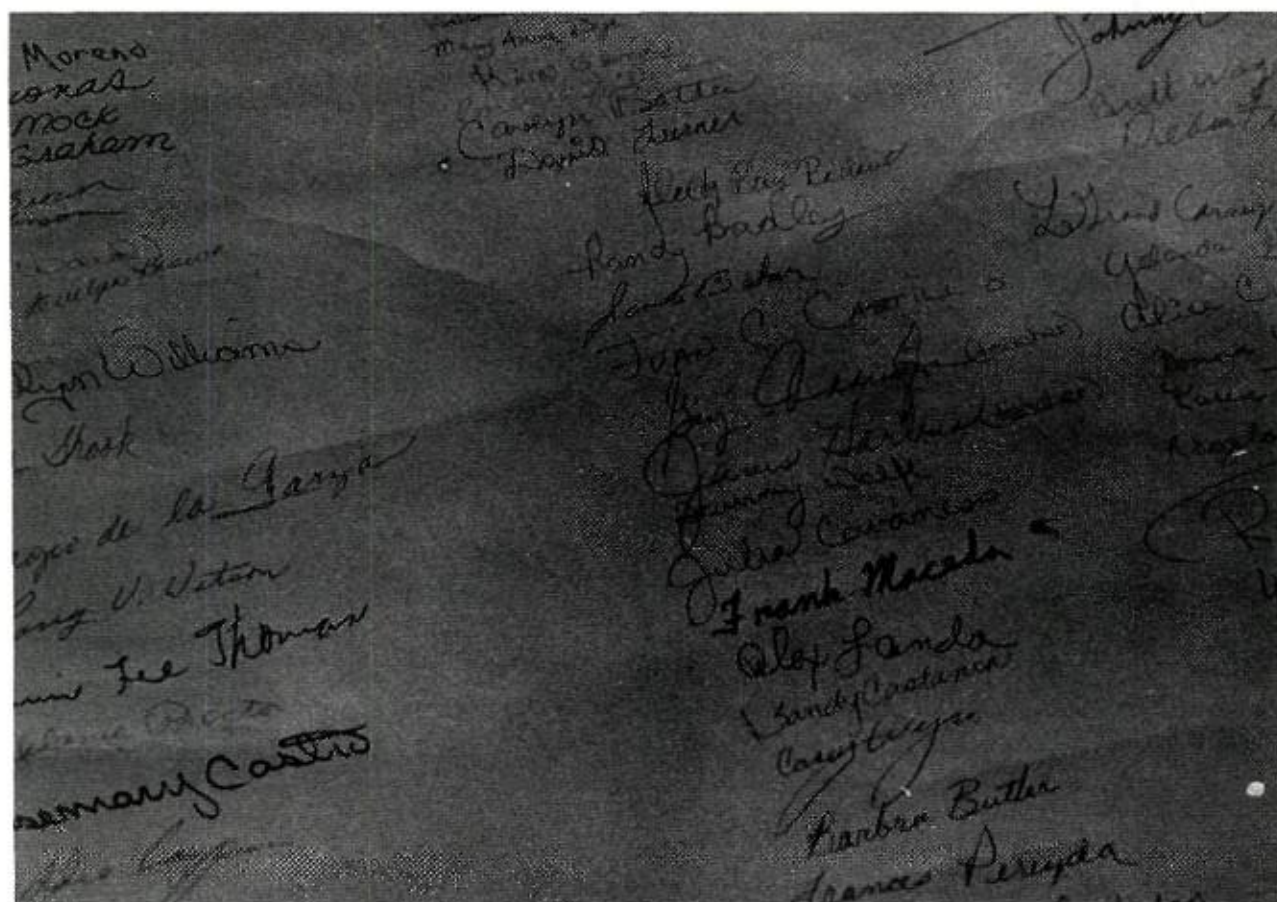

The shortage of raw materials is one problem that must be solved. Here Kyle Rains is doing his part in collecting paper for the Spanish Club.

Inaccurate Story Rouses Students

May of 1975 brought much controversy at Woodrow over an article printed in the Dallas Times Herald. The story indicated that race relations and law observance at Woodrow Wilson were not healthy and led readers to believe that the situation foreboded danger.

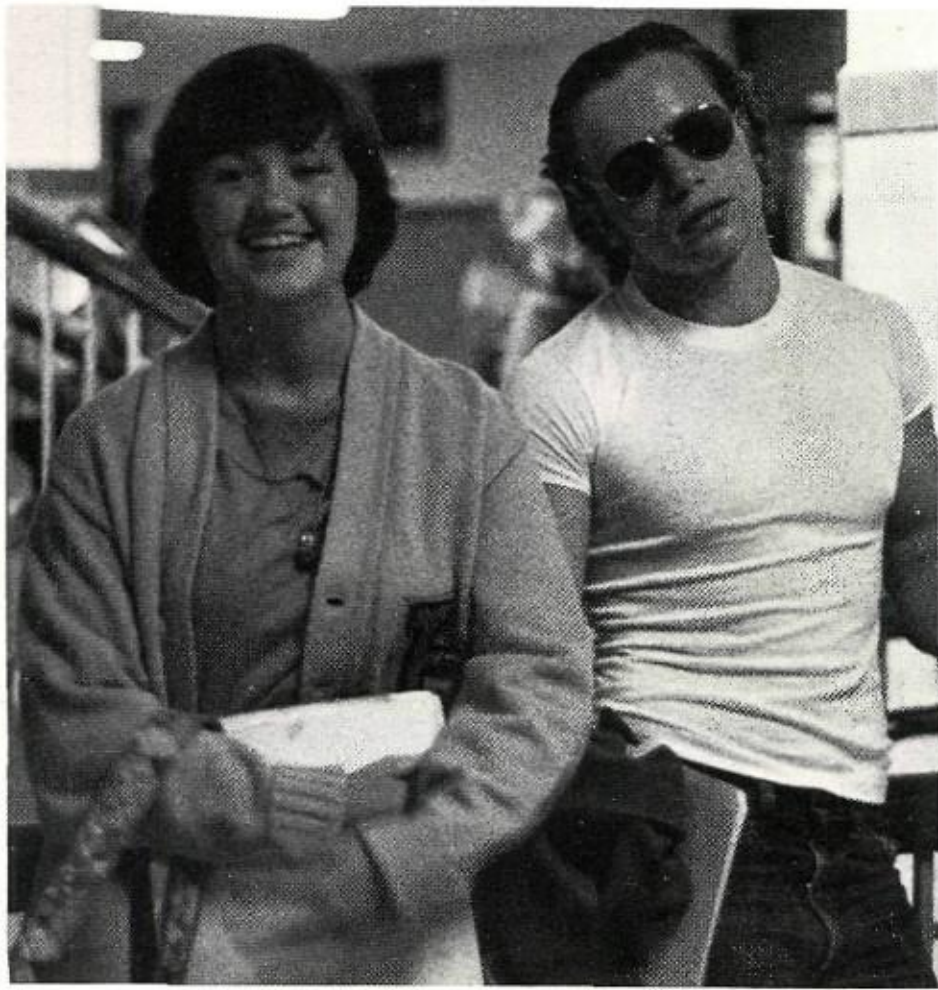

Immediately students, parents, and teachers of all backgrounds and races rallied to refute this report. Petitions were signed, letters were written, and concern was expressed by all. Satisfaction was felt at last, when a retraction was printed by the Times Herald.

An excerpt of the protest petition was sent to the Times Herald.

Two Woodrow Students, Juan Alvarado and Ray Castro sign petition, which when completed bore over 900 names.

Nostalgia Runs Rampant on Special "Fifties Day," Spring '75

The atmosphere of Woodrow was changed for a day last spring as students portrayed the styles of the 1950's. Halls were filled with teenie-boppers wearing pigtails, letter jackets and slicked-back hair. Even the teachers participated as the clock was turned back to Woodrow's former days (of which they had better recollection, anyway!)

The climax of 50's Day was a sock hop in the girls' gym, which featured authentic music of the era. All in all, it was acclaimed a very entertaining day at Woodrow Wilson.

Spring Assembly High Point of Year for New Sweethearts

Spring of 1975 brought with it once again the excitement of Spring Assembly, at which the Sweethearts presented their annual performance before the student body. After many long hours of exacting practice and hard work the 75-76 Drill Team was ready to make its debut.

Students applauded enthusiastically as the Sweethearts performed by squads, and then retired to the audience to observe the performance of their captains. Several parents were also present to support their daughters, who were attired in traditional red lipstick and stiff petticoats under their scarlet uniforms. The audience expressed general approval as they watched their Drill Team smile, bow, and high-kick their way through another Spring Assembly.

Students Elect New Council Officers in Spring of '75

Wide participation was seen in voting for Student Council Officers.

Josie Gonzalez delivers her campaign speech as students listen attentively.

As the Class of '75 prepared for graduation, the Class of '76 was busy nominating candidates for the coming school year. Some fifteen candidates campaigned zealously for the support of voters, and halls were filled with posters and signs as the campaign raged.

At the end of the long road of campaigning, candidates for the offices of president, vice president, and secretary of the Student Council made their speeches before the student body. Competition was stiff, and the decision was difficult, but at last, Bruce Phillips, Ken Sturges and Karen Matney emerged victorious in the voting.

Annual Intra-Squad Game, Sweetheart Show Cheered

On May 24, 1975 the Wildcat football team, band, drill team and cheerleaders gave spectators at Forester Field a preview of the coming football season. The stands came to life as the crowds witnessed what was believed to be an outstanding demonstration of Wildcat potential.

After observing the performance of the new football team, the '76 Band and Sweethearts marched onto the field for their first half-time show. Satisfaction was expressed by all who viewed the show, and it was believed to have been a fine example of what the Sweethearts' performance in the coming year would be.

The outcome of the evening was a Wildcat Red-Team victory over the Gray; but, more important, it was a victory for all the organizations involved, as all their hard work and effort was finally exhibited.

Graduation, All Night Party End 1975 Class Activities

As happens annually, the spring of 1975 was filled with senior activities leading up to graduation. These events included: the Senior Assembly, in which seniors exhibited their talents; Senior Brunch, given in the girls' gym; the Prom at the Sheraton Hotel; and the All-Night Party at Bronco Bowl. Their year, and, indeed their public school life was climaxed by Graduation in the State Fair Music Hall.

The 1975 Woodrow Wilson Graduates received the diplomas on the night of May 28, with Kenny Kurtz as Valedictorian and Eddie Lyndon as Salutatorian. Superintendent Nolan Estes and Board Member Nancy Judy were also present. Mrs. Judy gave the commencement address and assisted in the presentation of the diplomas.

Some Wildcats Start School Year Earlier Than Others

Eager to get the 1976 school year rolling, the band and Sweethearts returned to Woodrow in August a week early in order to be assured sufficient practice for the football season. Sweethearts, decked out in shorts and T-shirts, perfected high-kicks as the band accompanied them, playing such tunes as "Saturday in the Park", "Chico and the Man" and "Theme from Hawaii Five-O."

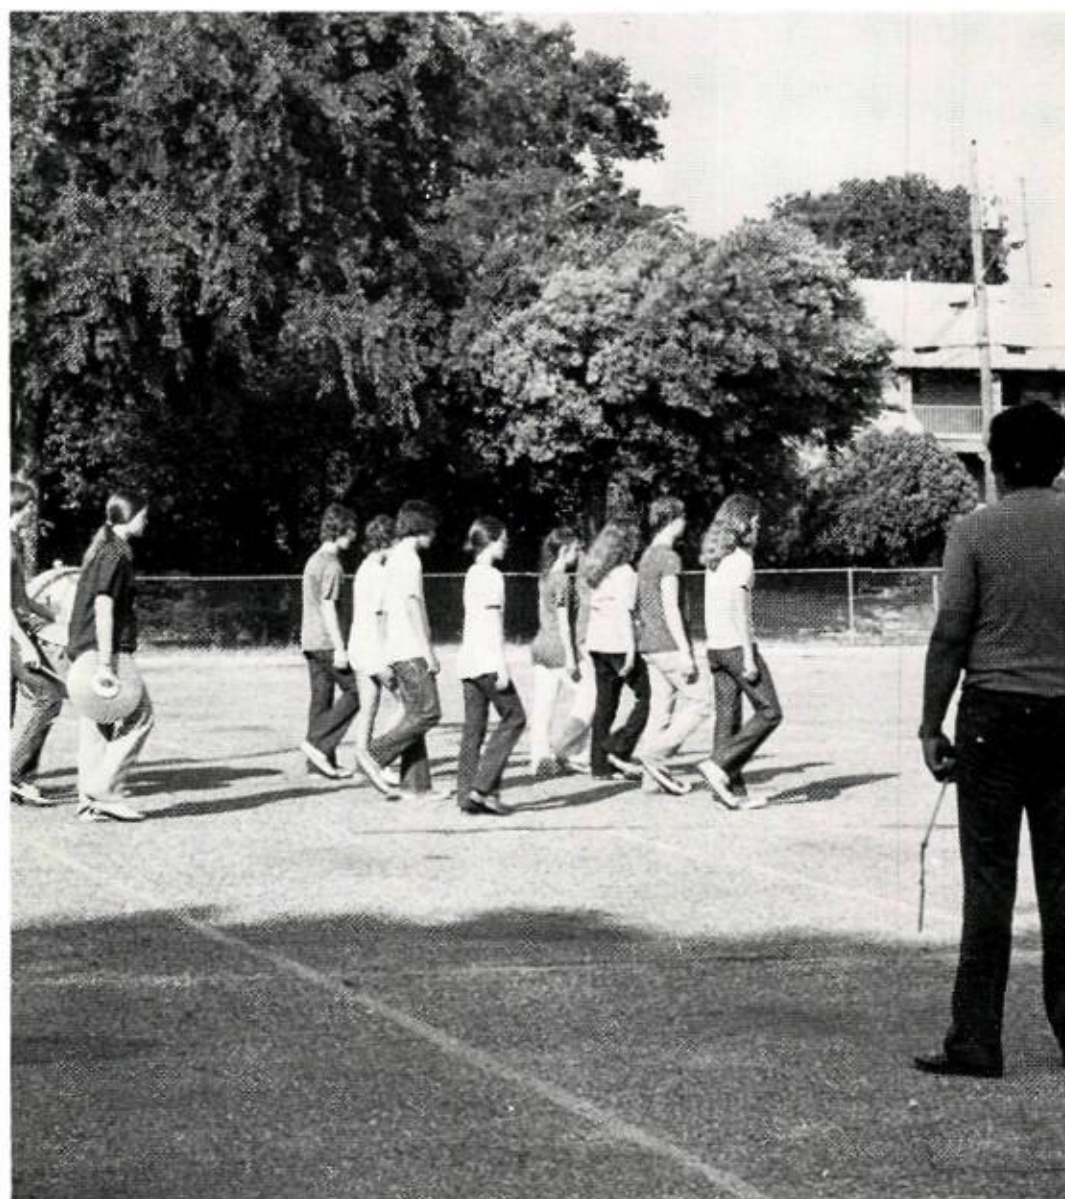

The sophomores and other new students were the next to appear after summer vacation. They attended sophomore orientation on August 15, in which they were introduced to Woodrow's faculty and warmly welcomed by the cheerleaders and Student Council officers. They met first in the auditorium for an opening program, and were then sent to homerooms. School began officially for all grades on August 18, at 8:30.

Sophomores look on in awe as the 1976 cheerleaders introduce themselves.

Karen Petersen, Miss Teenage America of 1975, shares her views on citizenship with the student body.

Miss Teenage America Starts Assembly Season With Thrill

Woodrow's assembly season started off big this year with the appearance of Miss Teenage America of 1975, Karen Petersen. Karen was enthusiastically received by the student body as she spoke of her experiences during the M.T.A. pageant and after being chosen Miss Teenage America.

Following Karen's speech the audience was entertained by the Navy Country Western Band. This group played tunes from popular country artists, and students applauded them heartily. Some students even sang along to such songs as "Okie From Muskogee" and "Red-neck Mother."

The Navy Band seems to feel at home playing country music before Woodrow's students and faculty.

Junior-Soph Girls Pep Squad Gives Boost to Assemblies, Games

Excitement and explosive school spirit recurred at Woodrow each game day during football season, as students and faculty members gathered to cheer on the Wildcat team. Led by their cheerleaders, Wildcat fans stuck loyally by their players to the season's end.

There was one new addition to pep assemblies this year, which consisted of a pep squad made up of sophomore and junior girls. This group sat together and aided the cheerleaders in promoting spirit and enthusiasm. Principal Wayne Pierce called them "The Voice of a Thousand."

Alan Bietendorf and Grant Wall melt the hearts of sophomore girls as they sing "Hey Wildcats," wearing their go-go glasses.

School, Community, City Thrilled at Lisa's Gift of Sight; All Contribute to Fund

In October of '75 Woodrow senior Lisa Clements, blind from birth, underwent major surgery in Houston in the form of a cornea transplant. All of the Woodrow student body rallied to give Lisa and her family financial aid and the support of friendship. The P.T.A., Key Club, Spanish Club, football team and many other organizations worked to raise money for the fund. Students also signed a long card which the coaches sent to Lisa in the hospital along with a football, naming her Sweetheart of the football team.

All of Woodrow was thrilled when news came of the magnificent outcome of Lisa's operation.

Nominees for '75 duchess were: Emily Sherril, Dawn Faccilonga, Lynn Ehrhardt, Susan Brady, and Sara David.

Junior princess nominees were: Alice Freeman, Sandy Hargrove, Kim Ingersoll, Michelle Metzger, Liz Oliver, and Cindy Rodriguez.

Julie McCoy laughs at Steve Edwards' apparent difficulty in pinning on her ribbon.

"Color My World" was the theme of Woodrow's 17th annual Homecoming Dance, October 24, 1975, sponsored by the Student Council. The Council worked hard selecting a theme and preparing appropriate decorations for the evening's activities, which took place in the school lunch room. Music was furnished by Roxanne.

According to tradition, seniors had nominated eight senior women for queen. Juniors selected six nominees for princess, and sophomores six for duchess. These young ladies were escorted to the stage at midnight and the winners were announced. The '75 Homecoming Court consisted of Queen Shirley Fugitt, Princess Cindy Rodriguez and Duchess Emily Sherril. These lucky girls then enjoyed a dance in their honor.

Senior women nominated for queen were: Karen Matney, Donna Smith, Julie McCoy, Carolyn Storm, Shirley Fugitt, Cindy Fort, Leslie Folsom and (not pictured) Monica Benoit.

School Observes Veterans Day in Solemn Ceremonies

A solemn ceremony including the raising of the flag by the R.O.T.C. and patriotic music by the Wildcat Band was observed on Veterans Day 1975. At 11:00 on November 11, band director Randy Garmon gave the student body a short history of Veterans Day and an inspirational speech over the public address system. After that, students and faculty emptied onto the front lawn to take part in the Pledge of Allegiance and the singing of the National Anthem as the flag was raised. Veterans Day was observed in similar ceremonies by most of the schools in the Dallas Independent School District.

Showing respect for their country, the student body attentively observes the raising of the flag, which is saluted by Lieutenant Colonel Harry Bubeck.

Reluctant to return to class after the ceremonies, students amble across the lawn.

Mission completed. The Stars and Stripes and the Texas flag droop as with bowed heads for the memory of departed veterans.

Good Old Emotional Time Had at Sweetheart Annual Banquet

Exultant after being named captains of the 1976-77 Sweethearts are Head Captain Janet Thomas, Captain Squad 1, Melanie Proctor and Captain Squad 2, Gwen Williams.

On the night of December 4, the 1975-76 Sweethearts gathered at the Sheraton-Hilton Hotel for their last activity as a Drill Team. After dinner the girls heard the reading of the "Last Will and Testament," saw skits performed by the junior squad members and the presentation of awards. As always, the banquet was an emotional affair climaxed by the announcement of the 1976-77 Sweetheart Captains. They were: Head Captain Janet Thomas, and Captains Gwen Williams and Melanie Proctor.

Head Captain Beverly Brin and Head Manager Gaylin Willard are entertained along with the rest of the Drill Team as Captains Ruth Ann Burton and Carolyn Storm read their "Last Will and Testament."

It Looked a Lot Like Christmas in Woodrow the Week Before

Christmas spirit was evident at Woodrow this year in everything from caroling in the halls to Seasons Greetings cups in the cafeteria. Rooms were decorated, trees went up around the school and a general spirit of the season prevailed. Before school was dismissed for a two-week vacation, students and faculty witnessed the choir's traditional Christmas program, directed by the new choral music teacher, Mrs. Marcal Lee Bircher.

Mr. Garmon and Miss Mallewick don't appear hesitant over Christmas "goodies" prepared by the homemaking department.

In the tradition of giving, Patricia Peavy, Annette Silvas and Donna Fuggitt exchange Christmas gifts.

Wildcats Among Eager Fans to Welcome Defeated Cowboys Home

January of 1976 brought with it another trip of the celebrated Dallas Cowboys to the Superbowl, in Miami. On the afternoon of January 11, Cowboy fans remaining in Dallas glued themselves to their television screens, nibbling fingernails and taking aspirin, only to observe the ultimate victory of the Pittsburgh Steelers. The fans, disappointed but unabated in their loyalty, rushed out to Love Field the following day to turn a rainy, dreary homecoming into a warm reception for the Cowboys. Woodrow students did their part in the support of the Dallas team, as many of them united with other fans in welcoming their favorite team home.

Student Body Applauds Air Force "Band of the West" in Assembly

The "Band of the West" accompanies their lead singers in "Love Will Keep Us Together," made popular by "Captain and Teneille."

One of the many assemblies presented at Woodrow this year featured the Air Force "Band of the West" from San Antonio. They entertained the school with band versions of popular songs from such artists as Linda Ronstadt and Elton John. Highlight of their performance was a surprise appearance of their own "Elton John." "Elton," decked out in ostrich feathers, sequins and goggles, paraded through the audience flirting with female teachers and students, and causing uproarious laughter from the on-lookers. The performance of the band was highly applauded and enjoyed by students and teachers alike.

"Elton" apparently enjoys serenading the ladies in the audience during his appearance with the "Band of the West."

One of the more popular tunes of the "Air Force Band" assembly was "Will It Go Round in Circles," sung here by a lead singer of the band.

Cheerleader Aspirants Taste Joy, Dashed Hopes

After many long, hard hours of practice and polishing, 17 very nervous cheerleader finalists were presented to the student body for viewing before elections. At lunchtime on February 12, the juniors and sophomores voted for eight cheerleaders for the 1976-77 year. The results were announced to the finalists in Mr. Pierce's office that afternoon, and to the school immediately afterward. The cheerleaders elected for 1976-77 were: Cindy Rodriguez, Yolanda Green, Brenda Parker, Michelle Metzger, Martin Lopez, Willie Morgan, Jack McDonald, and Mike Becerra.

Cindy Rodriguez presents "The Wildcats Will Win" before the school, demonstrating her spirit and enthusiasm, as well as her ability.

Linda Lovvorn polishes her split jumps, which later helped to qualify her as a finalist in the preliminary judging.

Mr. Pierce's office is filled with both weeping and joy after the announcement of the 1976-77 Cheerleaders on February 12, 1976.

As part of their preparations for try-outs before the judges, cheerleader candidates must present their cheers, as cheerleaders and candidates observe.

Hearts, Flowers Rule St. Valentine's Day as Organizations' Funds Grow

Juniors Christy Willingham and Brenda Graham have their hands full delivering Valentine carnations on February 13.

The Student Council aided in the celebration of St. Valentine's Day once again, by selling Valentine telegrams. These were delivered to second period classes on Friday, February 13. The traditional telegrams brought in about \$130 for Student Council use, and they promoted the exchange of Valentine greetings among students.

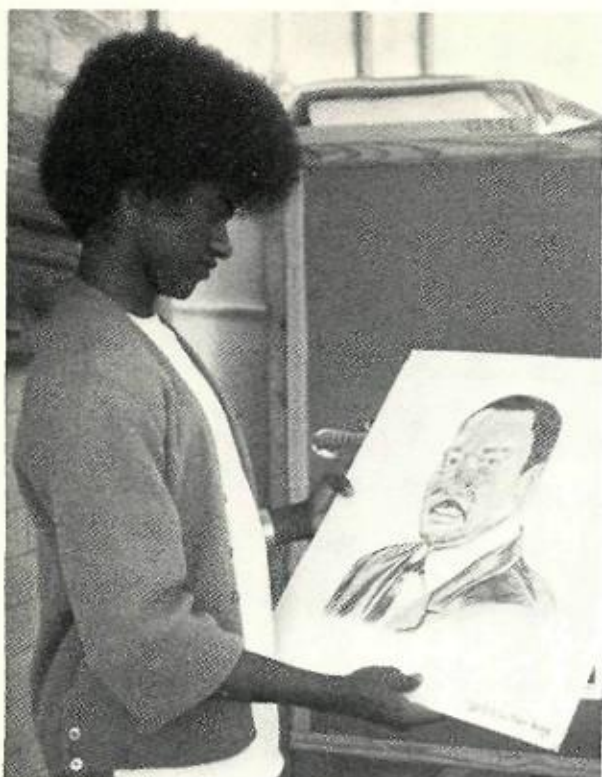

Another contribution to the recognition of Valentine's Day was made by the Junior Girls, who sold carnations in the lunchroom. Junior Girls personally delivered the flowers to people in second period classes. It was said that they were an attractive addition to the atmosphere of the school on Valentine's Day, 1976.

Juniors Becky Louton, and Jenny Fugate display their Valentine carnations, and smile prettily for the Crusader photographer.

Public Address Announcements, Assembly Mark Black History Week

The week of February 7-14 was American Black History Week and was widely publicized at Woodrow by numerous posters and presentations. Each morning black students presented speeches and information on black history over the public address system. Posters recognizing black leaders in history filled the halls. At the conclusion of the week, an assembly was given, which featured a slide presentation as well as a speech made by Mark Washington, cornerback of the Dallas Cowboys.

Movie Star, Ex-Wildcat, Visits Alma Mater, Thrills Women

Woodrow's honored guest, Burt Gilham, is surrounded by Woodrow women: Nancy Hardwick, Carolyn Storm, Karen Criswell, and Annette Lopes.

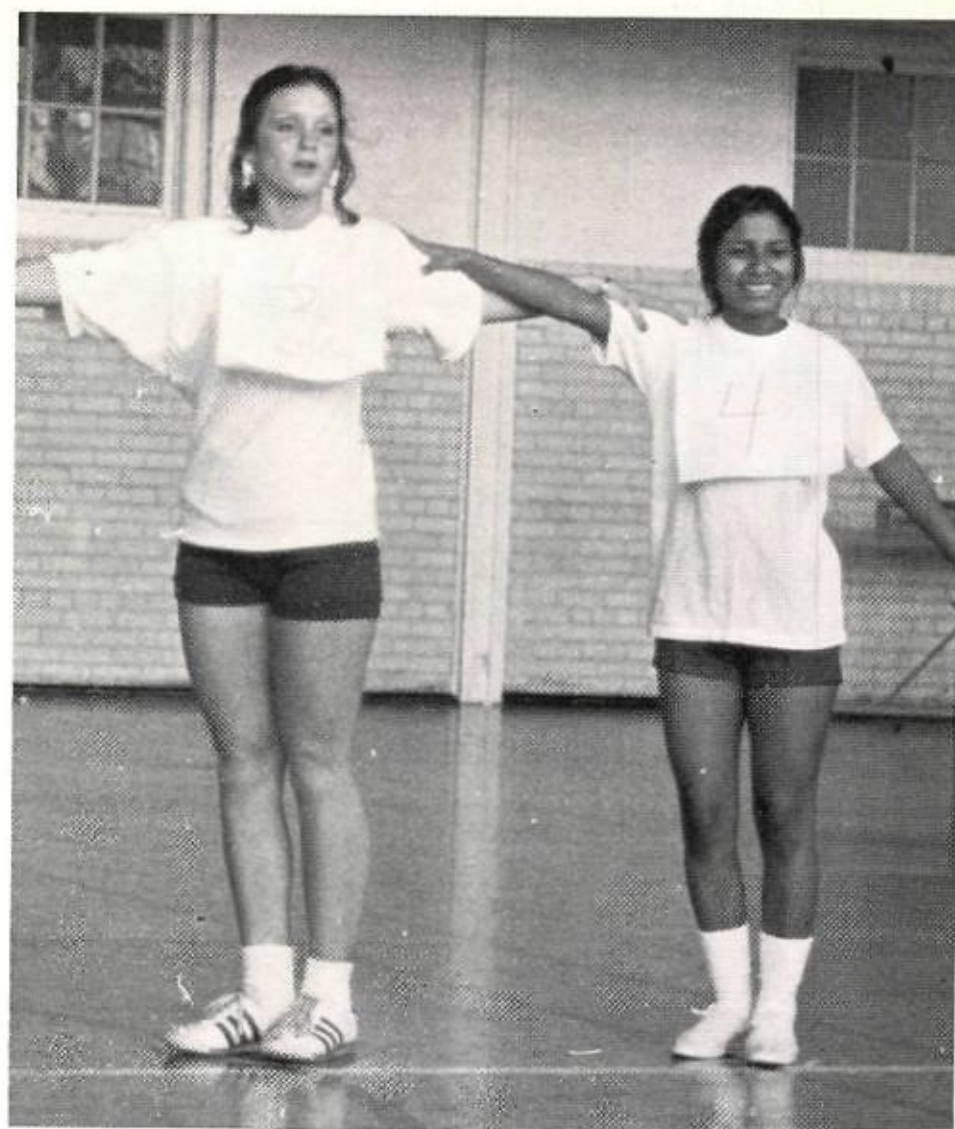

Woodrow was honored this year with the visit of one of her former students who had "made good." The honored guest was actor Burt Gilham, a graduate of the Class of '58, who is currently starring alongside Burt Reynolds in the motion picture "Gator." He had parts in many other movies, including a bit part in "Paper Moon." Mr. Gilham took time out of his busy schedule to talk with Woodrow students, and to display an engraved belt buckle, given to him by Burt Reynolds while filming "Gator." The actor was, indeed, a "hit" with female students, and everyone seemed proud to have a movie star visit Woodrow.

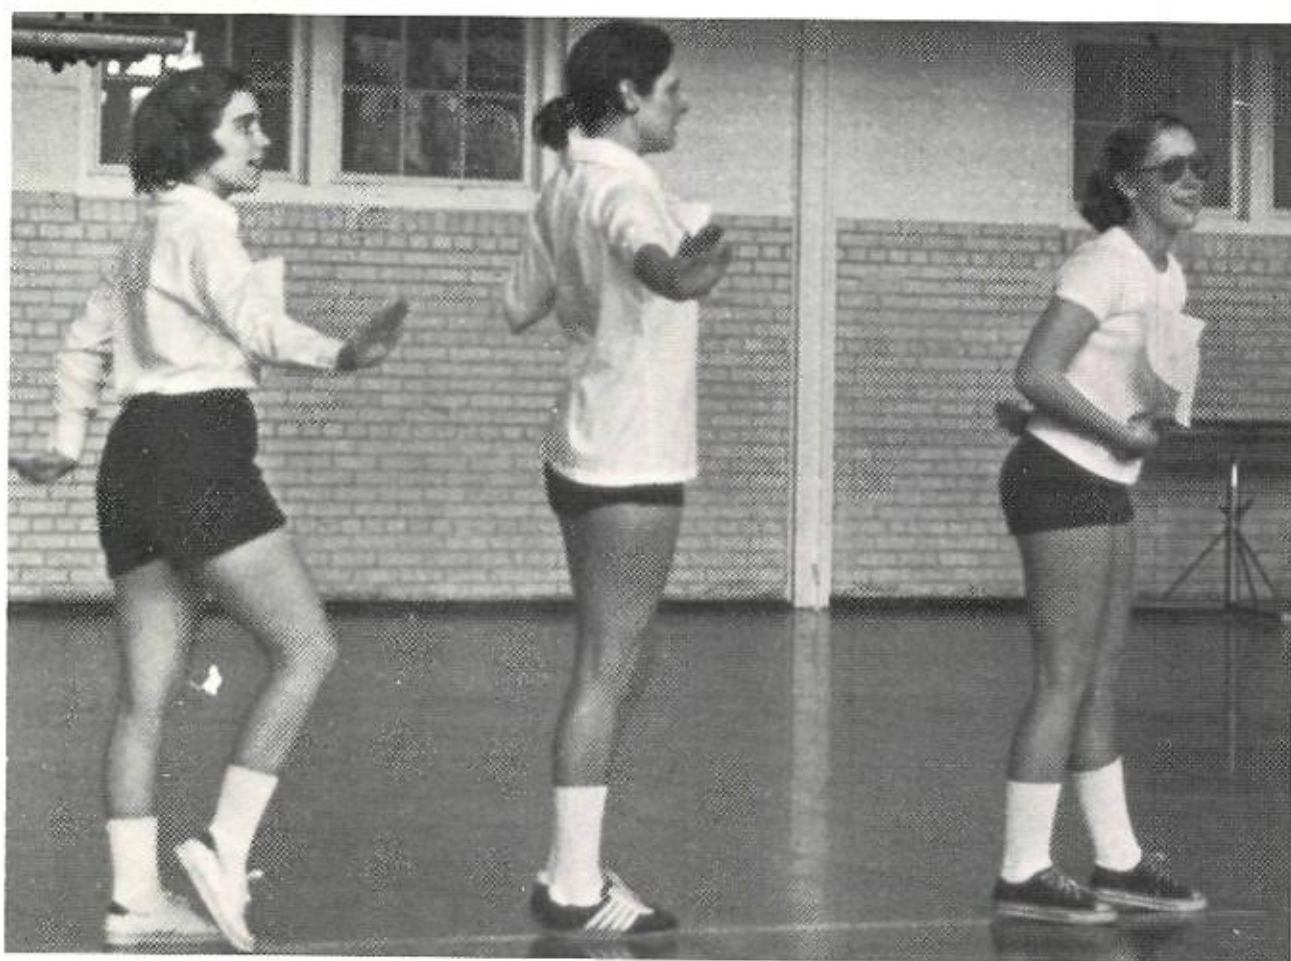

Burt Gilham tells of his life as a movie star as Woodrow females listen attentively.

Forty One of 52 Aspirants Selected for New Sweethearts Drill Team

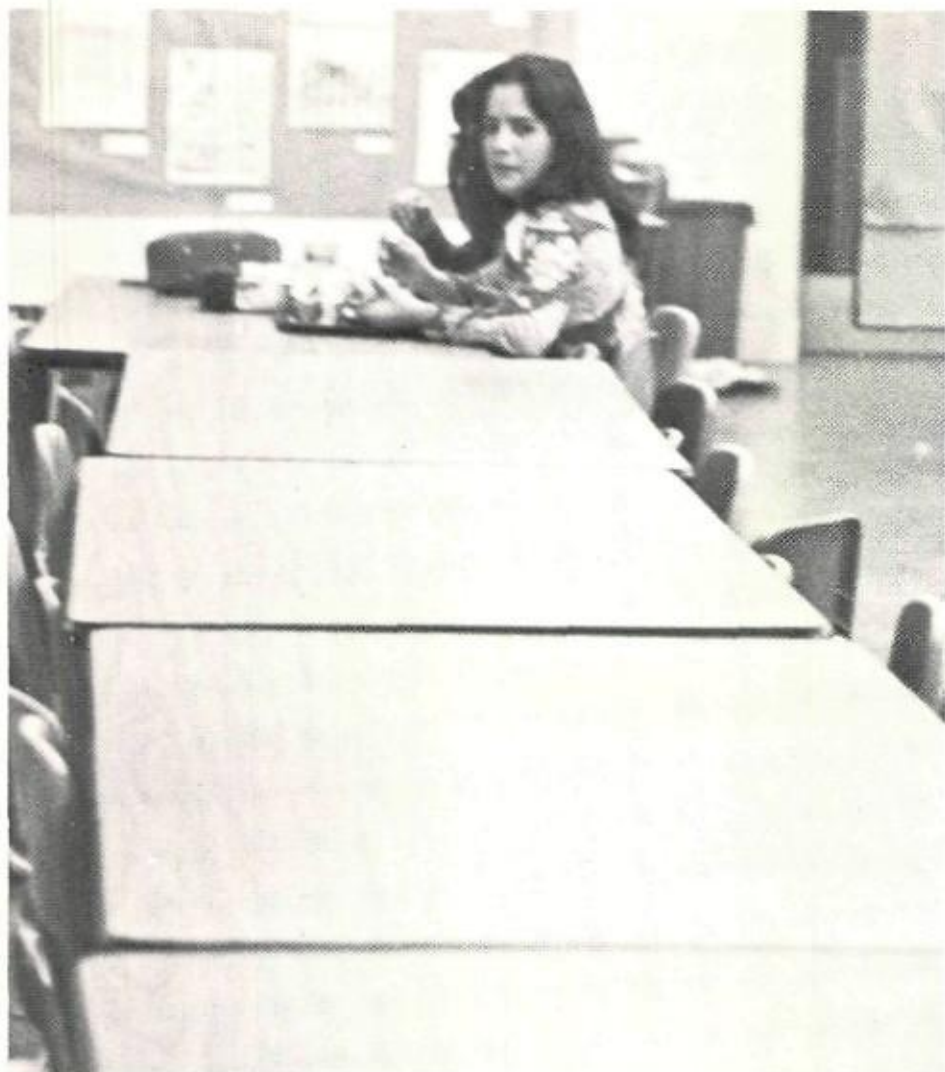

On the afternoon of February 18, the atmosphere of the girls' gym was filled with tension and excitement, and 52 anxious girls tried out to become members of the Woodrow Wilson Sweethearts. The candidates learned the tryout routine at the beginning of the week and spent every spare minute thereafter practicing and perfecting for the judging. That night, the 76-77 Drill Team Captains and Senior members kidnapped 41 lucky girls and initiated them as sweethearts. The first initiation ceremony took place at the home of head captain Janet Thomas.

While trying out before the judges Gayla Young and Sylvia Varela prepare to do a "swish kick" in time with the music.

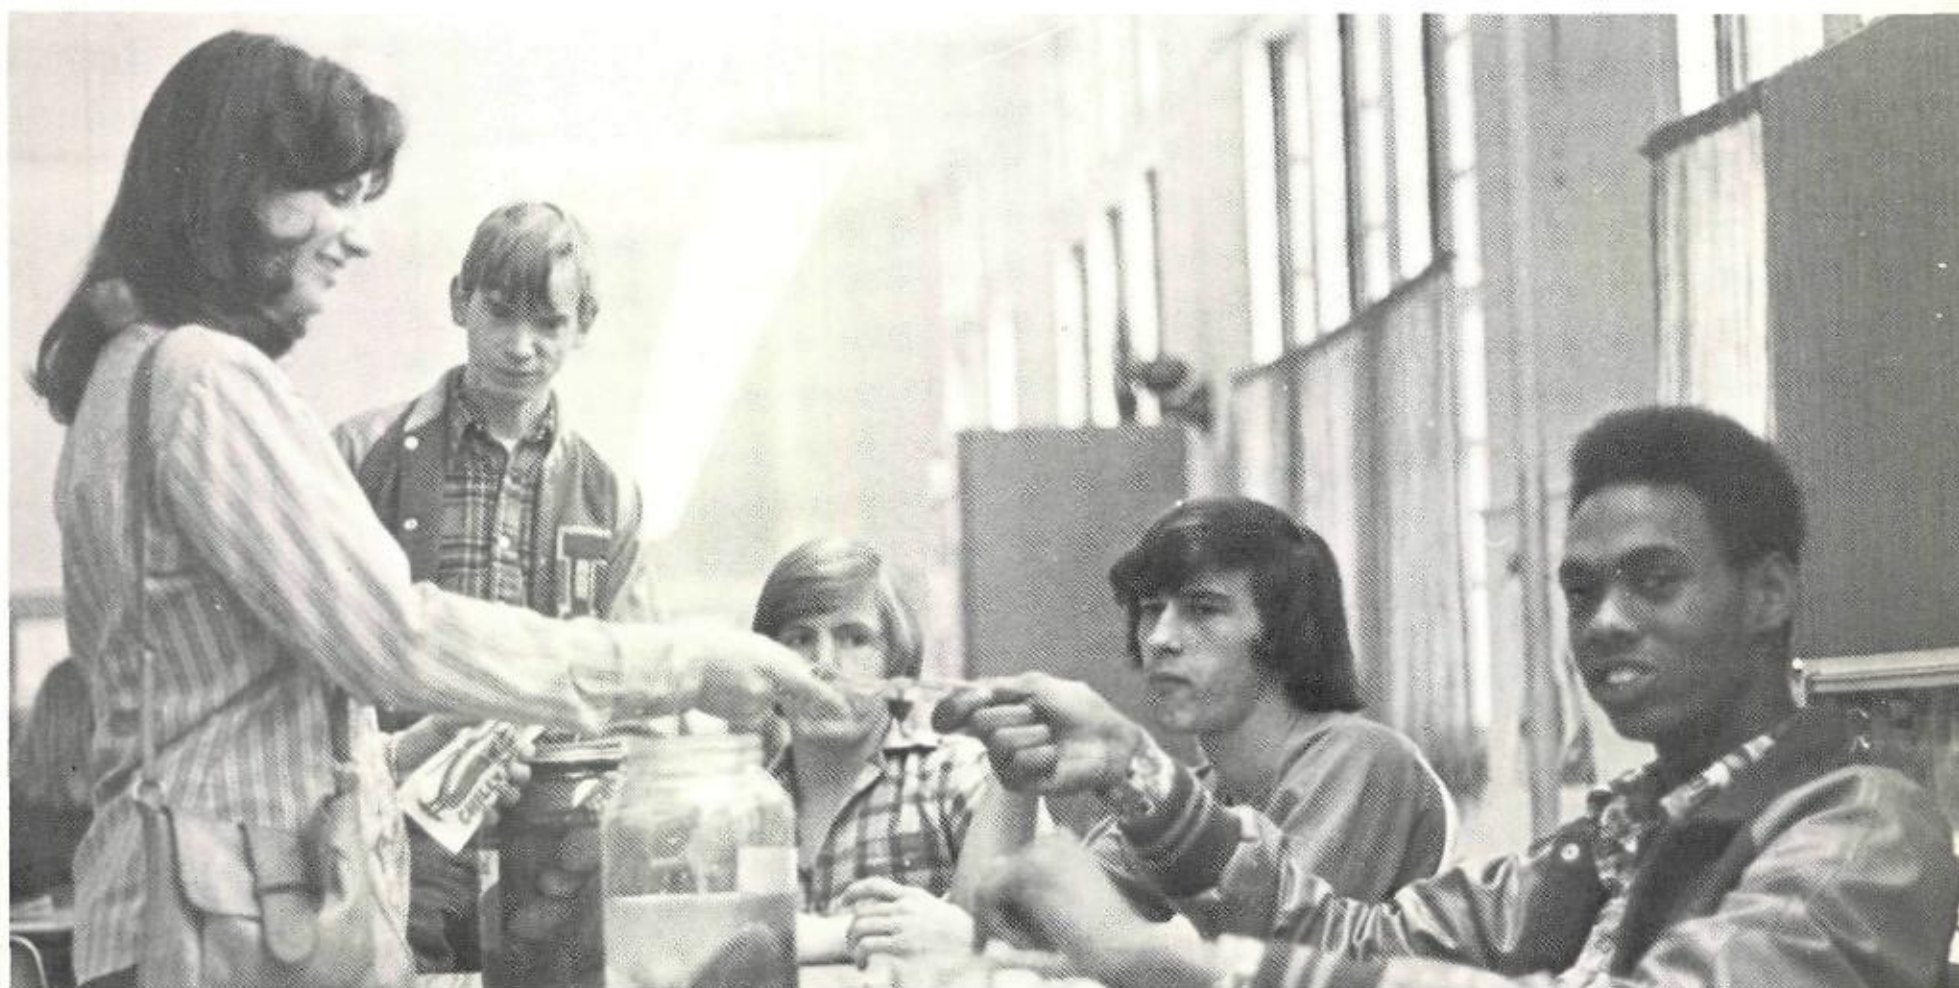

Drillteam hopefuls Teresa Musgrove, Martha Bogie and Carol Russell nervously execute the tryout routine.

Lunchtime Wildcat Happy Time; Cagers Sweeten Fans With Pickles

One part of the day that everyone spends in common is lunch period. Classes and work forgotten for a short while, administrators, teachers, and students make their way to lunch. A new dimension to lunch evolved when the basketball team started a "pickle monopoly." Everyone bought and enjoyed the pickles, and the team earned some much-needed money. Like all good things though, lunch came too soon to an end, and everyone returned to the routine of the day.

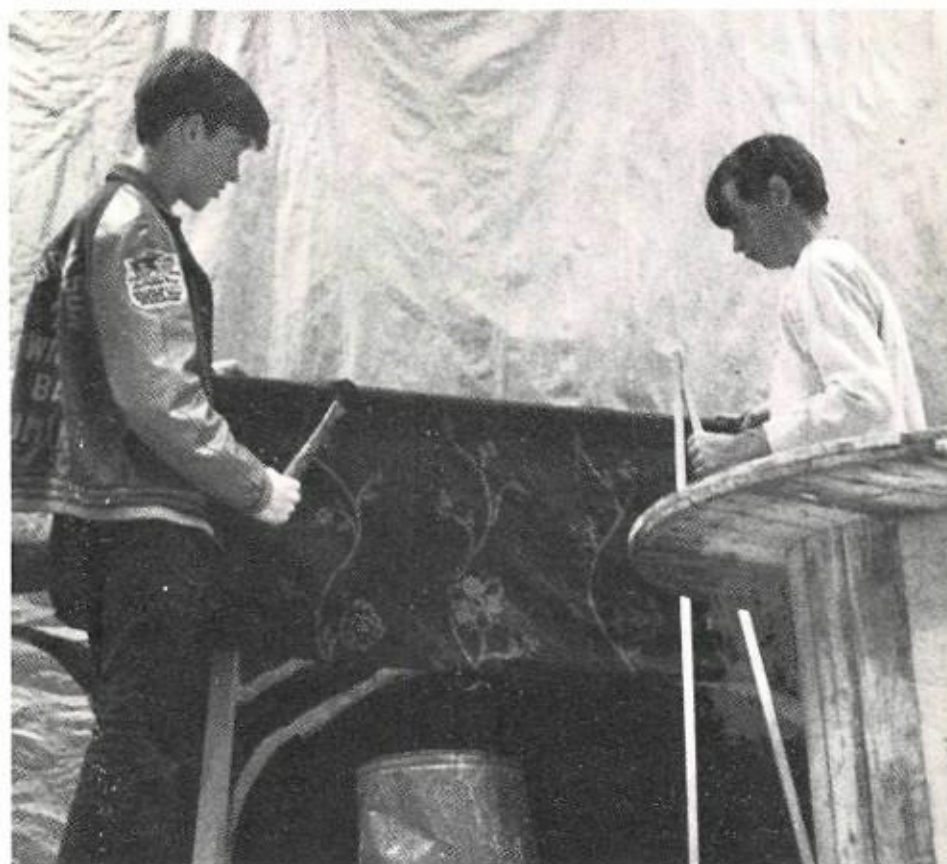

No sweets allowed! Linda Lovvorn and Tom Heckman help out the varsity basketball team by purchasing tasty dill pickles in the lunchroom. Vendors include Russell

Arbogast, James Cannon, and Alton Lister.

Musical "Oliver," Based on Dickens Novel, Chosen for Presentation

According to new choir director, Mrs. Marca Lee Bircher, the Woodrow Wilson concert choir, and stage craft classes labored long and hard in preparing for the presentation of the musical "Oliver," in March. Under Ms. Bircher's direction, the stage crew, working during class periods and on Saturdays, turned out scenery and props rapidly. Lines were memorized and music was carefully rehearsed day and night for weeks in order to assure a good performance.

Drama Department Presents "The Mask" in One-Act Competition

On April 1, 1976, the Woodrow Wilson drama department, under the direction of Mrs. Marilyn McBride, participated in the University Interscholastic League competition. The cast members, Mark Carr, Nancy Taylor, Glenn Farmer, and Gayla Young presented "The Mask" by Dorothy Russell Murphree for evaluation at W. T. White High School. The play concerns two young couples who are striving to evaluate themselves and their beliefs.

Woodrow Wilson Pupils, Faculty Take Part in American Bicentennial

The American Bicentennial was celebrated at Woodrow and throughout the Dallas Community in a number of ways. These included art exhibits, music and drama presentations, and planting trees on the school lawn. Woodrow's clubs and organizations helped to contribute to the Bicentennial activities in different ways. The Science club planted a tree, the choir gave a special Bicentennial program.

Cheerleaders Attend Workshop, Put Theory Into Practice

In November of 1974 Woodrow student body selected eight new cheerleaders. They were: Jackie Green, Nancy Hardwick, Julie McCoy, Donna Smith, Alan Bietendorf, Steve Edwards, Terry Parker, and Grant Wall. Their new responsibility was to promote spirit and enthusiasm among the students and to back their school teams. After taking a cheerleading course at S.M.U., they returned to Woodrow prepared to lead their school in cheering at pep assemblies and games. Weekly they practiced and decorated the auditorium for upcoming games.

"Hey Wildcats" was a popular song, led here by Alan Bietendorf and Grant Wall.

Sweethearts Important as Morale Builders for Team

This school year the Sweethearts were led by three captains, instead of five, as formerly. The Sweethearts also started what was hoped to be a new tradition by the drill team members in choosing an outstanding "Sweetheart of the Week" for five weeks only. Chosen this year were Shirley Fugitt, Nini Kadane, Carol Conway, Debbie Hirsch, and Cindy Sutton.

The Sweethearts prepared several different surprises for the football team members each week to boost their spirit. They made, at different times, sack lunches, brownies, candy, and ordered a cake for the team.

New captains, for 1976-77, were announced at the drill team banquet, which was held in December at the Sheraton Inn. Ms. Gay Addington, sponsor, announced the Sweetheart of the year, which honor went to Shirley Fugitt.

Even though the year ended this spring for all the girls, they spoke with emotion of the fond, everlasting friendships and memories that were theirs for having been on the Woodrow Wilson Drill Team.

Happy Birthday to America Expressed by Wildcat Band

High point of the Woodrow Wilson Wildcat Band's activities this year came October 30, 1975 when it presented a musical tribute to America on her 200th birthday. The performance was during half-time intermission at the Samuell football game at Forester Stadium. The band was assisted by the R.O.T.C. and the Sweethearts drill team.

Perhaps the most exciting event for the band members was their participation in the Fiesta Flambeau parade in San Antonio in April. To raise money for the trip the band members sold Christmas candles and had numerous bake sales.

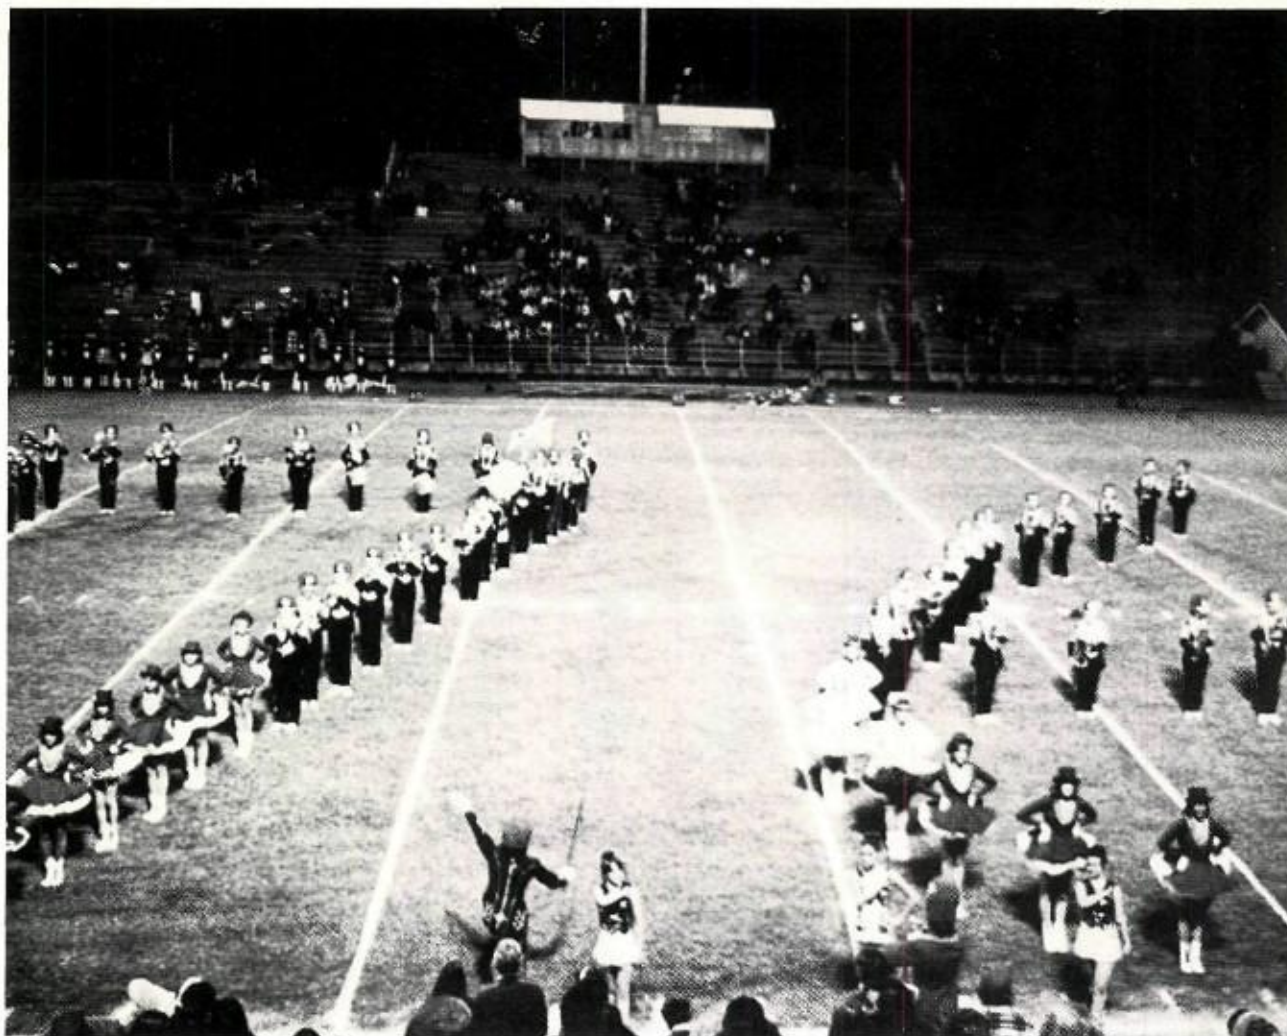

Other programs and activities of the band included several music contests, the University of Texas at Arlington Band Festival, Eagles Parade, and State Fair Parade. They have given Concerts for the Fowler Home, the PTA, and the Cluster Concerts, Band director was Mr. Randy Garmon.

A tribute to the Bicentennial the band and drill team formed a "76," symbolizing the 200th birthday of the United States.

Wildcat Band Chooses Sweethearts; Drum Majors, Majorettes Praised

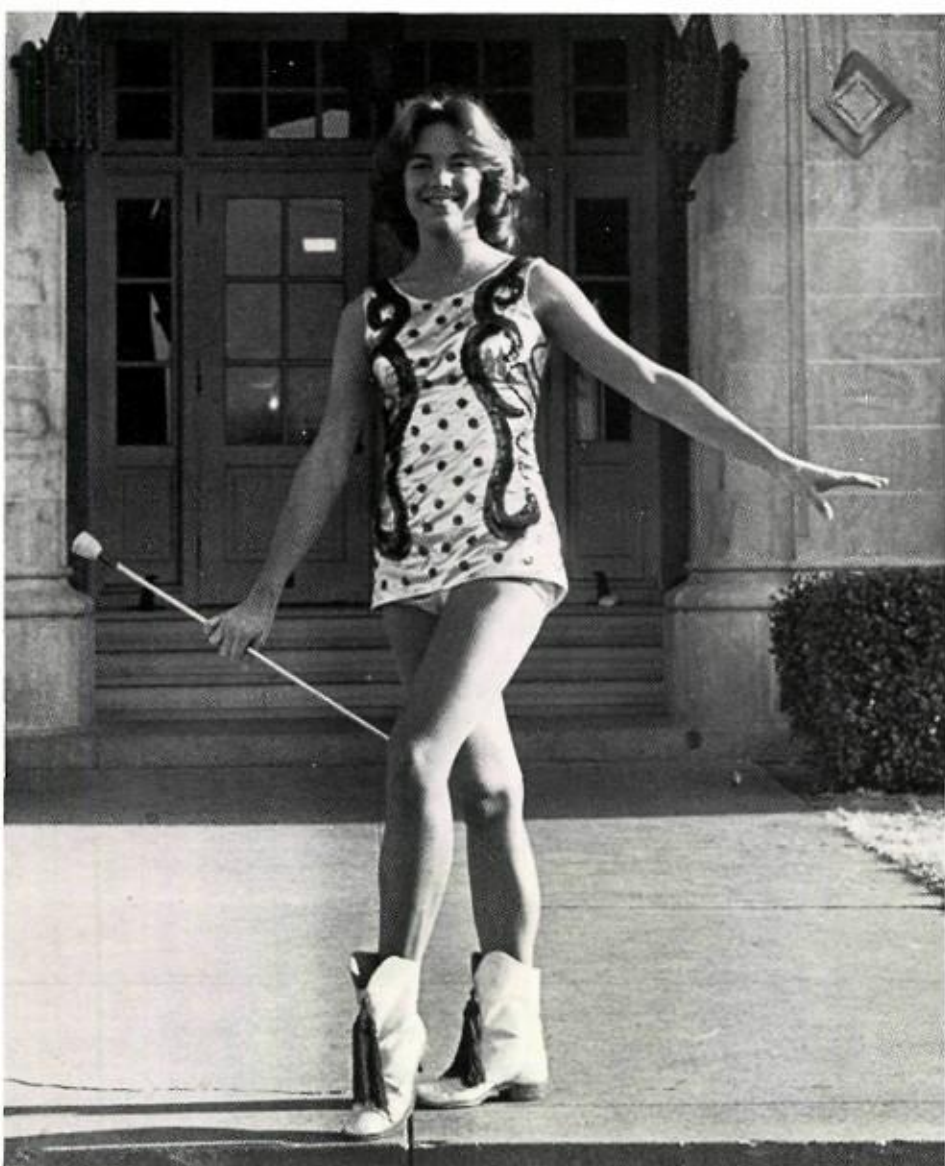

All members of the Woodrow Wilson Band chose Cynthia Drane as Band Sweetheart for the 1975-76 school year. Cynthia was chosen for her vitality and personality, according to Carl Ellis, band president. Band director Randy Garmon praised drum major Kenyon Hiser and assistant Robert Flores, saying they sparked enthusiasm and a desire for excellence in the band. Working to improve the band formation and performance was the main point of focus for Kenyon and Robert, they said. Band majorettes were chosen by auditioning before several professional judges. The three girls chosen were Alice Freeman, Kirby Shaw, and Jana Rains, who have won many awards and honors in twirling contests throughout the state. They are members of the National Baton Twirlers of America.

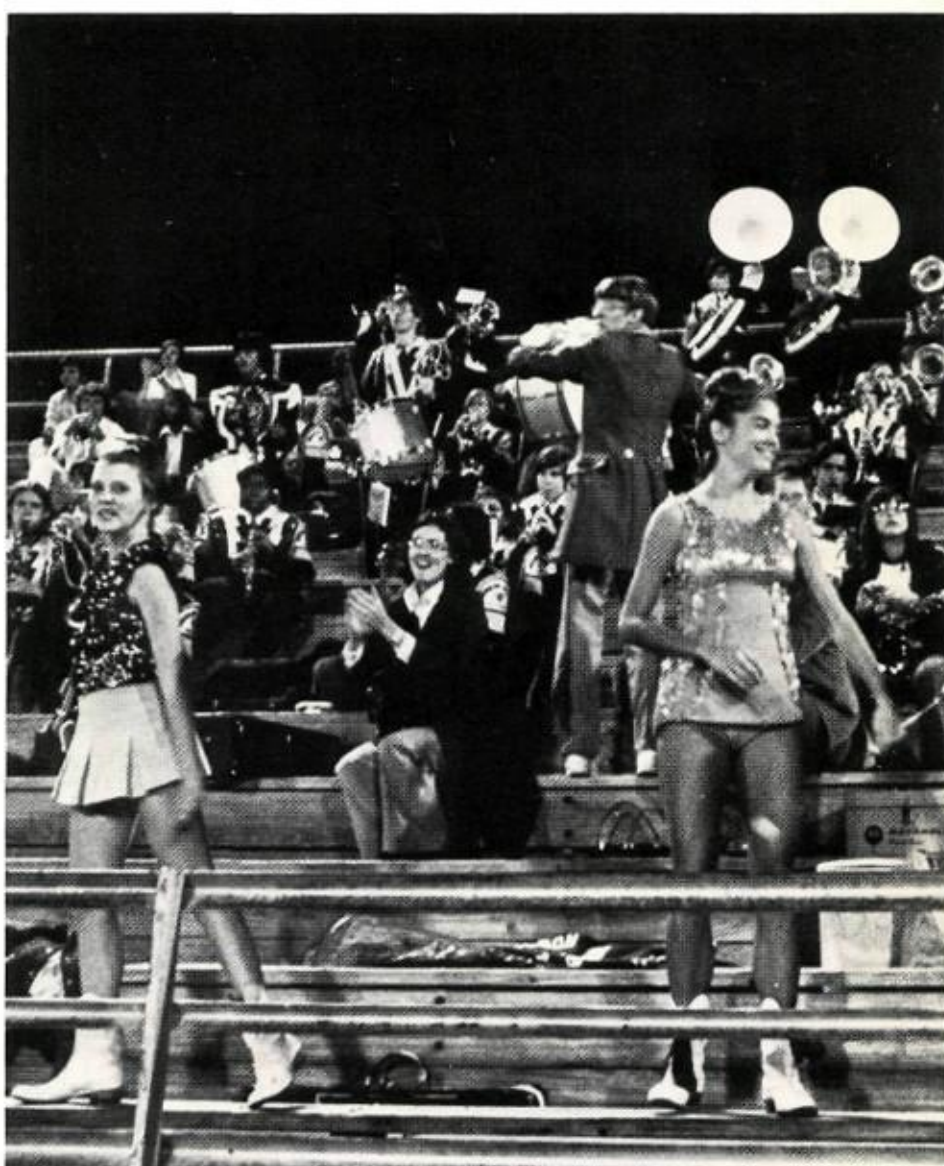

The Band Leaders were drum major Kenyon Hiser and his assistant Robert Flores.

The 1975-76 Majorettes were Kirby Shaw, Alice Freeman, and Jana Rains.

Alice Freeman was the band feature twirler. She was named state champion by the National Baton Twirlers of America.

During the games the majorettes always entertain the crowd when the band plays.

Communication Chosen as Theme for Student Council 1975-76

Sponsoring of the 1975-76 Homecoming with the theme of "Color My World," launched the Student Council on a busy year. The dance held on Oct. 24, in the lunchroom climaxed the celebration of victory that night over the Spruce football team.

The Student Council tried in every way to promote communication with student and faculty, student and community and with student and student. The group sponsored several assemblies during the year, which were enjoyed by all the students.

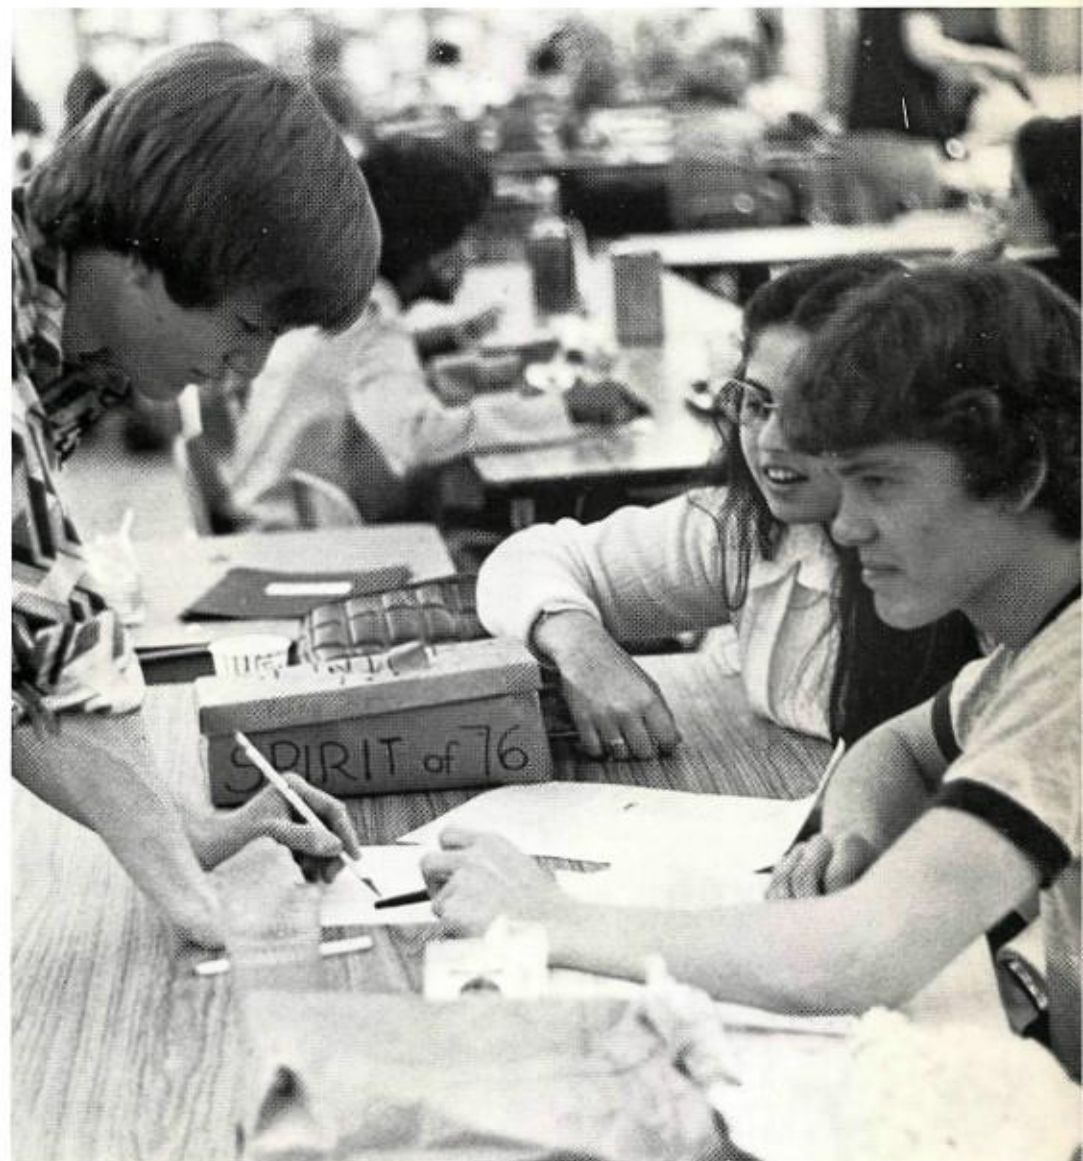

Besides the homecoming activities the student council sponsored a valentine telegram sale as well as all the elections that involved students including Favorites.

This year, instead of dividing the council into three different committees (Social, Elections, and Operations), President Bruce Phillips decided to choose only chairmen and let everyone on the council work together on all projects for the school.

Key Club Elated Over Success of Fund Drive for Lisa Clements

The Key Club stands for service — service to the school and service to individuals who need help. This year the Woodrow Wilson Chapter achieved one of its greatest triumphs of service when the members entered into a project to raise money for Lisa Clements, a blind student at Woodrow, who had an eye operation to restore her vision in one eye. The total amount raised by the club for Lisa was \$600. The Mystery Wildcat contest was another of the club's projects during the football season, in which a different person each week in the school was secretly designated as the "Mystery Wildcat." Anyone who learned who it was by asking others, "Are you the Mr. Wildcat," received two free tickets to the game. Members also sold refreshments at the B-team games that were played on the campus.

Under the leadership of sponsors Gary Collett and Alton Hill, the Key Club met weekly in room 216. The East Dallas Kiwanis Club sponsors the Woodrow Wilson Key Club.

Key Club officers are: Ken Sturges, Robbie Holt, Scott Storm, Steve Davis, Terry Parker, Bruce Wheelless, and Kevin Gallagher.

Key Club junior and sophomore members are: FIRST ROW: Jimmy Echols, Gregg Turner, and Tom Heckman. SECOND ROW: Bruce Wheelless, Robert Wilcox, Kevin Gallagher, Joe Shearin, and David Yates.

At meetings of the Science Club the members would try to get projects set up and field trips organized. The members were able to go to symposiums like the one given at the Baylor Physical Therapy Center.

Club members enjoyed their fall party at Cedar Creek Lake, and during the winter they had a Christmas party at different members' houses.

The money raising projects by the club enabled them to pay for all of their activities. The projects included bake sales and scrap-paper drives.

The Science Club was open to every student in Woodrow Wilson who was interested in science-related fields. The members met on called meeting after 6th period in room 304. Mrs. Nova Evans was club sponsor.

Fun, Skill, Healthful Exercise Object of Woodrow's Largest Club

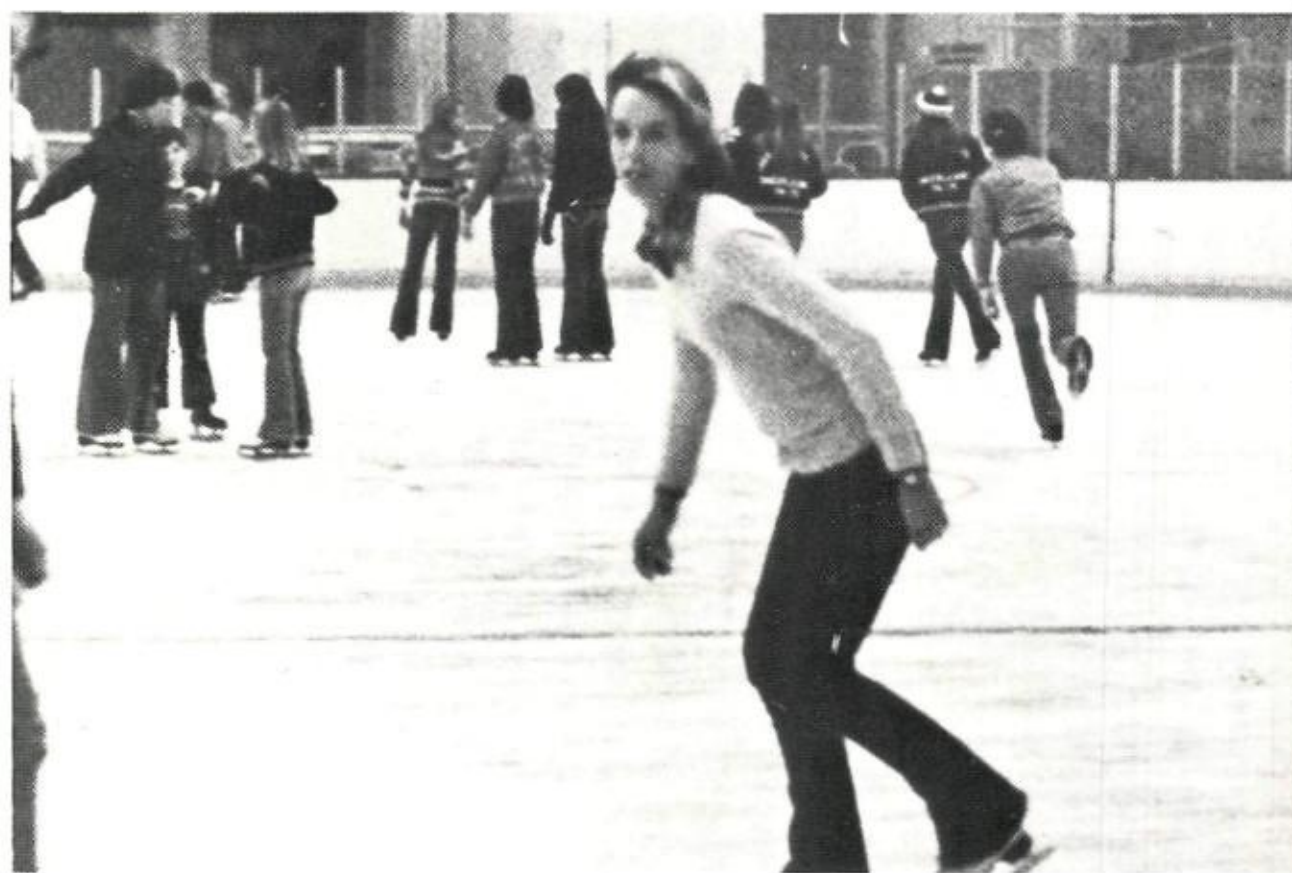

The largest club in Woodrow Wilson boasted 105 members! The Ice Skating Club met every Thursday evening at Fair Park Ice Arena from 8:00 to 10:00 p.m. Membership cards were fifty cents. This money helped pay the club's expenses. Club Sponsor, Mrs. Martha Timm, said, "The club's purpose was to have FUN and enjoy a healthy form of exercise."

Pup Tops Sales-Boosting Prizes Given by Newspaper Staff

The newspaper staff, with the help of Miss Janis Harbus, sponsor, published the WILDCAT, the school newspaper, every month in the journalism class (and during many extra sessions!). Each newspaper was given a different number, and three lucky numbers were called over the loudspeaker. The lucky persons won either "wads" of gum, a box of candy, valuable tickets, cash or even a puppy.

Although working overtime for the deadlines, reporting school events, and selling ads were not easy jobs, Miss Harbus said that the Wildcat staffers performed their best and came out with an excellent newspaper.

Study, Fellowship, Fun Mark Meetings of Christian Athletes

The FCA or Fellowship of Christian Athletes set the goal this year of promoting the Christian faith among other athletes and students in the school.

Meetings were held every Tuesday night at different members' homes. Announcements, messages, discussions, application of study were among the activities done during meetings. The club is a member of the National Fellowship of Christian Athletes. Coach Alton Hill was sponsor.

Little Theater Revived, Plunges Into Round of Activities

The Little Theater Club came back to Woodrow this year after a suspension of one year. The members were students interested in the theatre and drama.

The club's activities included attending plays, going to LLOVE Entertainment Center at Love Field for a Christmas party, and having social gatherings, at different members' houses.

The Little Theatre members met every third or fourth Wednesday of each month during 7th period in room 211. Sponsor of the club was Mrs. Marilyn McBride.

Little Theater officers were: Deana Hicks, vice president and Joe Sholdon president. Not pictured was Kaye Yarborough, secretary-treasurer.

Red Cross Enrollment Tops \$147; Members Cheer Less Fortunate

The Red Cross members started off the year with service and business on their minds. "Enrollment" in this service organization was counted in dollars and cents, and on enrollment day \$147.30 was collected from various classrooms. The second period ROTC class of Sgts. Don Bacon and Alphine Freeman won the first place honor for contributing the most money. Second place went to Mrs. Wilhelmina Blevins' room. Their other activities included making Thanksgiving placemats for the Veterans' Hospital, Christmas stockings for Terrell State Hospital, and Easter baskets for the Fowler Children's Home. Miss Sarah Stovall has sponsored the club for the past 19 years.

Winner in the Red Cross competition between second period classrooms was the R.O.T.C. class of Sergeants Bacon and Freeman. FIRST ROW: Clara Chapa, Joe Cawthon, Geraldine Barbrick, and Jack Edwards. New Honor Society Members to Be Chosen After CRUSADER Deadline

Juniors and Seniors with a 3.00 (B) average for the years in Woodrow Wilson are automatic candidates for the National Honor Society. Besides scholarship, membership is based on leadership, character, and service. This election of members was a responsibility of the faculty members, who voted on those who qualified scholastically.

The induction of new members took place the third quarter because of the limitations presented by the quarter system. For this reason the new inductees are not included in the 1976 *Crusader*. Three percent of the total membership were juniors, and 12% were seniors.

This year the Honor Society officers made many announcements over the loudspeaker to inform students how they are able to be eligible for the Honor Society.

The fall party, one of two held each year, was a dinner at the home of the sponsor Mrs. Timm. The spring party was a supper and swimming party for the new members.

Future Homemakers Cheer, Help Others

The Woodrow Wilson Chapter of FHA, or Future Homemakers of America, began the year with many projects in mind. They sold candles to students to earn money for the club's expenses, and they made Christmas wreaths for the children at the Fowler Home.

The FHA meetings were held during home-making class time in room 215. The members planned their activities, one of which was to attend the Area Meeting in Denton during March and a State meeting in Fort Worth later in the spring.

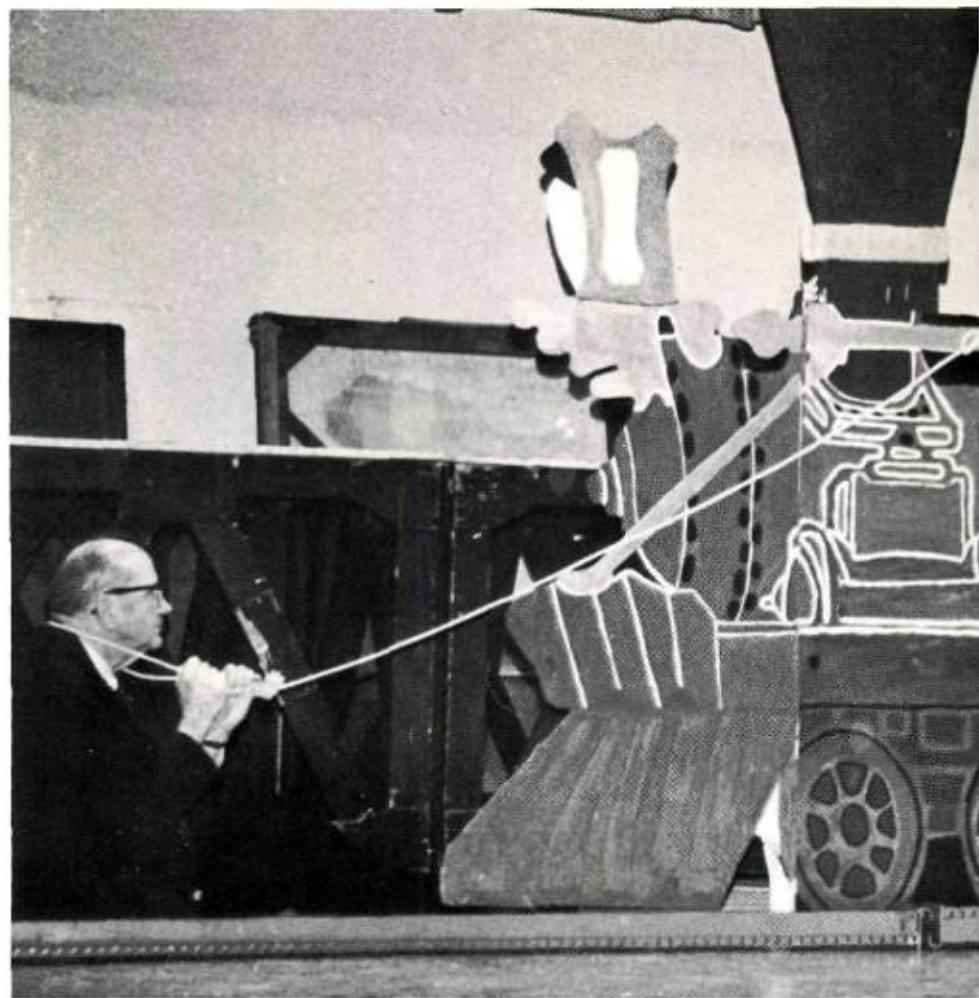

One recognition that came to the club this year was a certificate for helping with the Muscular Dystrophy Drive.

Senior PUB, Humor-Spoof Book, to Make Appearance on Senior Day

The notorious senior PUB once again joined forces with sponsor Mr. J. W. Brown to probe into the intimate lives of the '76 Seniors. This infamous group stalked the halls, trash cans and all other places where Seniors gossip to obtain humorous and embarrassing information. Meeting on Tuesdays and Thursdays, the PUB staff compiled their stories for the ultimate goal: publication! The PUB was delivered on Senior Day.

PUB members Tony Reyes, Leslie Folsom, Melissa Dannelly, and Kathy Hall seem very surprised. Maybe they have read what the other PUB members wrote about them.

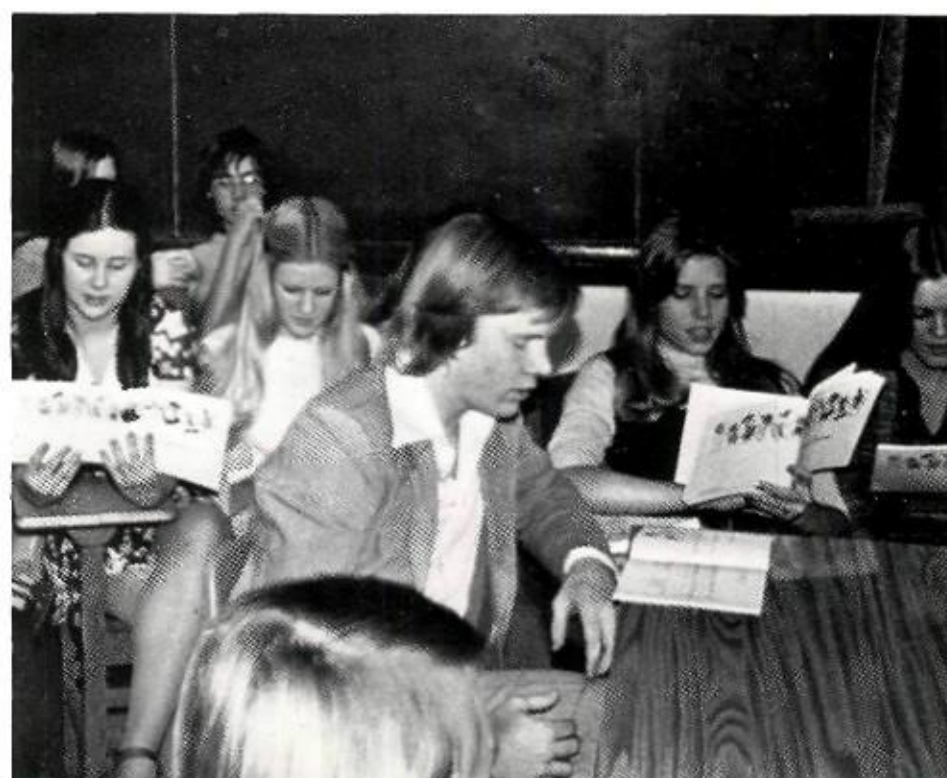

French Club Learns of French Culture Not Studied in Class

Since there was only one French Class this year some of the meetings were held in class period and others were held during seventh period. The programs featured presentations of reports on French life and customs, folk songs, films on France and a special program

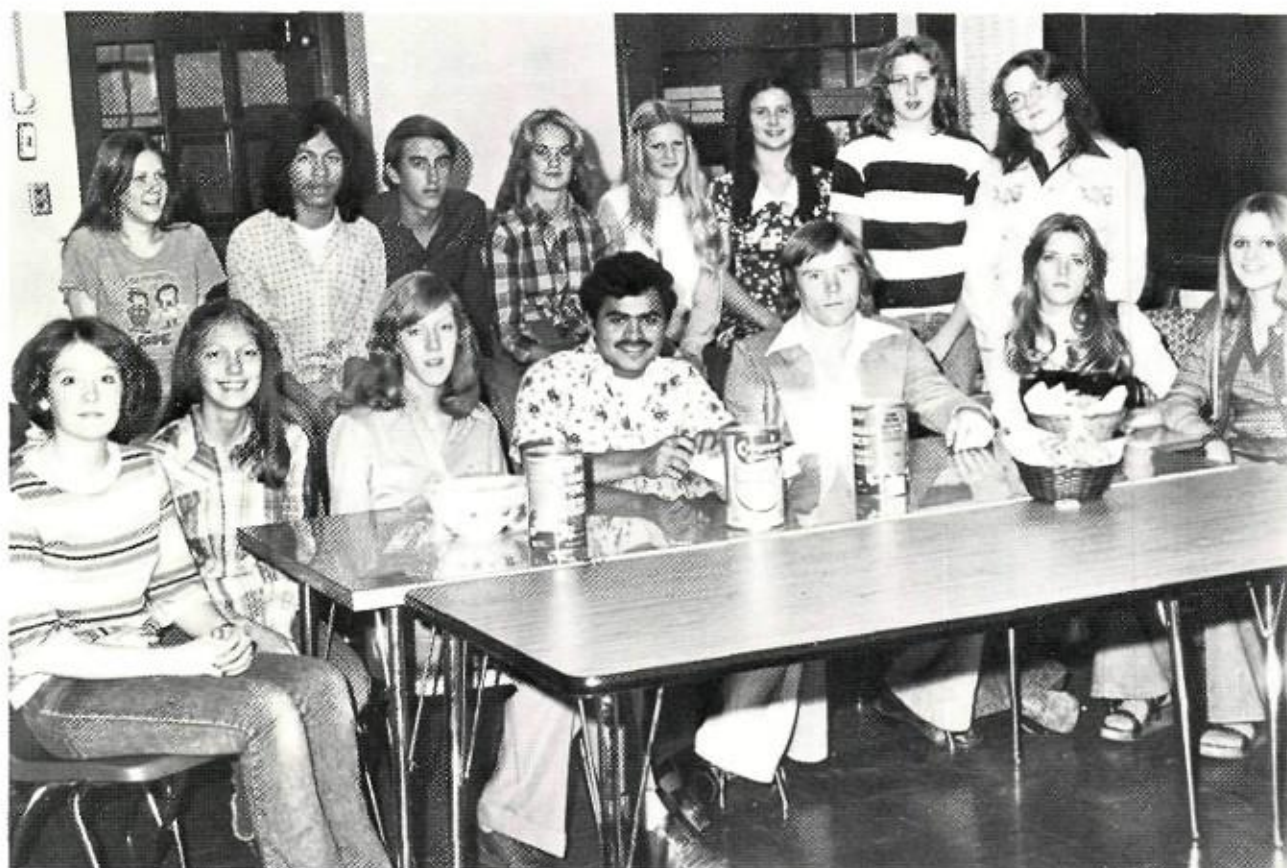

at Christmastime. Refreshments were served at each after school meeting. Members sold confections and other items to pay for the club page in the Crusader. Mr. Paul Allen was club sponsor.

Arts, Crafts Fair — Garage Sale Underwrites All P.T.A. Expenses

The entire budget for the Woodrow Wilson PTA was met by one big Arts, Crafts, and Garage Sale. This included the making of a blue and white Texas-Star pattern quilt, which was also the bicentennial project. The quilt was given as a door prize.

Besides fund-raising for yearbooks and other expenses involved in belonging to state and national organizations, the Woodrow Wilson PTA also will sponsor and pay for the Senior Brunch, to be held during Senior Week. The local chapter gave two or three annual \$250 scholarships to college-bound Seniors this past year. They also helped raise funds and donated \$161 to the Lisa Clements Eye Fund.

Meetings of the PTA were held every third Monday at school at 10 a.m. and sometimes at 7:30 p.m. "Membership is always open to all parents and faculty of Woodrow Wilson for \$2.25 per person," said Mrs. James Hardwick, president.

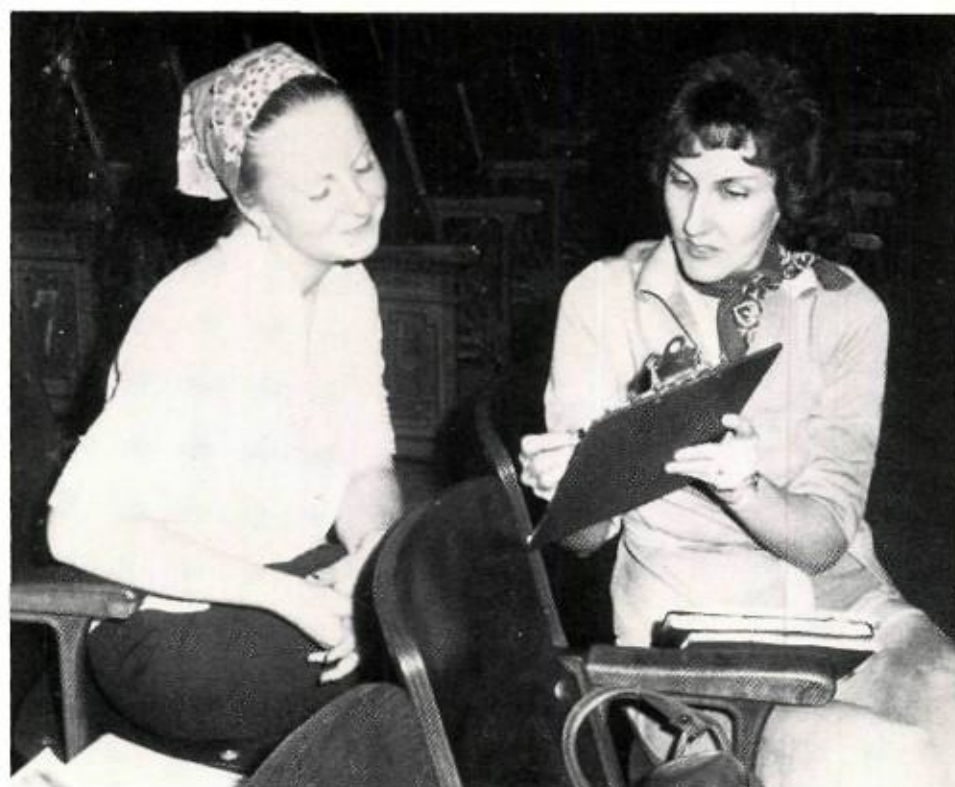

During the November visit the PTA City Council observed several senior classes.

Choir Bends Energies Toward Producing Two Outstanding Musicals

Enthusiastic to get under way, the Concert Choir, under the direction of Mrs. Marca Bircher, began the year by selling Christmas candles to support the school musical.

The holiday season was highlighted by the choir's performing "A Christmas Happening" to both the school and the PTA. The day before the release of students for Christmas vacation, the choir caroled the halls, for the enjoyment of all.

On the return from the vacation, the choir began making preparations for Oliver!, which was presented on March 11 and 12. In recognition of America's Bicentennial celebration, the choir presented a patriotic program for the school in the late spring which concluded the year's activities.

Pan American Group Excited Over Many Projects, Proposed Trip

There was never a dull meeting in the Pan American Student Forum, more commonly known as the Spanish Club. Twenty of the thirty-five members were initiated at a formal dinner at Ruth Ann Burton's home in September.

The club's annual service project was a Christmas party for the young children at Elmer Scott Recreation Center in West Dallas. Christmas was also celebrated by the club at a Mexican style dinner at the home of Kathy Shoemaker, followed by caroling throughout the area.

Throughout the year, members participated in fund-raising activities, such as bake sales, newspaper drives, and inventory work at a Dallas department store. By working they tried to qualify for attendance at the state convention in San Antonio, which was held February 26, 27, 1976.

Under the direction of Miss Betty Parrett, this year's Spanish Club surpassed all previous Woodrow PASF clubs in the amount of money obtained through fund-raising activities. This truly was a busy year for PASF.

CVAE Classes Organize Club to Aid in Preparing for World of Work

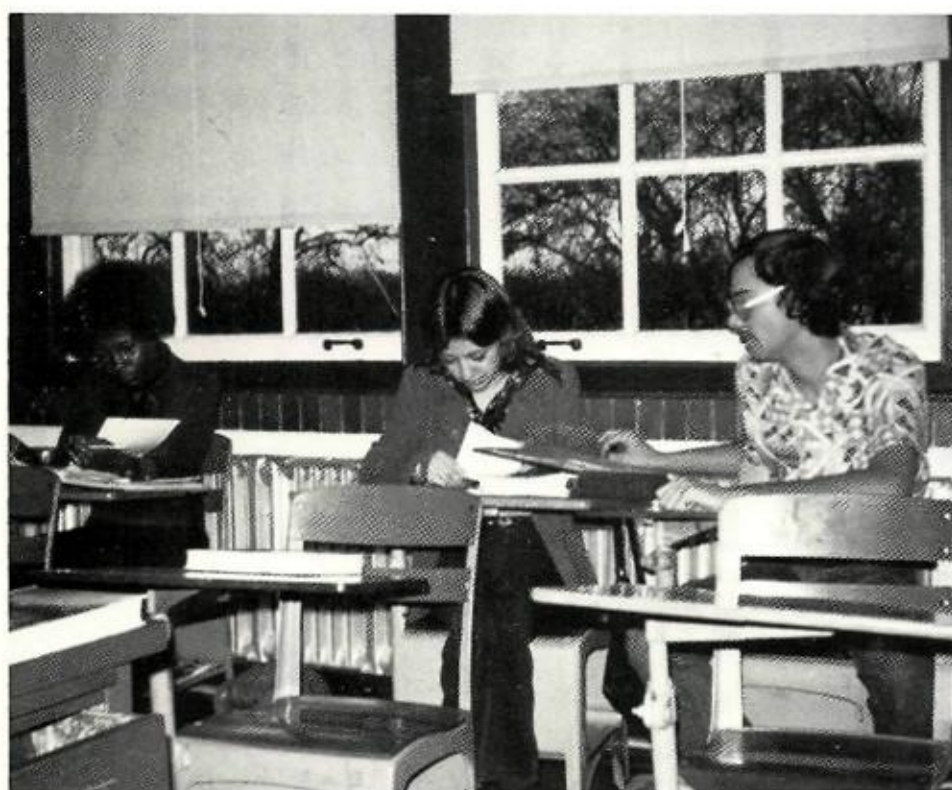

The VOCT Club, a local chapter of Vocational Opportunities Clubs of Texas, began its first year at Woodrow in 1975. The sponsor, Mr. Floyd Malone, said, "The club motto is 'preparing today for the world of work'." The club consists of 35 students, 32 of whom have been placed in training stations, with 20 different employers. The students attended school half the day, and had the opportunity to work the other half of the day. Meetings were held during the first and second period classes of C.V.A.E. The clubs activities consisted of outings, and a regional VOCT contest in March.

New Drafting Club, TIASA, Organized to "Learn to Live in a Technical World"

The Drafting Club, officially named the Texas Industrial Arts Student Association began its first year at Woodrow Wilson. The local club is a chapter of a state organization, whose motto is, "Learning to live in a technical world." The sponsor Mr. Bob Cargile said, "The organization's purpose is to familiarize members with a mod-

ern industrial world." The club was made up of sixteen members who held their meeting during the seventh period in the drafting classroom. Special activities for the group consisted of field trips to industrial plants, and selling pencils and erasers as a fund-raising project.

TAHOS Club Members Excel in Health Work in Dallas

The Texas Association of Health Occupation Students met every Wednesday with Mrs. Peggy Jones. The purpose of the club was to provide leadership and opportunity for intelligent career choices in health occupations. Many of these students obtained jobs in nearby clinics and hospitals. At club meetings they planned to have guest speakers from the American Lung Association speak on respiratory therapy, and also speakers from the Fire Department on safety. An open house was held in February for students and faculty.

Growing Cadet Corps Receives Recognition and Awards

Officers for this year's ROTC are Captain Magdalena Puente, Major Harry Bubeck, Lt. Colonel Tony Mihal, Captain Kenyon Hiser, and Captain Danny Best.

At the beginning of this year the J.R.O.T.C. at Woodrow Wilson had an enrollment of 154 students, which was the 13% of the total enrollment of the school.

The 1975-76 Corps achieved recognition in many areas and won many awards. The cadets took first place in the State Fair of Texas drill competition, winning after competing with 47 schools in the East Texas area. They also won J.R.O.T.C. recruiting award, and second place in the Trinity Rifle Range firing match. The latter includes schools from all of greater Dallas, including schools from Highland Park, Plano, and Duncanville.

The Color Guard presented the colors at many school and social functions in the city, including school football games, PTA meetings and pep assemblies, and recently at the annual PTA life membership luncheon, held at the Apparel Mart.

Staffers Receive Academic Credit; Yearbook Page-Size Enlarged

The choosing of the staff for the 1976 Crusader was completed in the fall of 1974, and shortly afterward faculty advisor Mr. Paul Allen began having early-morning and after-school classes in the basics of yearbook production.

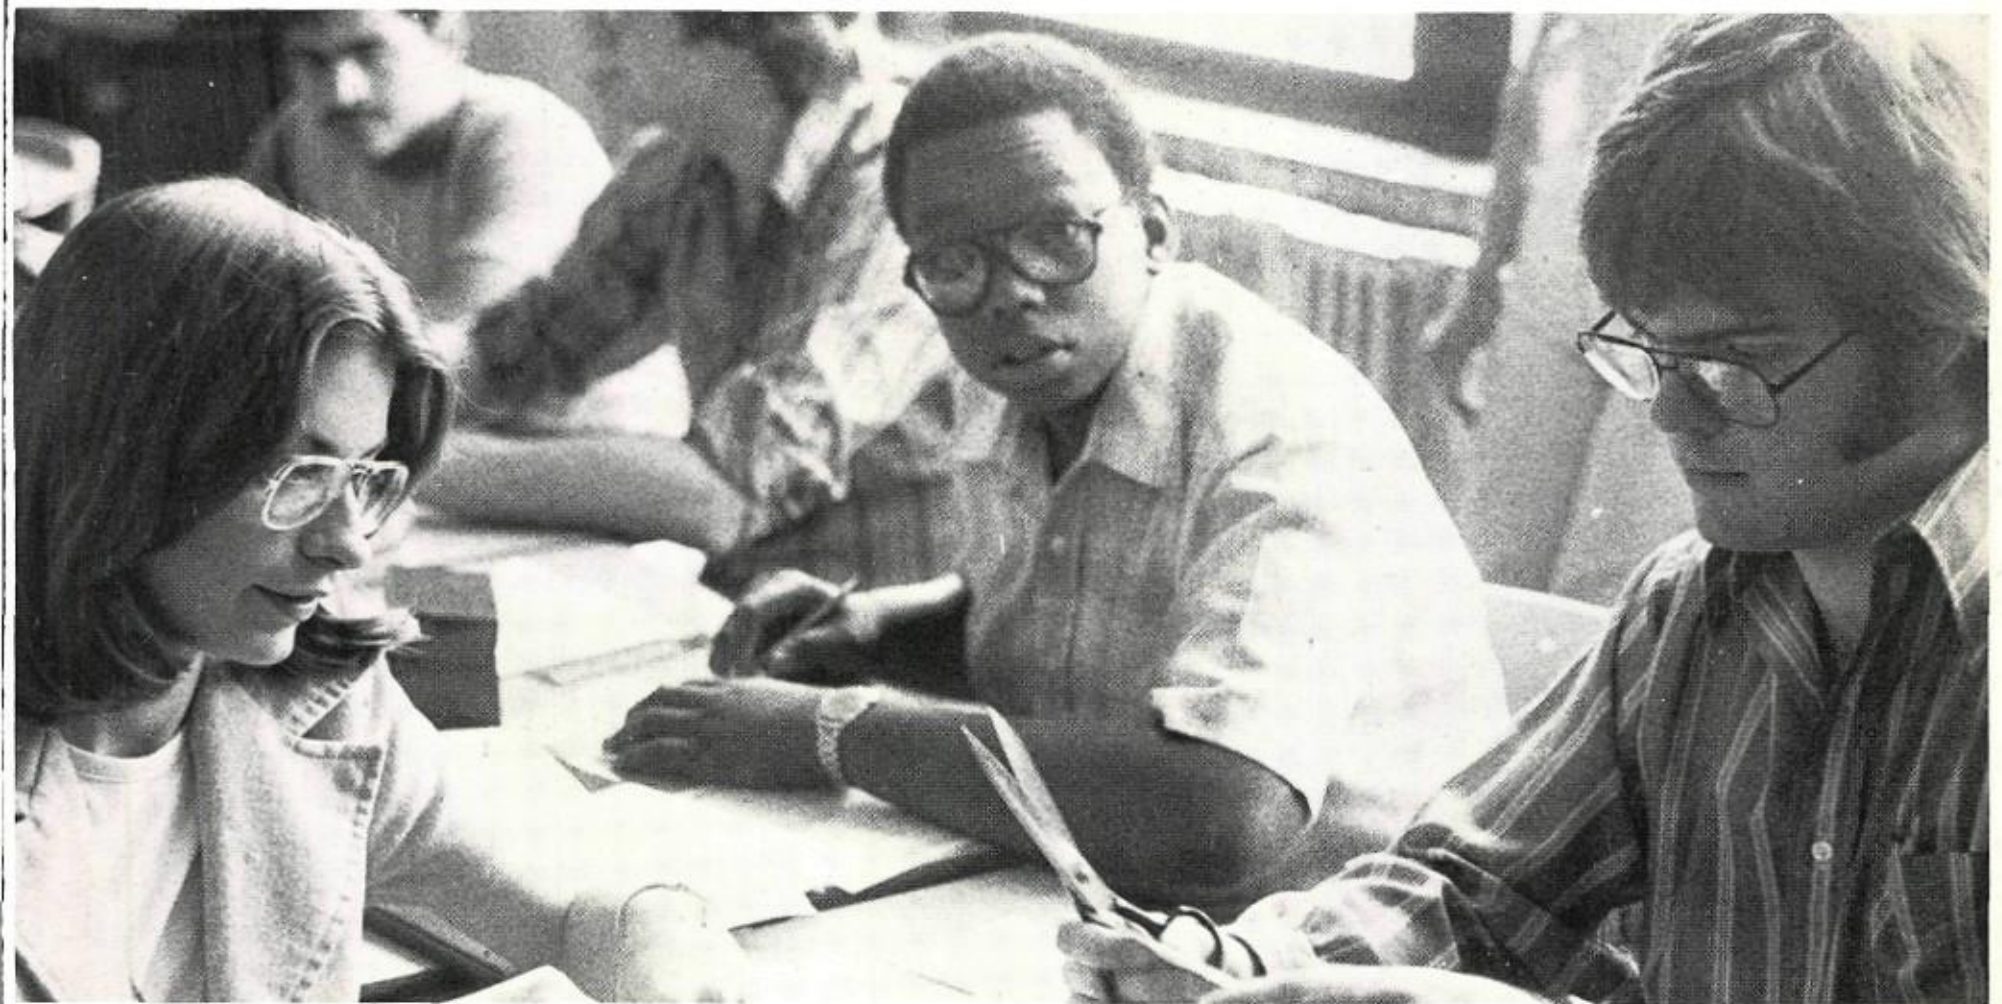

One of the subjects stressed was the choosing of a yearbook theme and the 1976 Crusader staff began the search for new ideas for the yearbook's unifying motif. Also, they studied other yearbooks to get ideas for the upcoming edition. In May, Mr. Allen named Ruth Ann Burton and Steve Edwards co-editors-in-chief, and section editors were chosen.

The SMU summer workshops proved to be beneficial to those students who could participate in it. Four staff members attended and brought back a wealth of ideas to be used for their yearbook.

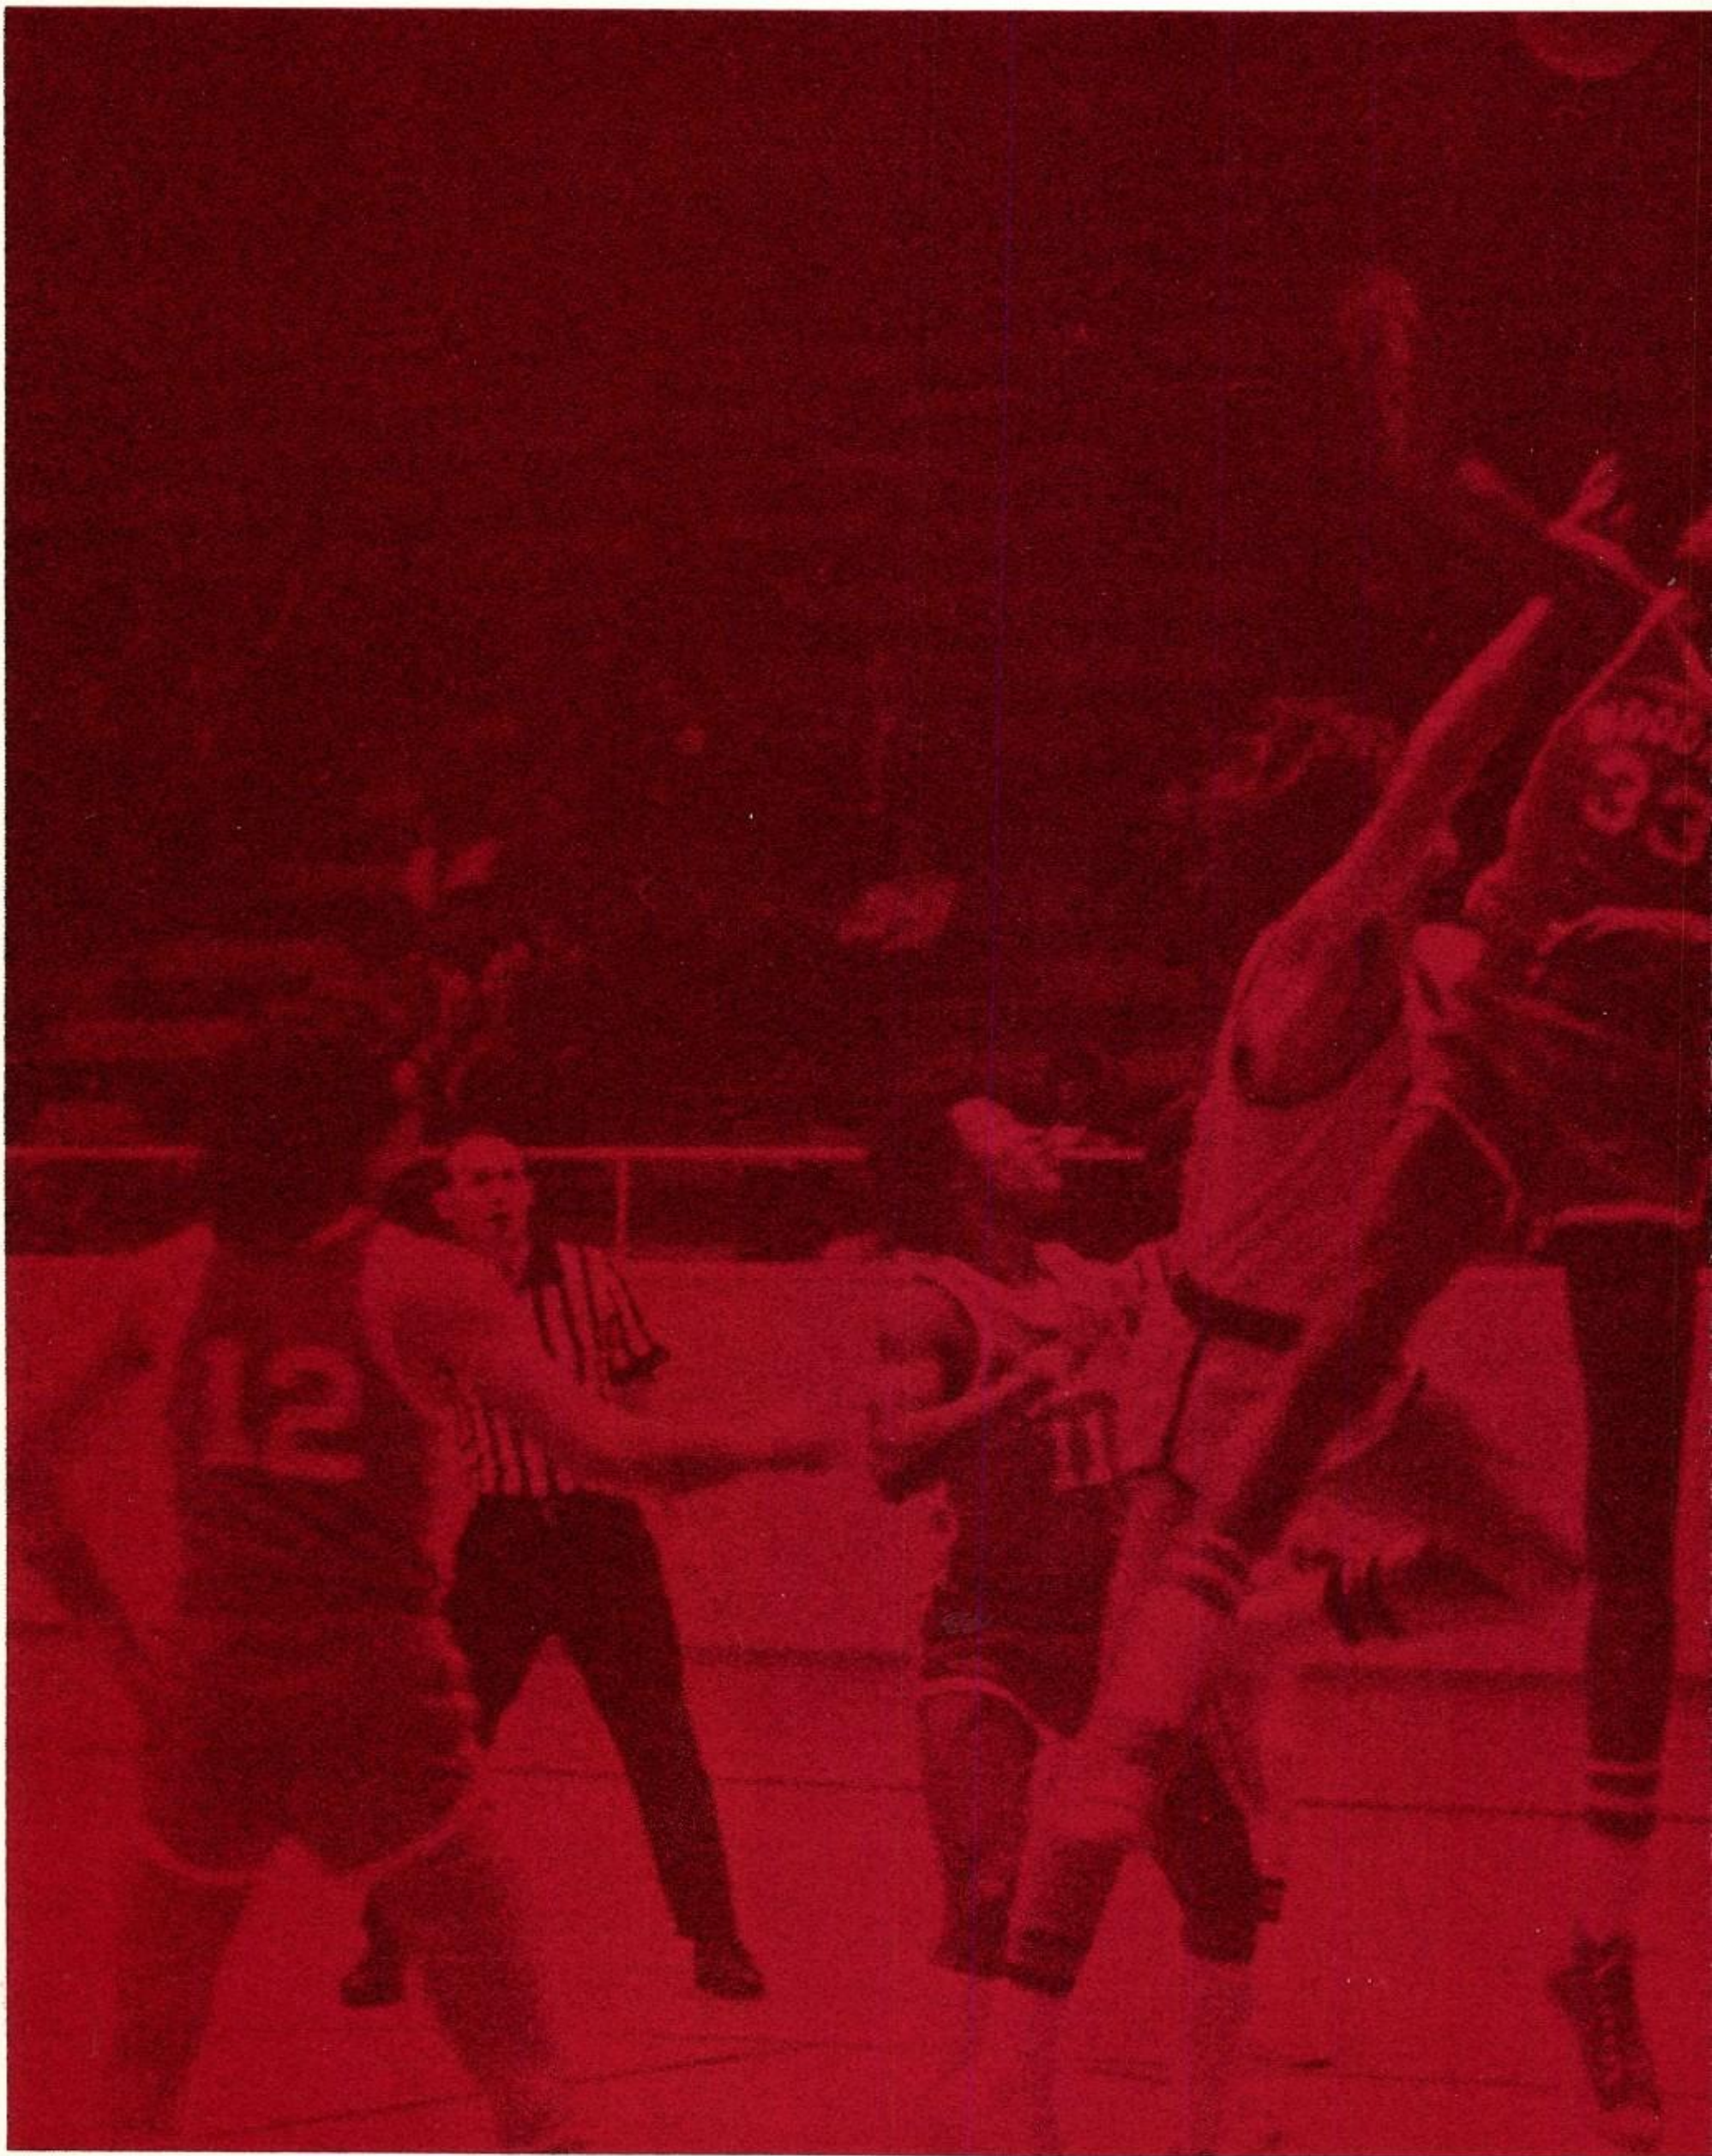

For the first time ever, the staff received graduation credit for the yearbook class, called "Annual Journalism 11," but some members came after school for non-credit. One of the more exciting improvements this year was the enlarging of the page size to $8\frac{1}{2} \times 11$ inches, as compared to the $7\frac{3}{4} \times 10\frac{1}{2}$ inches of previous years.

The 1976 Crusader Staff co-editors were Steve Edwards and Ruth Ann Burton. Sponsor, for the 29th year, was Paul Allen.

Pearce Squeaks by Wildcats; WW Loses to South Garland

Friday, September 5, saw Woodrow Wilson in the first pre-season game against the J. J. Pearce Mustangs of Richardson, at Franklin Field. The Wildcats lost a close one, 12-8. Woodrow opened the scoring in the first period with a safety by Jackie Brittingham. Late in the fourth period with the Cats scoring on a swing pass from Bruce Phillips to David Allen, but it was not enough to save the Wildcats from defeat.

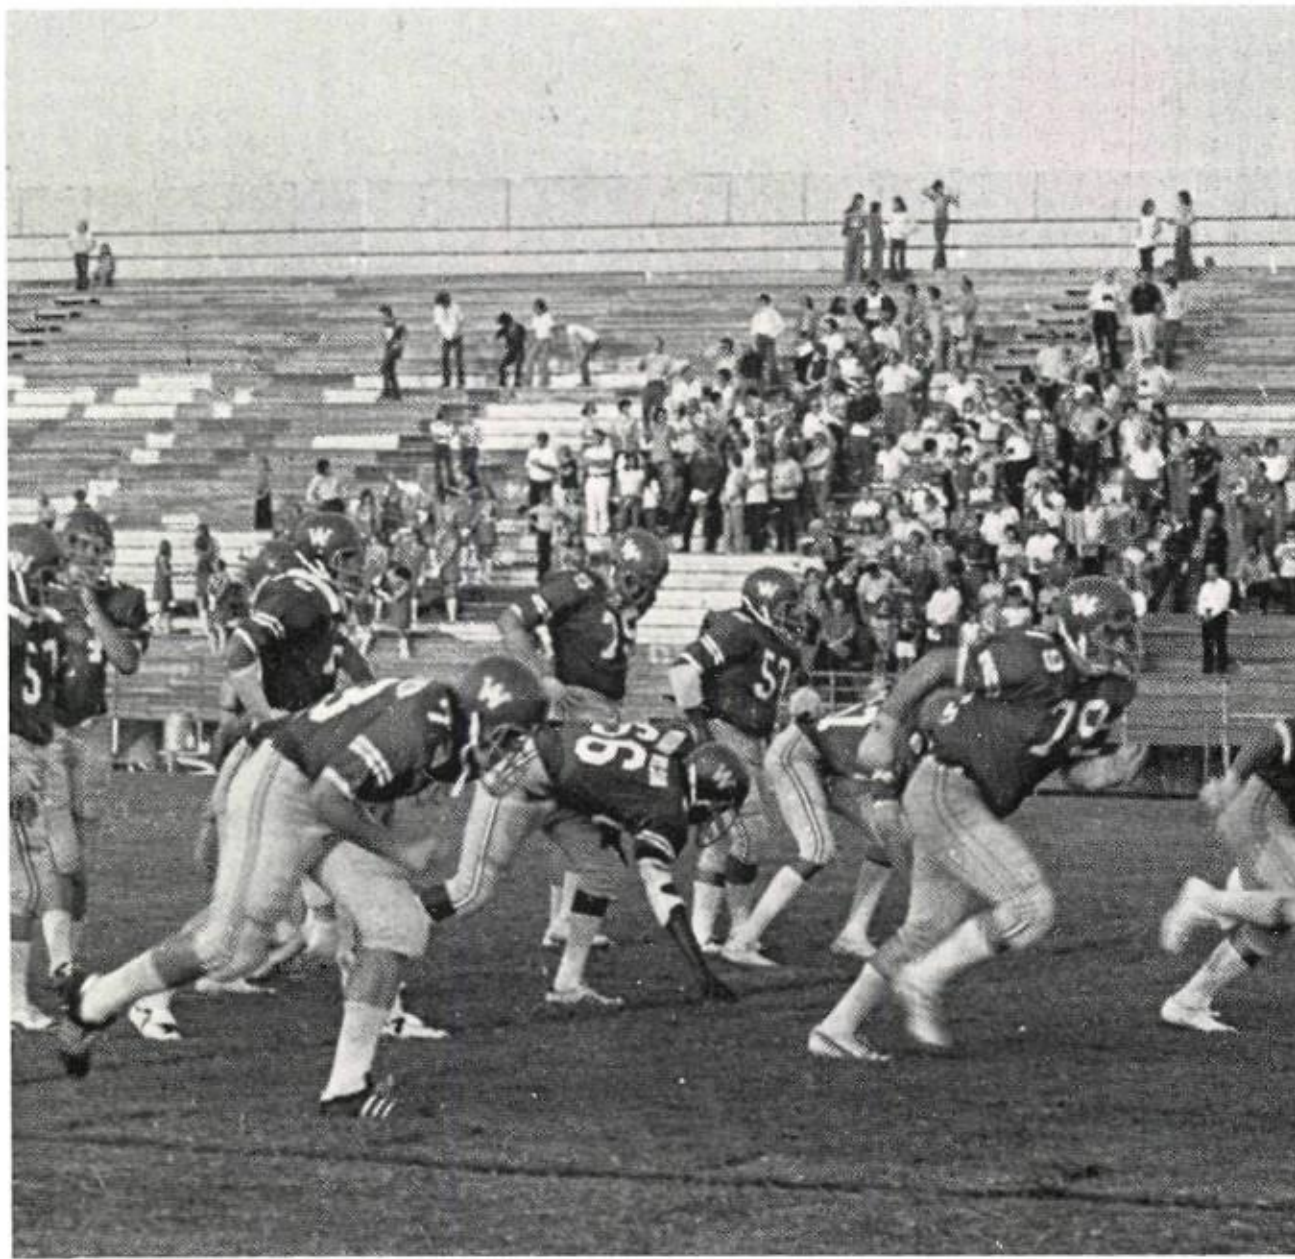

The following Friday the South Garland Colonels dissolved the Wildcats' dream of a victory at Memorial Stadium in Garland. The Wildcats started out to a 6-0 early lead in the first quarter with a five yard run by Bobby Hicks. The lead climbed to 12-0 when Kenneth Davis burst over from two yards out. The Wildcats held onto the lead until the second quarter, when the Colonels intercepted a Wildcat pass, bringing the score to 12-12 at the half. The Colonels went on to win, 26-12.

Cause for a special dance is any touchdown, and Bruce Phillips (with football) leads Joel Akin, Greg Turner, and Danny Harris in celebrating his TD in the South Garland game.

Cats Lose Defensive Battle to Skyline; Jefferson Takes Game Four

Offensive guard Kevin Huff watches intently as the Wildcats' defense does its thing.

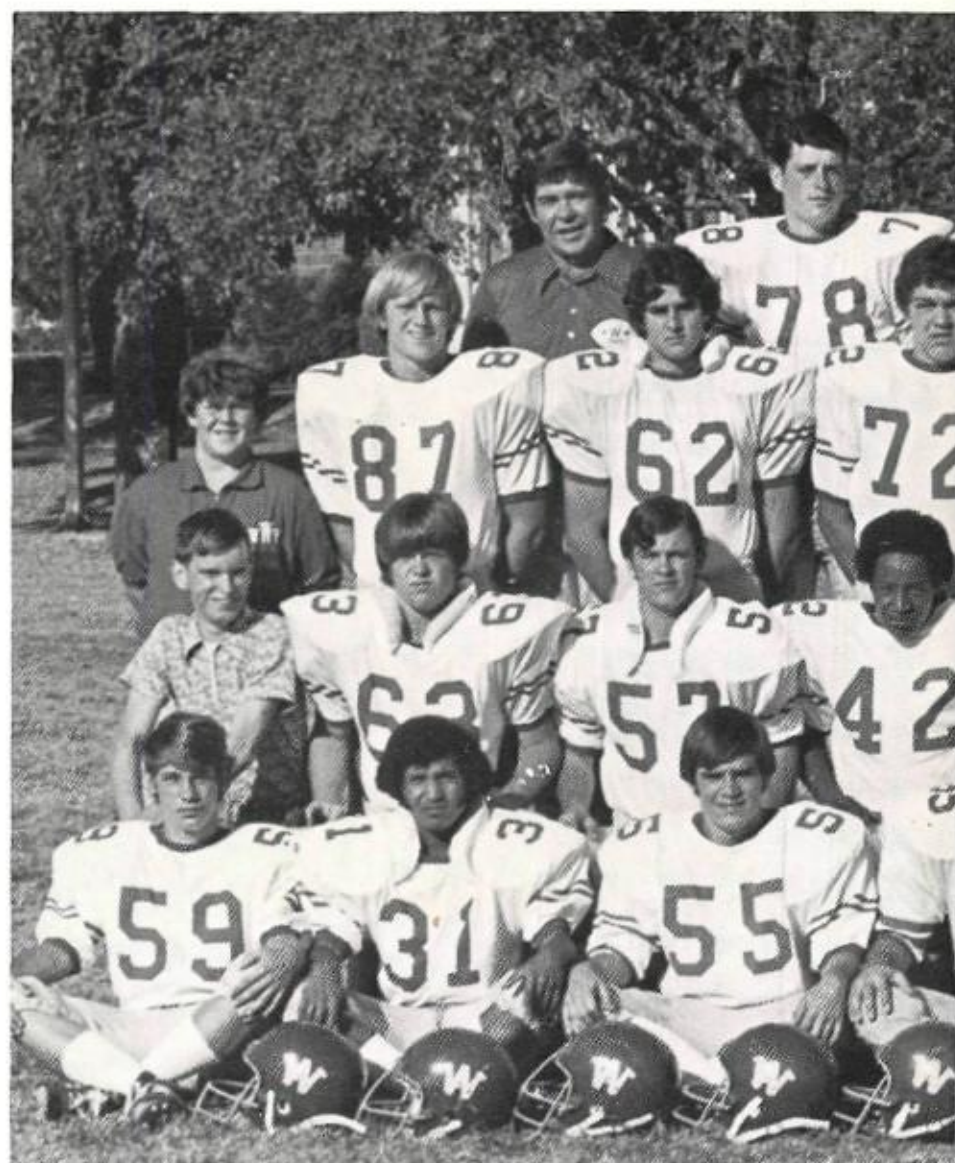

David Allen moves around right end well ahead of the nearest T.J. tackler.

The Wildcats lost a tough defensive battle to Skyline, Friday Sept. 19, at Pleasant Grove Stadium. Woodrow allowed Skyline to score only once, midway through the first quarter. Defense was the ruling factor for the rest of the game for both teams. Defensive standouts in the game were Bruce Wheeless and Kenny Huff. Fumbles, penalties, and drizzling rain terminated any offensive drives for the Wildcats during the game. The final score was Skyline 7, Woodrow Wilson 0.

Friday, September 26, the Woodrow Wilson Wildcats played the Thomas Jefferson Patriots at Franklin Field, and, it was clear to all that severe breaks contributed to the Wildcats' defeat. Woodrow's scoring drives were stopped near the goal line. One of the highlights of the game was a 28 yard scramble for a touchdown by quarterback Ken Huff, which made the score seven to six at the half, in T.J.'s favor. Wildcats' six-back David Allen had kickoff returns of 63, 21, and 80 yards. The final score was Thomas Jefferson 33, Woodrow 12.

Wildcats Gain Honors on Mythical Teams of Dallas Newspapers

Quickly pointing out that it wasn't his fault, Kenneth Davis and Coach Gary Collett discuss the immediate problem.

"This group of young men has overcome more obstacles than any group of young men I've had in a long time," said head coach Ken Kimbrell after the completion of the 1975 football season. Some of the barriers the team had to overcome included a car accident injuring six varsity starters, and other injuries throughout the season. The Wildcats finished the season with a 3-7 record.

Members of the team receiving recognition from the two Dallas Daily Newspapers were: First Team, David Allen, halfback and split end; Second Team Kenny Huff, linebacker; Jackie Brittingham, linebacker; Bruce Wheelless, defensive end, and O. B. Mathis, nose guard. Captains for the football team this year were seniors Danny Harris and O. B. Mathis. The sole member of the team receiving honorable mention on the All-Metro team was David Allen, as a split end.

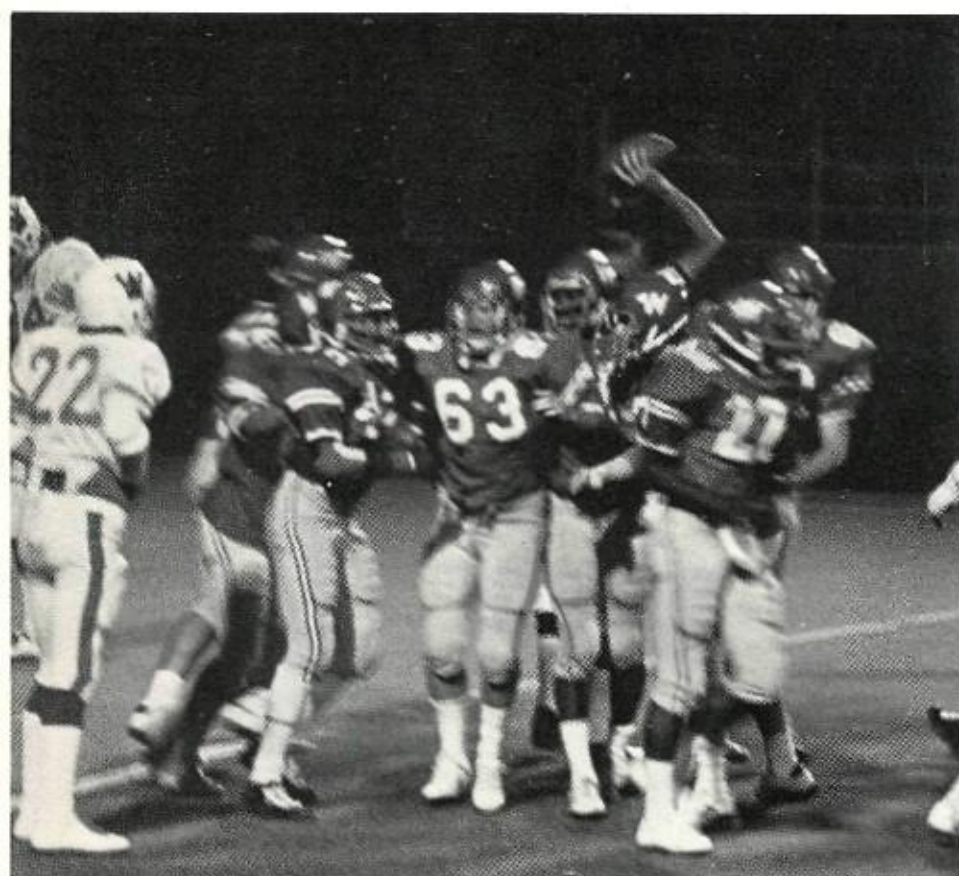

White Crushes Wildcat Hopes; Cats Lose Hillcrest Heartbreaker

The Wildcats lost all hope for a winning season, when they lost to the W. T. White Longhorns at Forester Field on Thursday, October 2. In the third quarter, junior Bruce Wheelless scored with a 35-yard run, resulting from an intercepted Longhorn lateral. In the fourth quarter the Wildcats mounted an offensive drive, completing four of seven passes for 65 yards. The Cats finally scored on a seven yard pass from Phillips to David Allen. The two point conversion was scored on a repeat of the touchdown play. Final score was 24-14 in the Longhorns' favor.

On Friday, October 10, the Woodrow Wildcats played a tough, exciting game against the Hillcrest Panthers and the game truly belonged to Woodrow, as they scored twice on drives of 90 and 59 yards. David Allen rushed 40 yards in one series for the first score in the first quarter. With only 14 seconds left in the first half quarterback Phillips hit Danny Harris from the two for six points. After both touchdowns the extra point try failed. Offensive leaders for Wilson were Bobby Hicks, rushing 83 yards on 22 carries and David Allen, who ground out or bulldozed 15 yards in three carries and caught five passes for 76 yards. Final score was Woodrow 12, Hillcrest 13.

Manager Tom Heckman looks pessimistic as to the results of his ice treatment for quarterback Kenny Huff's injured hand.

Displaying the ball to the spectators, David Allen leaves no doubt that he had possession when he crossed the goal line, in the game with W. T. White.

On his way for a long-yardage gain, Wildcat Bobby Hicks out distances the Hillcrest defensive player.

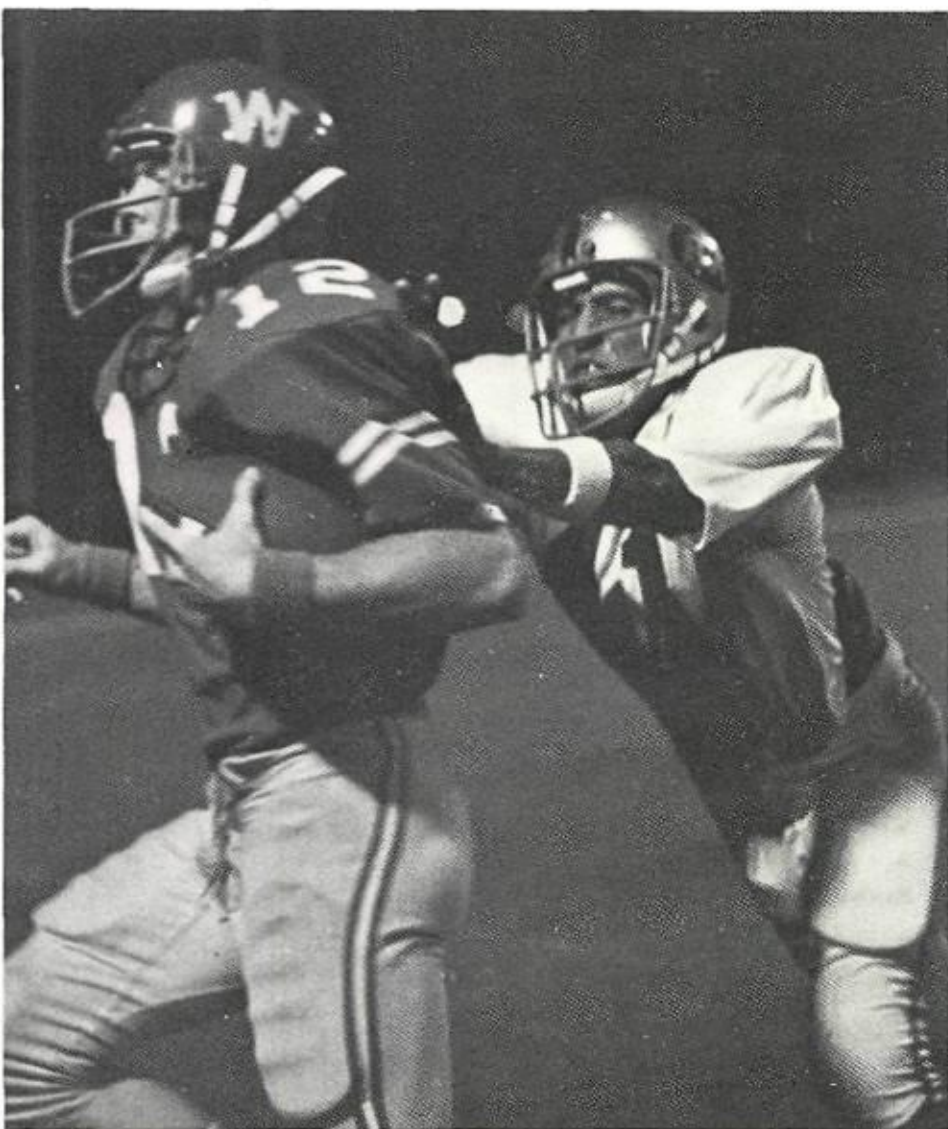

In October Wildcats Taste Sweet Victory: Defeat Bryan Adams, Spruce Consecutively

Danny Harris (88) and Bruce Phillips (12) are wild with joy with this TD that clinches the first Homecoming Game win in six years.

If you miss his legs, grab his jersey says the BA tackle to himself as he tries to stop Wildcat fullback Bruce Wheelless.

Did he get him? The record shows he did not. Quarterback Bruce Phillips went on to pay dirt to make the score 14-0 for the Wildcats' first win.

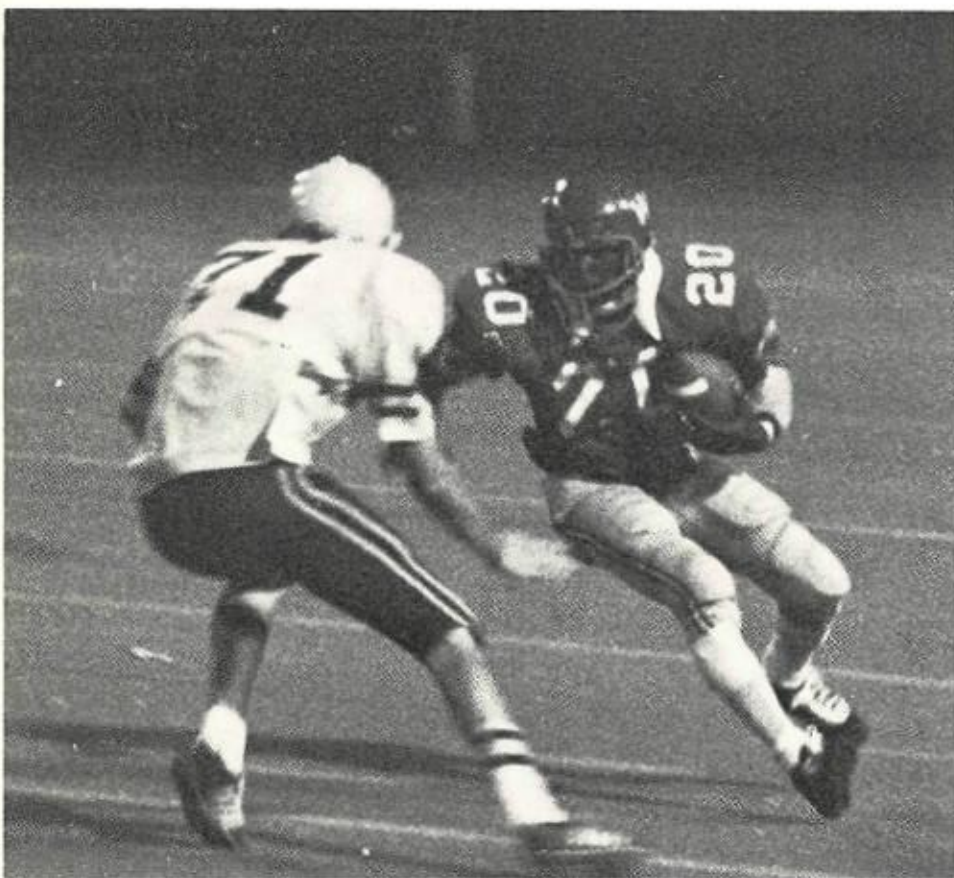

Woodrow Wilson tasted its first victory of the season Thursday night, October 16, at Forester Field, and it will never be sweeter. Through the first half the Wildcats fought a tough defensive battle with the Bryan Adams Cougars. Midway in the second quarter, B.A. punted to Kenneth Davis, who returned 23 yards to the Cougar 28 yard line. The Cats moved to the 5, and Bruce Wheelless scored, only to have it called back because of a motion penalty. On the next play quarterback Bruce Phillips bootlegged around the left end to score, but this TD was also nullified by a penalty. In the third and fourth periods, Phillips scored on quarterback-sneak from one yard out. Bryan Adams had 62 yards offensively to Woodrow's 193. The final score was Woodrow 14, Bryan Adams 0.

On Oct. 24 at Forester Field, the Woodrow Wilson Wildcats pounded the Spruce Apaches with a score of 21-0. Wildcat fullback Bruce Wheelless accounted for two of the Wildcats' three touchdowns on runs of four and five yards. He also ran for 152 yards on 32 carries. The Wildcats scored their final touchdown after blocking a punt on the Apaches' 30 yard line. On fourth down and seven yards to go, quarterback Bruce Phillips found halfback David Allen open for what proved to be a 27 yard touchdown pass. Scott Alford kicked all three extra points. The Wildcats' defense held Spruce to only 21 yards rushing and one first down in the first half. Outstanding offensive linemen were Joel Akin, Scott Alford, Kevin Huff, O. B. Mathis, and Danny Harris.

Cats Drop Two Final Close Games: Samuell, 15-12; Spruce, 15-8

On Thursday, Oct. 30, the Woodrow Wilson Wildcats played the Samuell Spartans. The Wildcats took the kickoff and drove 52 yards in ten plays. Finding themselves in a fourth and 14 situation on the 19-yard line, Bruce Phillips connected to David Allen over the middle for a 19-yard T.D. pass. The Spartans led until the last play of the first half when Bruce Phillips again hit Allen, who ran 71 yards for the T.D. The extra-point try failed. Final score Samuell 15, Woodrow 12.

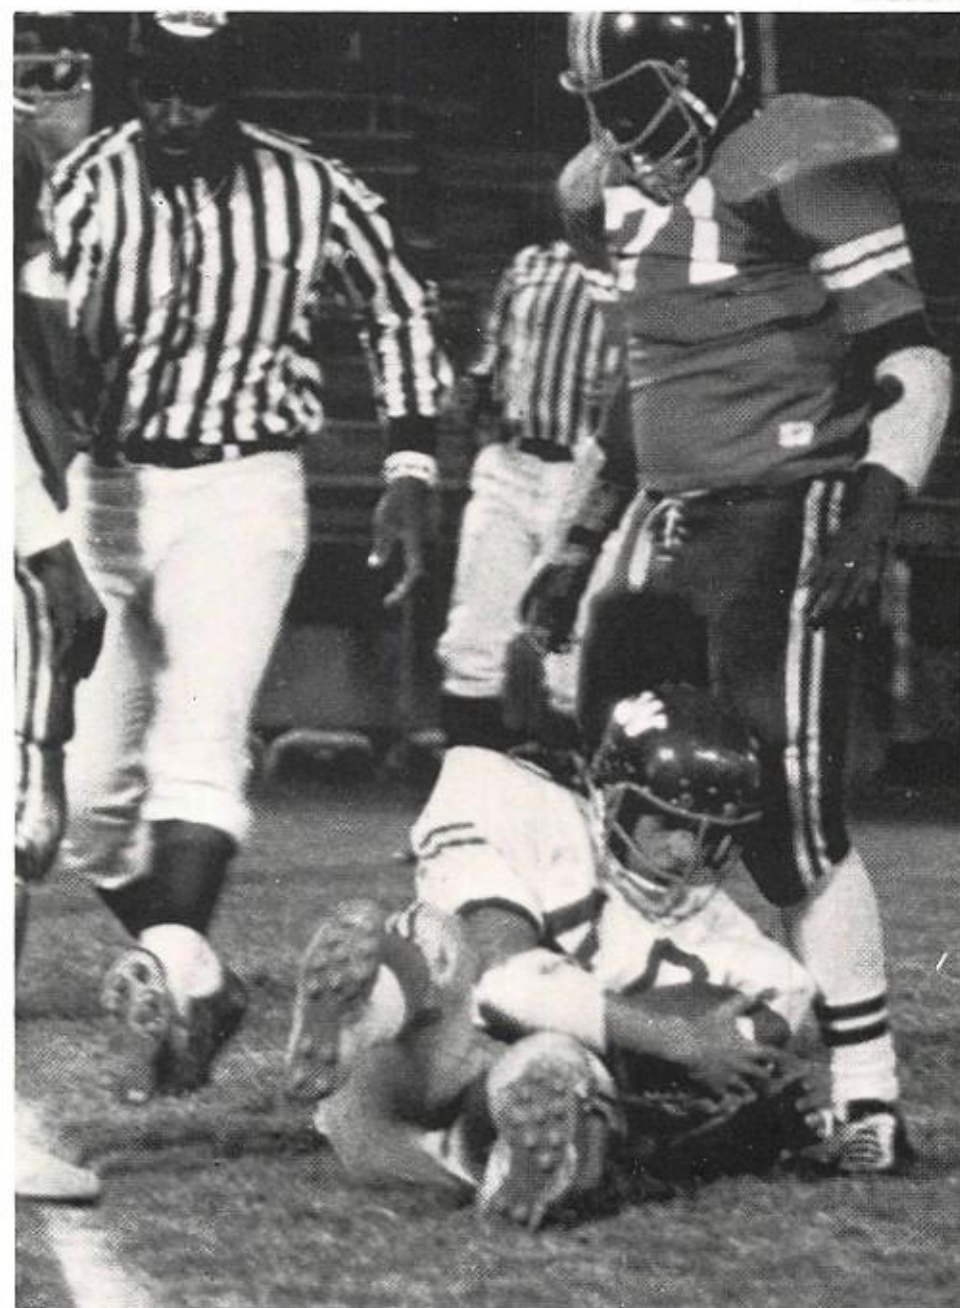

For the final game of the season the Wildcats met the Lincoln Tigers at Pleasant Grove Stadium on Friday, November 14. The Tigers scored early in the second quarter, but Woodrow came back later in the same period to score on a 20-yard TD pass from Phillips to tight-end Danny Harris. Phillips passed to Harris again for the two-point conversion, making the score 8-6 in the Wildcats' favor. Both teams' defenses held until late in the 4th quarter, when Lincoln, with 33 seconds left, scored from the three-yard line. The final score was Lincoln 13, Woodrow 8. The Wildcats closed the season with 3 wins and 7 losses.

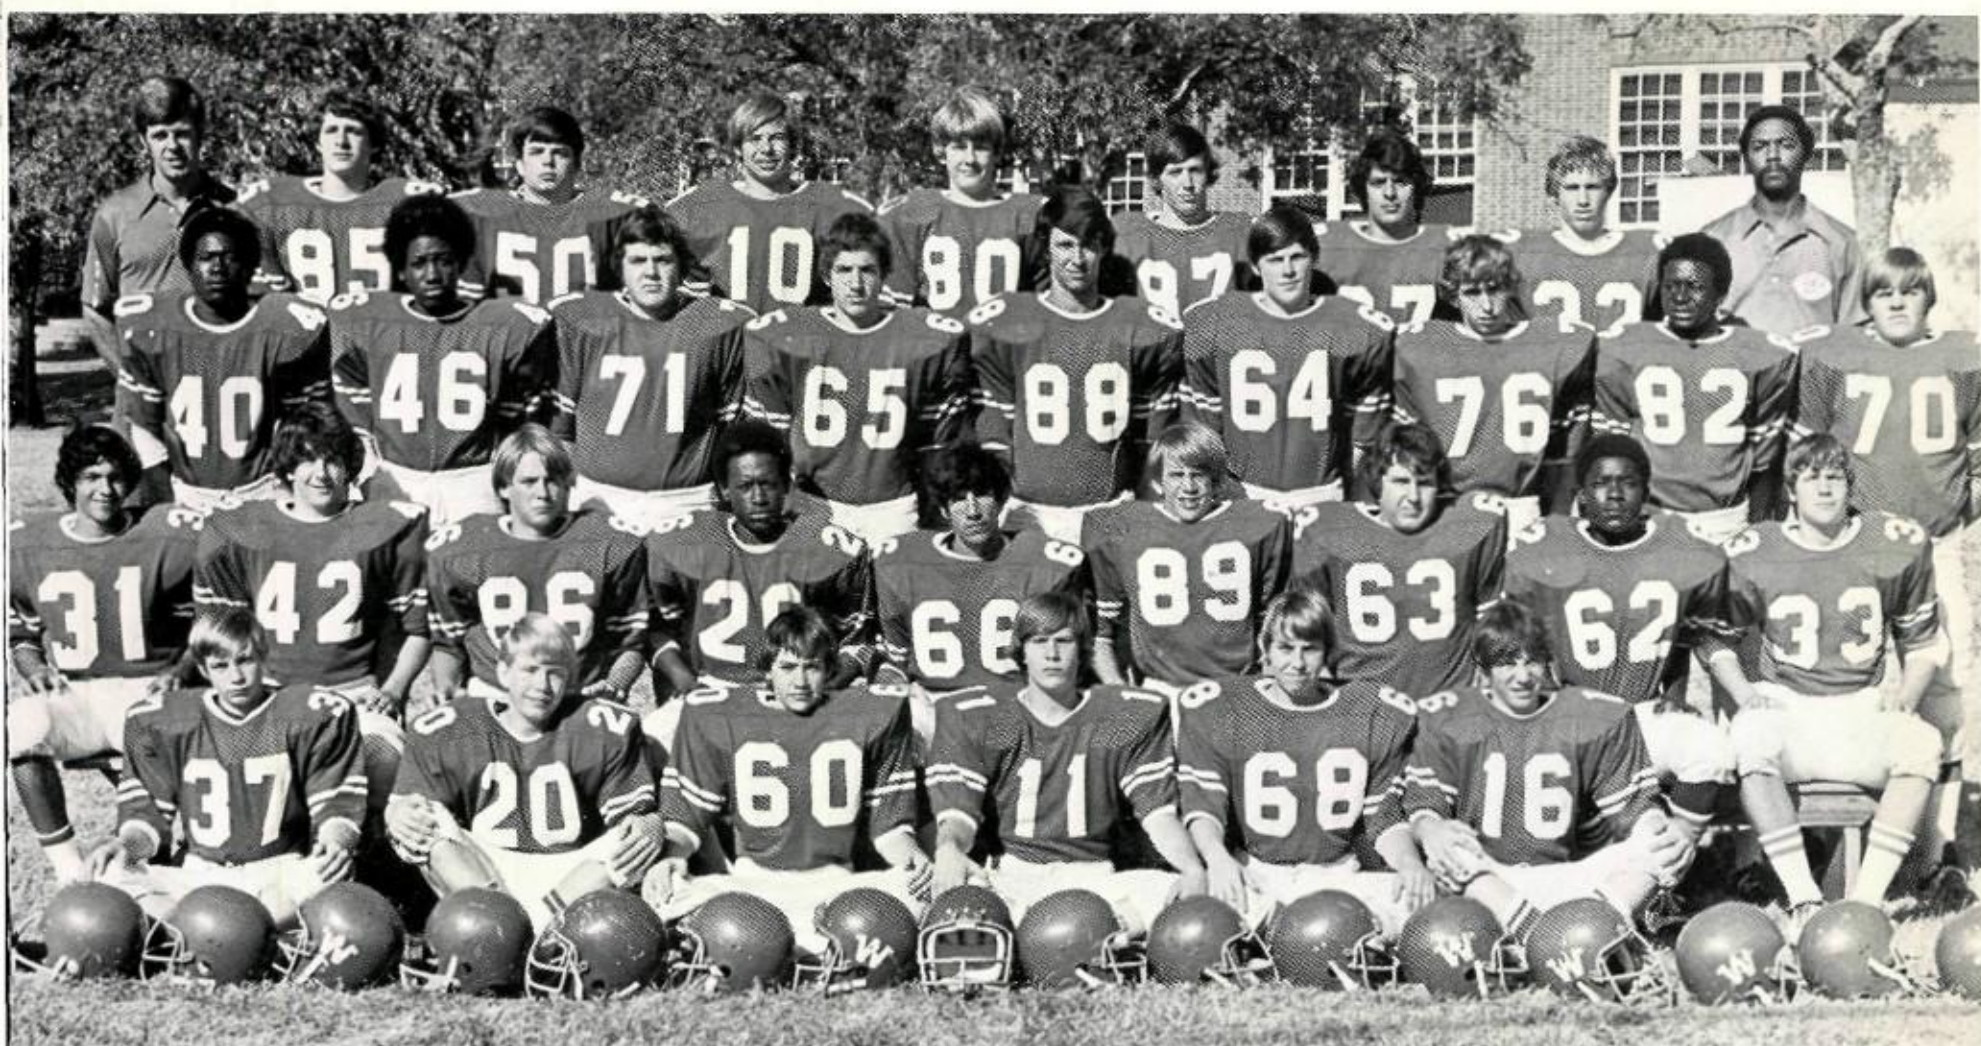

It's a one-on-one situation for running back Kenneth Davis in this left-end sweep against Samuell.

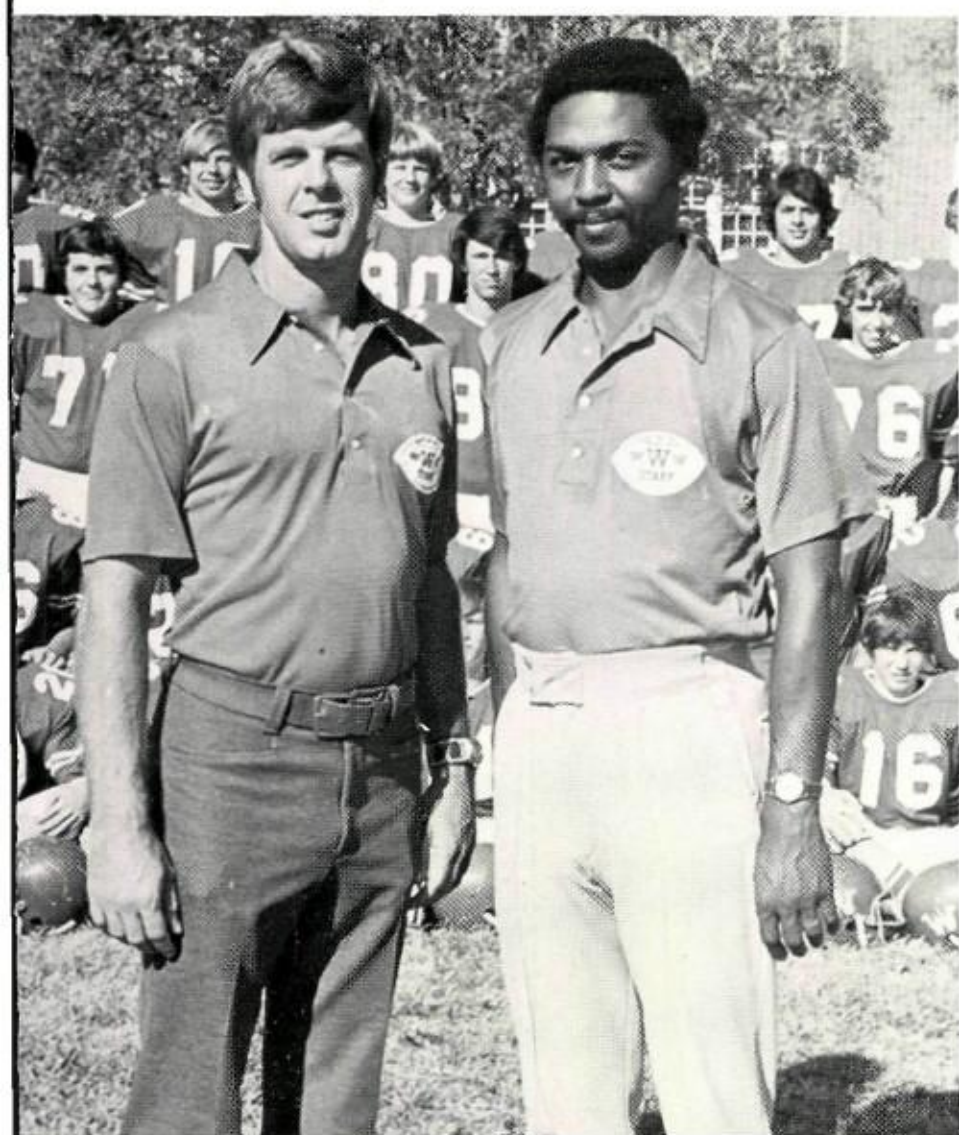

Running back Bobby Hicks sees plenty of "day light" to the right, if he can avoid the defensive Lincoln player.

Bruce Wheelless, fullback, makes a few yards before taking a fall in the game against the Lincoln Tigers.

Win-Loss Record Disappointing for B-Team, Packed With Talent

The Woodrow Wilson Wildkitten football team posted a disappointing 3-4-2 record. In spite of their won-loss record, they demonstrated an abundance of talent. Some players cited for their offensive playing were linemen David Fugitt, Jack Hood, George Taylor and backs Joel Bozarth, Vincent Lopez, Alan Luecke, and Kenneth Townsend.

Defensive standouts were Everett Copeland, Greg Irvin, Vincent Lopez, and Charles Secker. Players of the year were Joel Bozarth and Kenneth Townsend for offense and Greg Irvin for defense. The coaches chose Kevin Gallagher as the most valuable player both ways.

Fans of the "B" team were always happy when their games were played on the Woodrow campus, as here.

Best Cage Team Since 1958 Emerges With 10-1 Zone Record

Alton Lister gets a high pass as he eludes a mass of hands.

Coach Steve Scott's basketball players completed the best district record since 1958 with a 21-8 season.

Early in the season, Woodrow started rather slowly, but gained experience and momentum as they played.

Woodrow won the North Zone title with an almost undefeated record of 10-1. As the *Crusader* goes to press, the schedule calls for a district match game against Samuell for the 11-AAAA district championship. Coach Steve Scott looks forward to playing against South Oak Cliff H.S. for the City Championship. Winning the city title would advance the Wildcats to the State meet in Austin in March.

Six-foot ten inch captain Alton Lister was the Wildcat's leading rebounder, who averaged 22 points per game. Captain David Allen showed great skill piling up 13 points per game. Other outstanding players were Raymond Abercumbia, who averaged 12 points per game and Michael Byers, with a 10 point average.

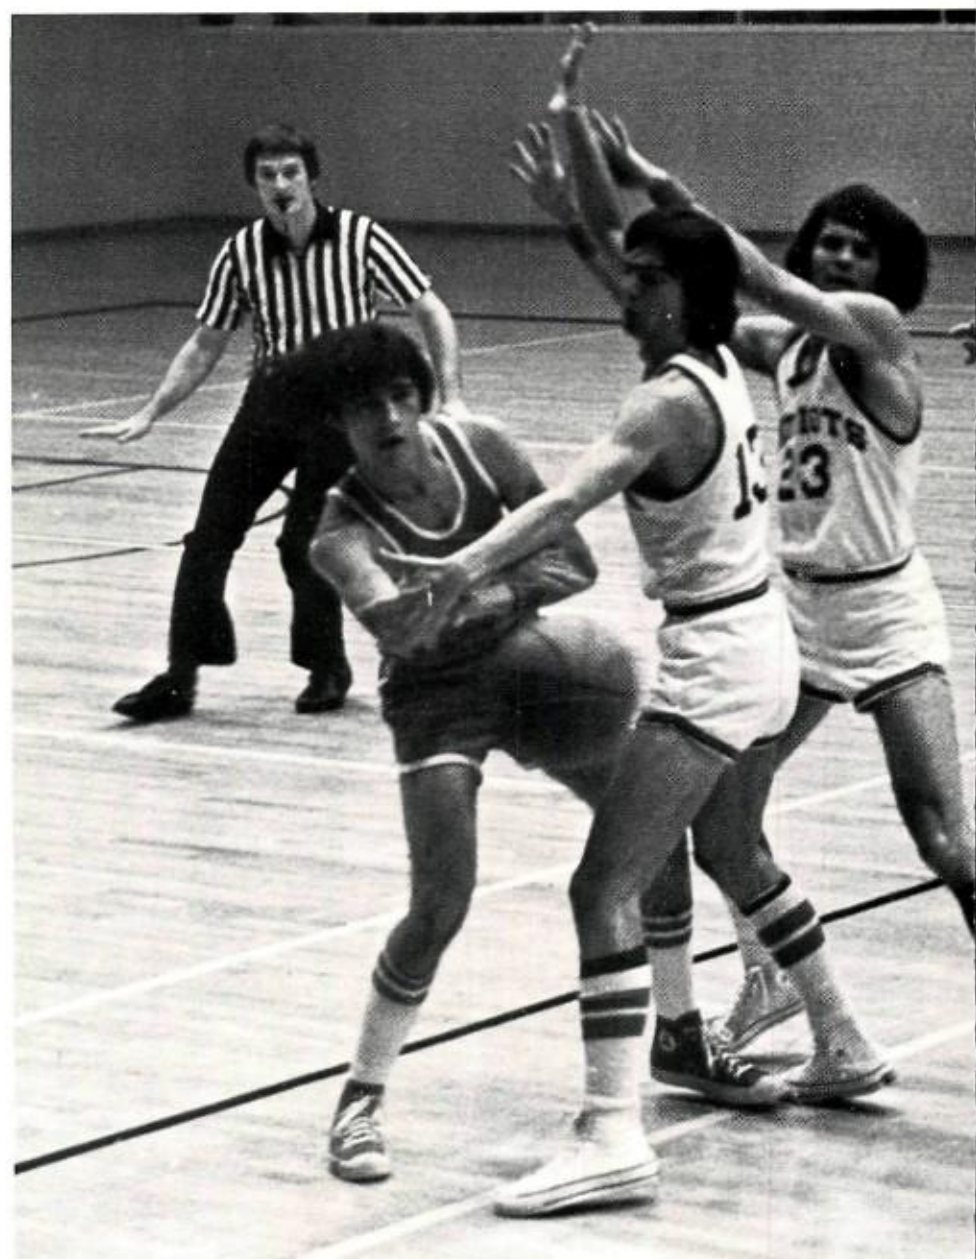

Cagers' Teamwork Yields Payoff in Season Record

Surrounded by white jerseys, Raymond Abercumbia, 23, came out of this one with a pass to Alton Lister, 33.

Second Team Cagers Suffer From Junior High Transfers to Skyline

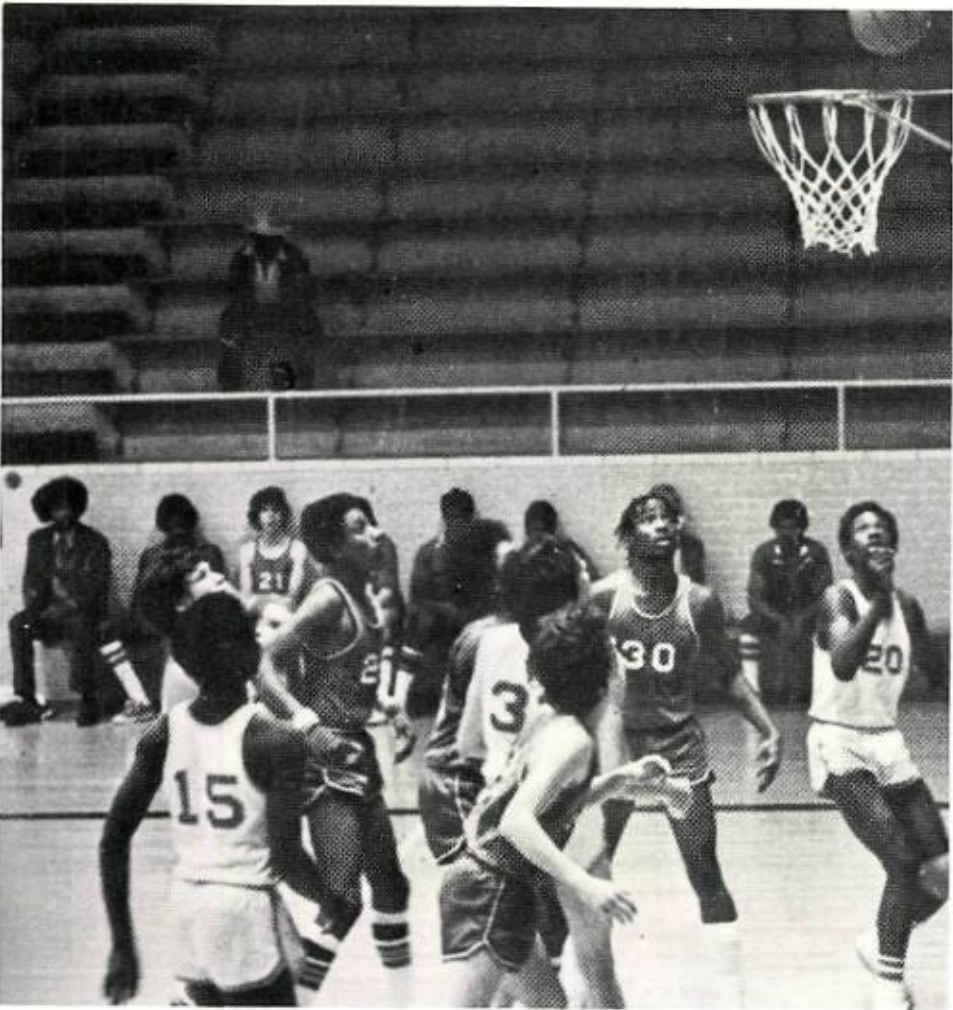

B-TEAM BASKETBALL: FRONT ROW: Coaches Alton Hill and Steve Scott. BACK ROW: Kenneth Green, Kenneth Castleberry, James Parker, Kenneth Nichols, James

Cunningham, Kevin Gallagher, James Hardwick, Shawn Bell, Steve Haynes, Kenneth Townsend, Julius Sessions.

The Woodrow Wilson B-Team finished with a disappointing season record of 4 wins and 16 losses. One of the problems of the season was that most of the hoped-for starters from Long Junior High attended Skyline High School instead of Woodrow. Also hindering the team was the fact that only four members had played together before this season. Coach Alton Hill named sophomores Kevin Gallagher and Kenneth Townsend as outstanding players for the year. Promising newcomers were James Hardwick and Shawn Bell.

James Hardwick (32) and Kevin Gallagher (42) return down-court after the Wildkittens make two points against Thomas Jefferson.

Girl Cagers' Wins, Losses Almost Even

The Woodrow Wilson Girls' basketball team, led by Captain Susan Ramirez, finished with a 5-6 season. Susan was the lead scorer, with a 33 points per game average, and in two games she scored 50 points. Coach Gay Addington told the *Crusader* that among the other girls on the team, Sheila Turner was chosen the team's outstanding guard.

It is hoped that Barbara Williams gets the ball to a teammate before Hillcrest No. 3 intercepts.

Boosting prospects for a Wildcat victory, Susan Ramirez shoots another basket.

Wildcat Tennis Teams Win Early Match Against Skyline

The Woodrow Wilson Tennis Team started the season swinging against Hillcrest, Bryan Adams, and Skyline. As the Cru-sader final deadline approached, Woodrow played Skyline and won in girls' and boys' singles, and boys' and girls' doubles. Generally, Woodrow was represented in the matches by: Kelly Smith, boys' singles, Jenny Fugate, girls' singles, Mark Moore and Grant Wall, boys' doubles. In the girls' doubles, Susan Laurea, Cindy Rodriguez and Annette Lopes rotated as players.

Even though the tennis team had a slow start, they hope to finish at the top slot in the city championship, according to Coach Dave McCarty.

After Difficult Start, Track and Field Gets Going

The Wildcat track team started the season with an incomplete squad. Several members of the track team participated in several other athletic events at school as basketball, baseball, football, and swimming. This made it difficult for the *Crusader* photographers to get a group picture of the complete track and field squad.

Coach Lucious Newhouse is expecting a team of at least thirty runners. The cindermen participated in several meets, in events such as the 100-yard dash, 440-yard relay, 120-yard high hurdles, 440-yard dash, 330-yard hurdles, 220-yard dash, 880-yard run, one mile run, and one mile relay.

Some distinguished runners were Joe Owens, Donald Cox, Bobby Hicks, O. B. Mathis, Tolie Miley, and Robin Weatherly.

Repeaters From 1975 Bolster Track Squad

In 1975, Joel Akin, a pole vaulter, established the sophomore district record, rating third in regular competition in the district. Joe Owens, a junior, was a valuable man on the '75 440 relay team, which placed high in the district meet; and he is expected to repeat this year. He placed first in district in the 220-yard dash and also ran impressively in the mile relay. At the present time, he is the best man on the track, said Coach Lucious Newhouse. Joe has an unofficial 9.8 time in the 100-yard dash and 22.8 in the 220.

"O. B. Mathis, track captain, is capable of running any race on the track," the coach declared.

Seniors on the squad are Bobby Hicks, O. B. Mathis, Donald Cox, Juan Garcia, and Joel Akin. Coach Newhouse said he is expecting superior effort from these seniors, especially.

In the 440-Relay, Tollie Miley passes the baton to Bobby Hicks. Both demonstrate a very acceptable form as spectators watch.

On his first 100 yards of the 440-dash, O. B. Mathis is well ahead of his opponents.

Unusually Cold Winter Drives Girl Runners Inside for Practice

This winter, the girls' track team could be found running in the halls on the second floor because of the extreme cold outside. When spring arrived, however, the girls were out running around the football field with the boys. The girls practiced seventh period and after school under the supervision of Miss Gay Addington. The track meets began in March and continued into April. In December, Bonnie Crawford qualified to compete on the cross-country team, in the regional meet. She was the first girl from Woodrow to qualify for this event, which previously had included only male participants.

Soccer Team, Mostly Sophomores, Has Good Outlook for Next Season

When Coach James Kelly was asked his opinion of this year's soccer season he commented, "We had a pretty good season since the majority of the team were sophomores. We had improved last year's record, and I hope we can improve it more next year. Minor injuries hurt the team early in the season, but because of several victories we went up a hundred percent."

Woodrow started competing in 1973, and today's overall record is 23-23-3. This year, after having a disappointing season last year, Woodrow had a 3-4-1 conference record, and 9-8-2 overall record finishing in fifth place in district plays. Lead scorer was Eddie Garcia followed by Tony Reyes, Sergio De La Garza, and Leonardo Torres. Outstanding defense players were: Luis Jasso, and Frank Cravatt. This year's captains Juan Castillo and Sergio De La Garza were the only two 3-year lettermen.

Girls' 1975 Soccer Record Okay; Schedule Full for Spring, '76

The girl's soccer season started February 11. The girls played with great enthusiasm, but lost a close game against W. T. White High School.

Last year's season was very satisfying to players, coach, and fans. Woodrow had a 4-0-4 record which placed them in third place. The girls played two games against Eastfield College and won both games, 7-0 and 5-0.

At press time, games remaining to be played included matches against Samuell, Hillcrest, Skyline, Bryan Adams, and Thomas Jefferson.

This year only five experienced players returned. Seniors Susan Ramirez and Rachel Hernandez were the leaders of the team.

Kelly Vermillion and Mireya Juarez struggle against a Hillcrest defender for possession of the soccer ball.

The 1976 Golf Team started out the season winning four of their first five meets. The wins were against Thomas Jefferson, Skyline, Bryan Adams, and Samuell.

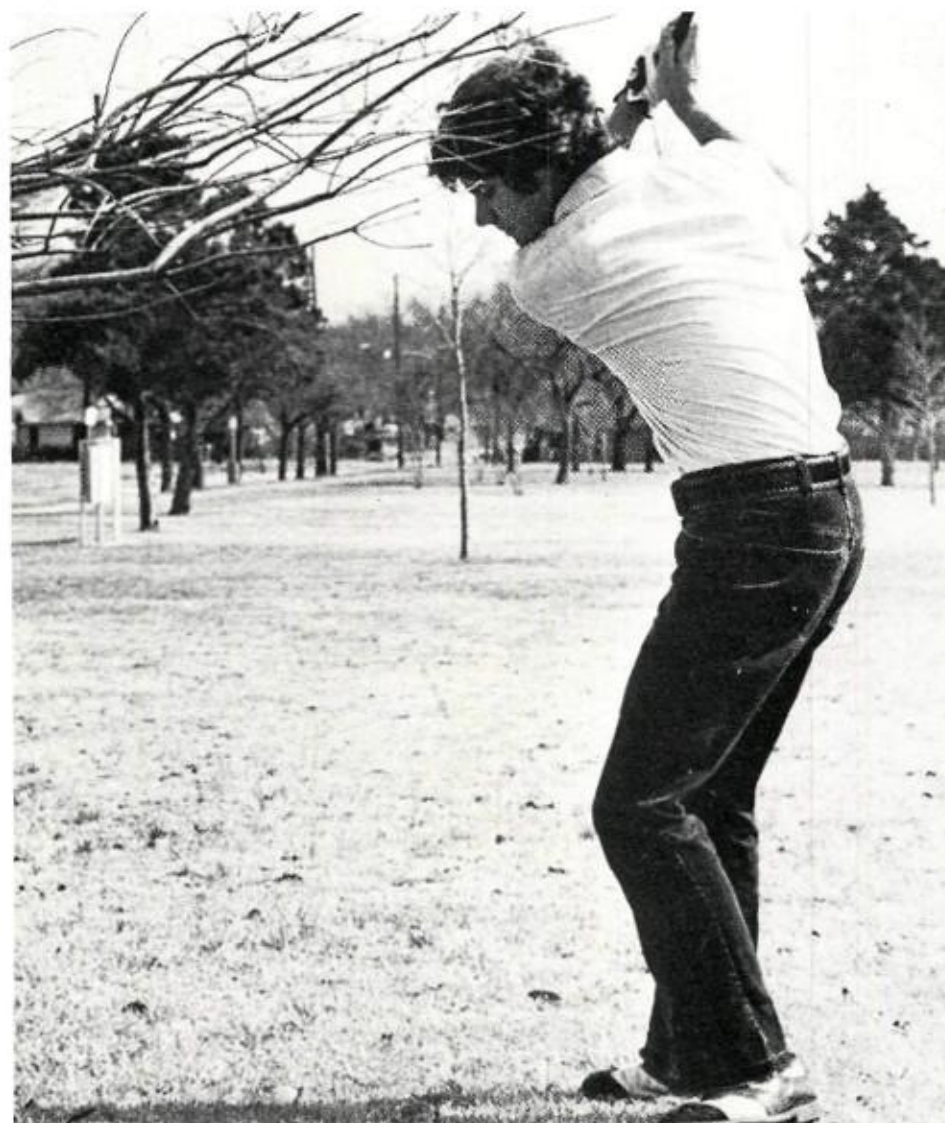

Returning lettermen were Ricky Rodriquez, Stacey McVey, and Mike McQuiston. This was Mr. Bob Cargile's first year as coach of the Golf Team. Only the top four players from an intersquad meet held each week competed in the matches. This year's captain was junior Stacey McVey.

Boys' Swim Team Takes District; Win Seven Meets in Seven

Woodrow's boy's swim team finished first in the district, winning all seven of their meets. Senior captain Brent Snyder led all other entrants with a score of 65 points for the season.

Seniors who lettered were Joel Akin, Steve David, Billy Fosmire, Joe Jones, James LeCour, and Brent Snyder. Two juniors, Josh Armstrong and Jack McDonald, earned letters, and sophomores Peter Doty, Alan Luecke, Joe Shearin, and Tony Vance also lettered. Coach Bob Green was pleasantly surprised to have newcomer, Jack McDonald, a junior, to join the team this year. "He did a very good job in the sprints and relays," said Coach Green, "and he lettered easily with 53 points." Hopefuls for next year are Alan Luecke and Joe Shearin.

Coach Zachary Names Players for 1976 Baseball Season

Baseball is a sport whose season is never completed before the Crusader goes to press. The season record for last year was 5-15. When the Crusader went to press this year, the baseball season was just getting under way. The team had played three scrimmage games, winning one and losing two.

Coach Roger Zachary gave the Crusader some predictions for the season line-up, they were: outstanding pitchers: Sturges, Le Cour, Phillips, and Bozarth. Probable infield starters: Lopez as catcher, Cannon and Hammond at shortstop, David and Lewis at third, Owen and Bello at second, and Campbell and Holt at first. Probable outfield starters: Le Cour in left field, Arbogast in right field,

and Bozarth in center field. Additional outfielders: Patton, Wheeler, Phillips, and Sturges. The coaches expect a good season from seniors David, Cannon, Le Cour, Phillips, Arbogast, and Sturges. Sophomores with strong potential are: Bozarth, Lopez, and Hammond.

"Due to senior experience and good sophomores, I expect a much better season. Since the purchase of our new pitching machine, there has been much improvement in our hitting. I expect a much improved season for the Wildcats this year, and if everything falls into place we could produce a winning season," stated Coach Zachary.

Girls' Volleyball in Second Year at WW Compete in District Tournament, Finish Low

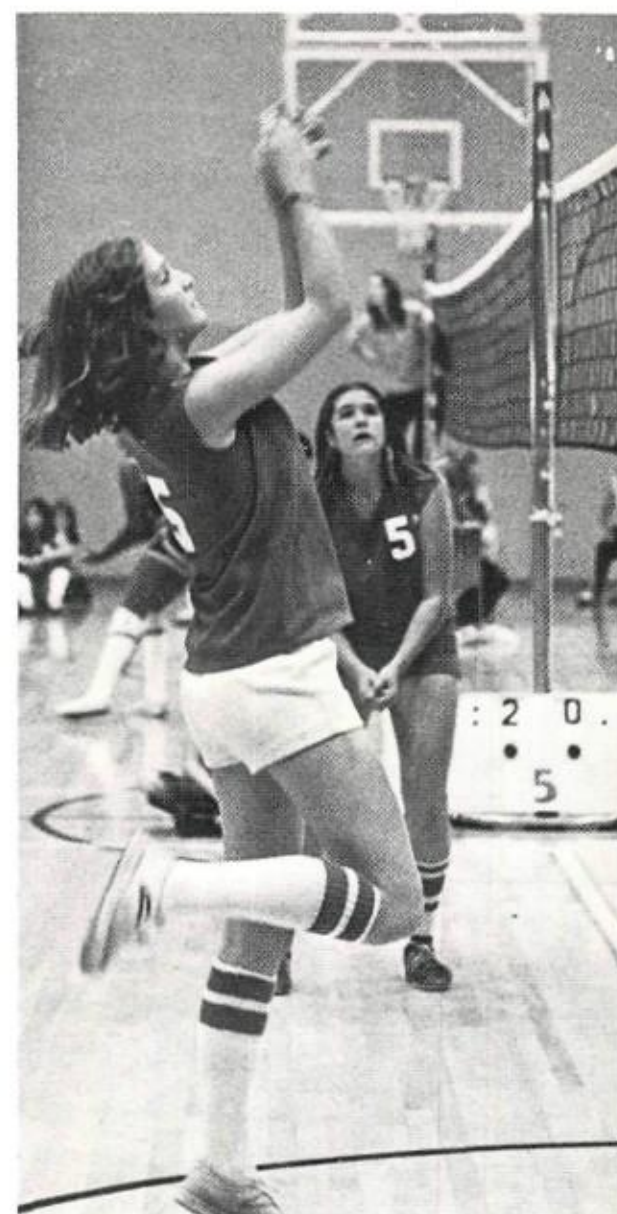

Under the supervision of Miss Gay Addington, the Woodrow Wilson Girls' Volleyball team completed its second season at Woodrow Wilson. This year's captain was Susan Ramirez. The girls competed in eight season games with a 1-7

record. The district tournament, consisting of matches against W. T. White and Thomas Jefferson High Schools, determined Woodrow's placement in the district. The Wildcats finished 0-2 in the district for the 1975 season.

FACULTY and ACADEMICS

As our country advances, our problems of democracy also increase. Here, Mr. Gary Collett discusses the nation's problems with his P.O.D. class.

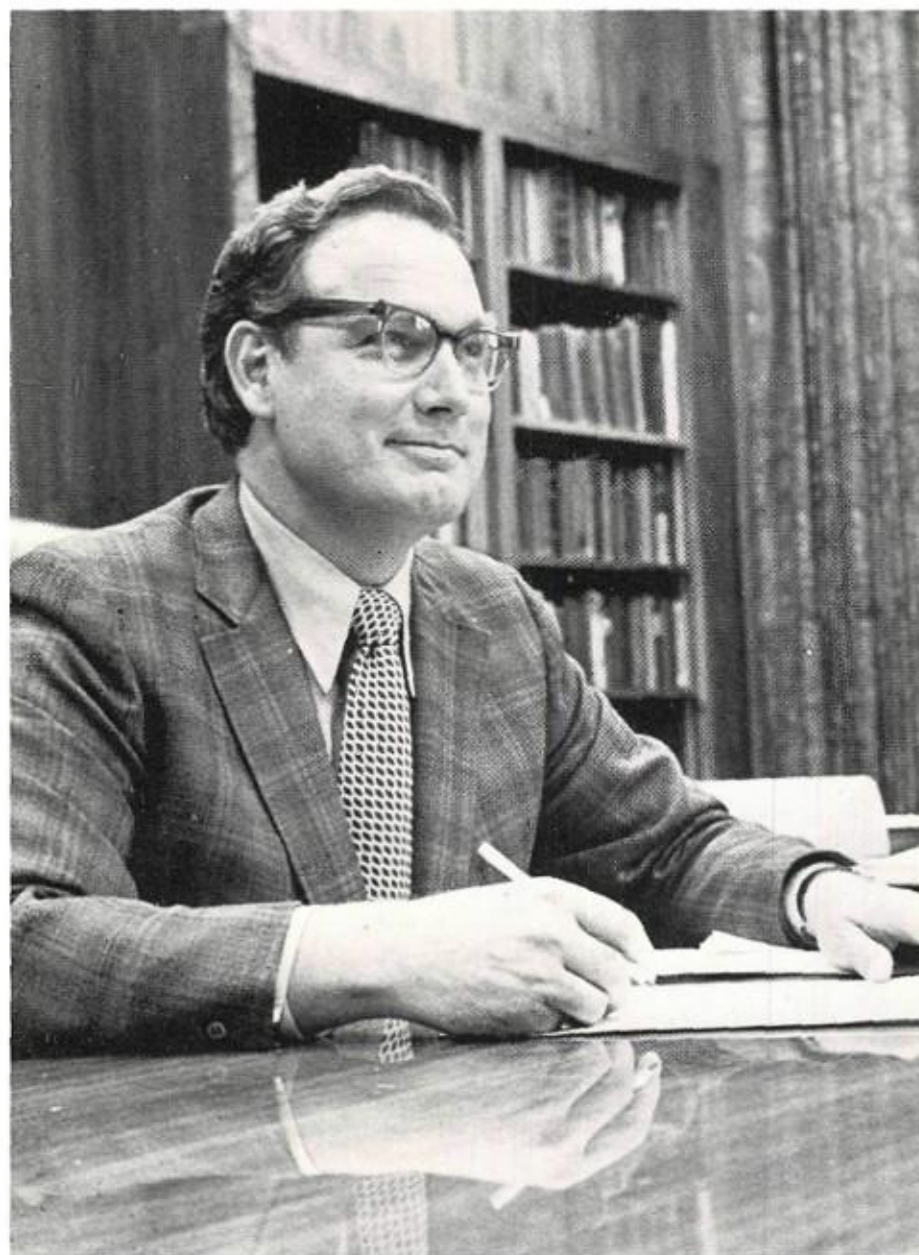

Desegregation Occupies Bulk of Administration Agenda

Another historical year was recorded in 1975-1976 for superintendent Dr. Nolan Estes and the Dallas Independent School District. This was the year that firm action had to be taken on the desegregation of Dallas Schools and adjustments made to institute the new state-required quarter system for dividing the school year.

The Fifth Circuit Federal Court at New Orleans, after demanding a desegregation plan, was given one by the school board on September 10, 1975. There were rumors that this plan involved the closing of some schools, among which was Woodrow Wilson. The students of Woodrow exhibited their deep concern in this matter by signing a petition and taking part in a demonstration at the School Administration Building. The Dallas School Board plan was rejected by Judge William Taylor. Another plan was prepared and brought to Taylor by October 15, 1975.

A new school district policy this year required every sophomore to have the ability to swim before graduating. For those unable to swim, a special course was set up to teach them. Despite the many major problems confronting the DISD administration, they were still able to continue to operate the school sufficiently.

Visitors to Superintendent Dr. Nolan Estes' office are welcomed with a smile.

Careful study is necessary before the school board makes an important decision.

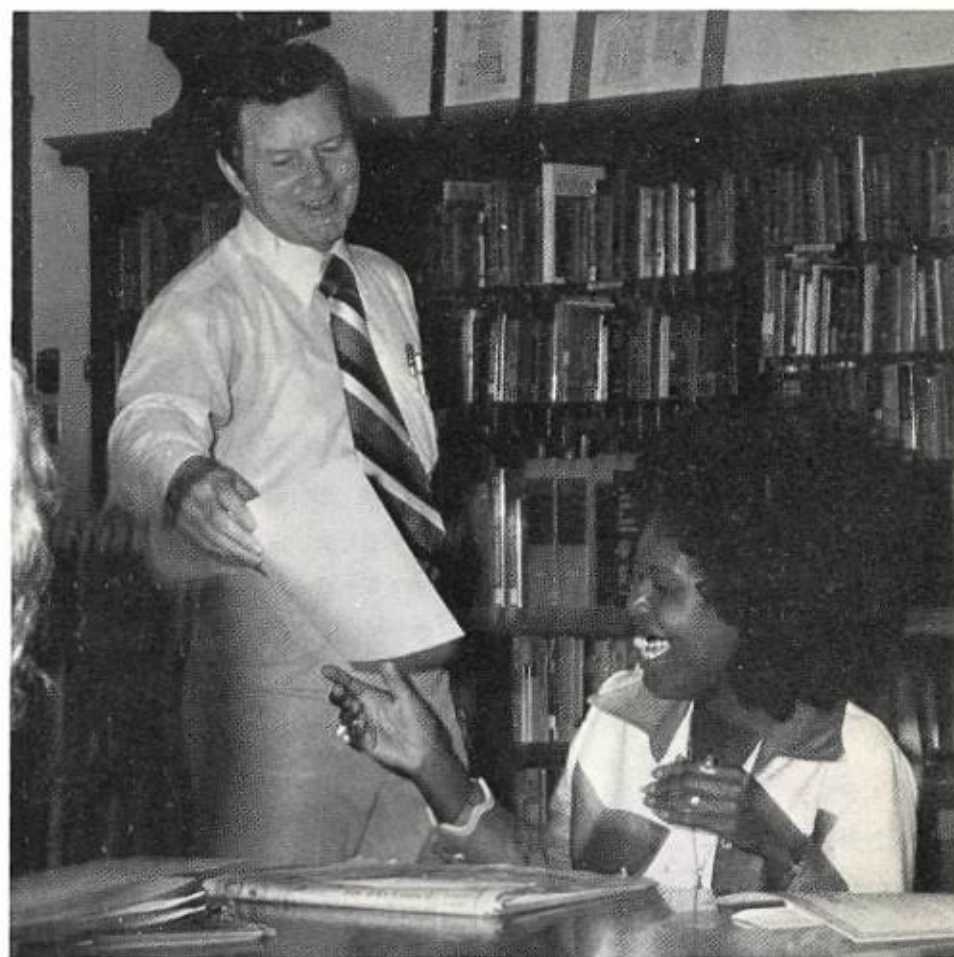

Wayne C. Pierce in his sixth year as Woodrow Wilson principal.

Pierce Pleased With Students; Likes New Quarter System

Despite the many problems facing Woodrow Wilson this year, principal Wayne Pierce still showed interest in faculty-student and student-student relations. "Everyone is more equal," Mr. Pierce said, adding that a happy medium has been reached between seniors, juniors, and sophomores. Mr. Pierce also expressed the opinion that student relationships and attitudes along with the overall atmosphere in the school were outstanding.

Commenting on the new quarter system at Woodrow and all state schools, Mr. Pierce stated that he liked the system because he believed the students would work harder for the reason that they would receive only one grade per twelve-week quarter. He also favors the present exemption plan for students who are absent a bare minimum of days each quarter and considers it a "reward" for loyal attendance and for passing the course. "It gives some students a few extra days off," he explained.

Mr. Pierce is acclaimed by his faculty and patrons as one of the district's outstanding high school principals. He was vice-principal at Woodrow Wilson from 1964 to 1969 and is now completing his 6th year as principal.

Excellence in lounge reporting earned for Mrs. Verline White a "spoof" award from principal Pierce at the last faculty meeting.

Administrative Assistants Gain New Responsibilities

Both Assistant Principal Domingo Regalado and Resource Administrator Joel Haden said that the newly-imposed quarter system, with its new minimum attendance requirements, has reduced absences and tardies and that it will eventually become a better system than the old semester plan. In terms of disciplinary problems, Mr. Regalado said he felt that this was "the best year" he has seen since he came to Woodrow in 1973.

Mr. Haden's official title this year, Resource Administrator, carries with it the responsibility of being the school registrar as well as assistant principal. Mr. Regalado holds a new position with the DISD also. He is in charge of the Biology Baseline, a new science program.

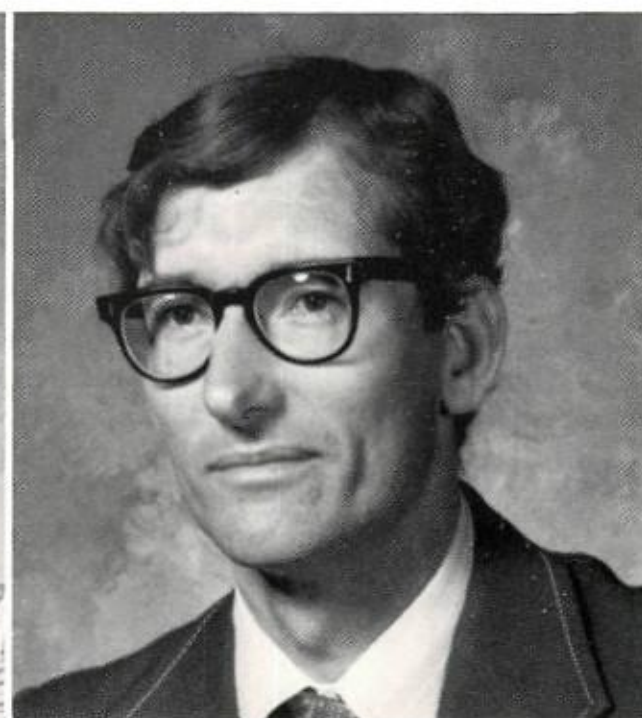

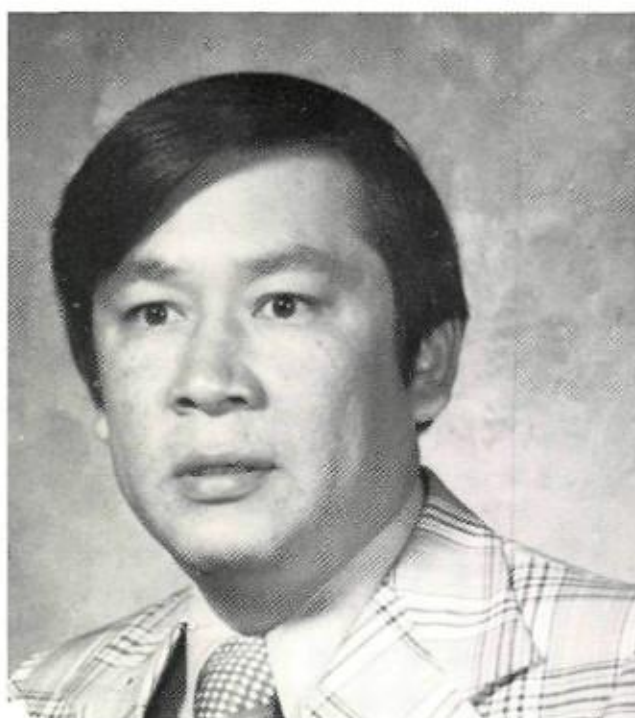

Resource Administrator Joel Haden emphasizes the need of being present at school to an unidentified student.

Mr. Regalado, having solved one problem with Mr. Pierce, seems to be encountering another just outside the office.

New System Increases Counselors' Duties

With the loss this year of counselor Mary Ann Thomas, the job of counseling students was left to Mrs. Mozelle Newton and Mrs. Margaret Walker. This loss, plus the addition of the quarter system, placed a greater work-load on the two remaining counselors. Course requirements formerly were counted in semester units, but under the new plan they are measured by quarters. The normal school year is three quarters, since the summer quarter is optional. Mesdames Newton and Walker confessed that it was no easy matter translating the old semester units into quarter equivalents. However, they said they felt, along with many other faculty members, that the quarter system will be judged an excellent system because of its advantages for both students (such as exemptions) and teachers (better planned work schedules).

In a rare moment before the school day begins, counselors Walker and Newton and clerks Grammer and Bland relax and enjoy a "humorous story."

Mrs. Mozelle Newton helps Barbara Williams plan her courses for this school year.

It seems that senior Karen Matney cannot decide upon a course option that counselor Margaret Walker offers her.

Attendance Responsibilities of Staff Divided by Grade Levels

As in the past years, the attendance office was still in close cooperation with Mr. Haden's and Mr. Regalado's offices. The primary activities in this office included keeping check on the school's daily attendance and the attendance of each pupil by periods. Permits for leaving and returning to school were issued. Responsibilities for each grade level were assumed by the staff. Mrs. Mary Ellis had charge of the tenth grade, Miss Gloria Foley the eleventh grade, and Mrs. Doris Erickson kept records on the twelfth grade.

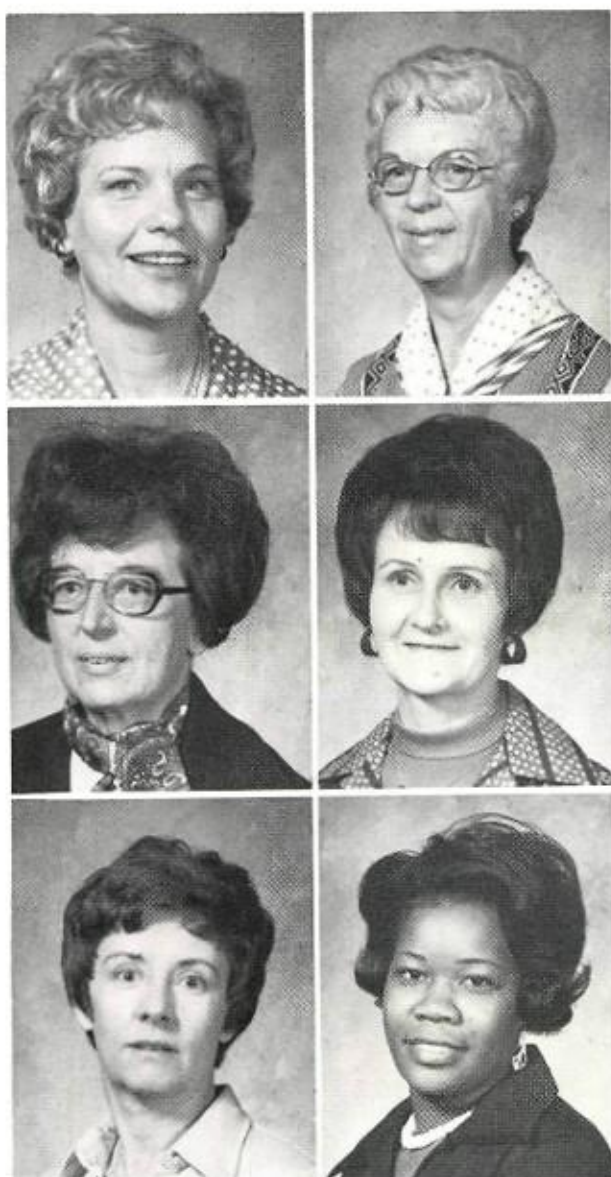

Miss Foley reacts to some of the strong excuses that her office receives every day.

Secretary, Mrs. Weghorst, Finds Woodrow Wilson "Delightful"

June 1975, marked the beginning of the first full year for Mrs. Phyllis Weghorst as building secretary of Woodrow Wilson. She was "Girl Friday" for Principal Wayne Pierce and general helpmate for the entire school. Mrs. Greer was in charge of bookkeeping and mimeographing for the school, and Mrs. Betty Jones' duties included data processing.

Mrs. Weghorst said she feels that she has the best combination of faculty and students possible. "This is the only school that is small enough that you can know the names of every student." Mrs. Weghorst also stated that she really enjoys her work and is behind the Wildcats all the way.

Mrs. Elaine Greer, office bookkeeper and cashier for five and a half years, retired at the end of 1975. Mrs. Nelda Kirk came in January to replace Mrs. Greer.

Vis-Aid Services Show Increase

Every period of the day one or two students came to the visual-aids office to assist Mrs. Virginia Rogers perform the many duties of the department. These activities included ordering and receiving films, setting up projectors for teachers, repairing machines, and the like. More teachers used films this year to assist them in their teaching, according to Mrs. Rogers. Woodrow used pixmobiles (self-contained screens and projectors), whereas most other schools use a special room for viewing films. This practice has proved to be very convenient and is welcomed by all teachers.

New Nurse, Aide Run Clinic; Study Hall Tutoring Successful

The clinic went through a few changes this year. Mrs. Gwendlyn Diaz, the present nurse, replaced Mrs. Gertrude Matsick, who resigned last year. Her aid was Mrs. Irene Molina. Mrs. Diaz worked with both J. L. Long Jr. High and Woodrow and was in the Woodrow clinic only three days per week.

A number of students who excelled in one or more courses worked in Mrs. Connor's study hall, tutoring others who needed help. This system worked well this year, Mrs. Connor said, as there were 29 students tutoring and some 26 students being tutored in subjects varying from English to mathematics.

Classics Called Must Reading; New Workbooks Aid to Grammar

Classics such as *SILAS MARNER*, *THE SCARLET LETTER*, and *IVAN-HOE* are essential reading for high school students, according to Miss Marlene Mallewick, chairman of the English department.

Sophomore and junior classes studied more grammar than literature, with the help of new workbooks. Senior English classes included units on Greek drama and preparation for college-level English.

The grading system this year has been definitely affected by the quarter system. "It's a whole new experience and we don't have any idea how it will turn out," said Miss Mallewick.

But the teachers did look forward to the evaluation, which takes place every ten years by the Southern Evaluation Association of Colleges and Schools. An outside team came to Woodrow April 21, to visit the classes and ask questions for a week.

Good communication is a goal of the English class in the Special Education room. April Dabney and Mrs. Lupo are role-playing in conducting an interview by telephone.

Quarter System, Calculators Affect Math Grading, Instruction

With the new quarter system, the mathematics teachers over the Dallas Independent School District began this year by deciding to plan a "Baseline Curriculum" in math to assure continuation of courses for students who were transferred within the district.

Students had a great deal of help from the use of calculators, which affected mathematical activities. The use of the slide rule has been dropped from the advanced courses, since calculators are more accurate and faster. Mr. J. William Brown and Mr. James C. Riley were asked if they had any objection to students using the calculators. They had none, but still insisted on the pupils' learning the basics of math for both users and non-users of calculators. "Some of the advanced students are taking night courses in computer skills," Mr. Brown said.

No units or program has been developed for introducing the metric system as yet. This will filter upward from the elementary mathematics classes, the instructors said.

A new teacher was added to the mathematic staff this year, Mr. Steve Scott, who teaches fundamentals of mathematics. Chairman of mathematics is Mr. Brown, and other teachers are Mrs. W. Blevins, Mr. H. Crenshaw, Mr. D. McCarty, Mr. S. Scott, and Mr. J. Riley.

Science Teachers Concentrate on 'Baseline Document' Preparation

In science classes, most of the '75-'76 school year was spent in study and preparation of the Secondary Science Baseline, a new science program to be introduced next year. A few of the ideas to be stressed by this program are the uniformity of teaching methods (teaching basically the same units at the same time throughout the district) and providing for more experiments in science classes. A series of "mini-courses" will also be submitted to the school board for consideration for use in all schools. Woodrow had many select students in the advanced chemistry and physics classes. Several of these students plan to take advance-placement tests to receive college credit.

Classroom instruction was not the only means by which students learned science this year. Many students attended science symposiums at Dallas' Bryan Adams and Kimball High Schools. Some students also entered projects in the county-wide Science Fair. Entries from Woodrow Wilson were sponsored by the Science Club. Entering the fair was strictly voluntary.

Quarter System Causes Shift in Social Studies Courses Length

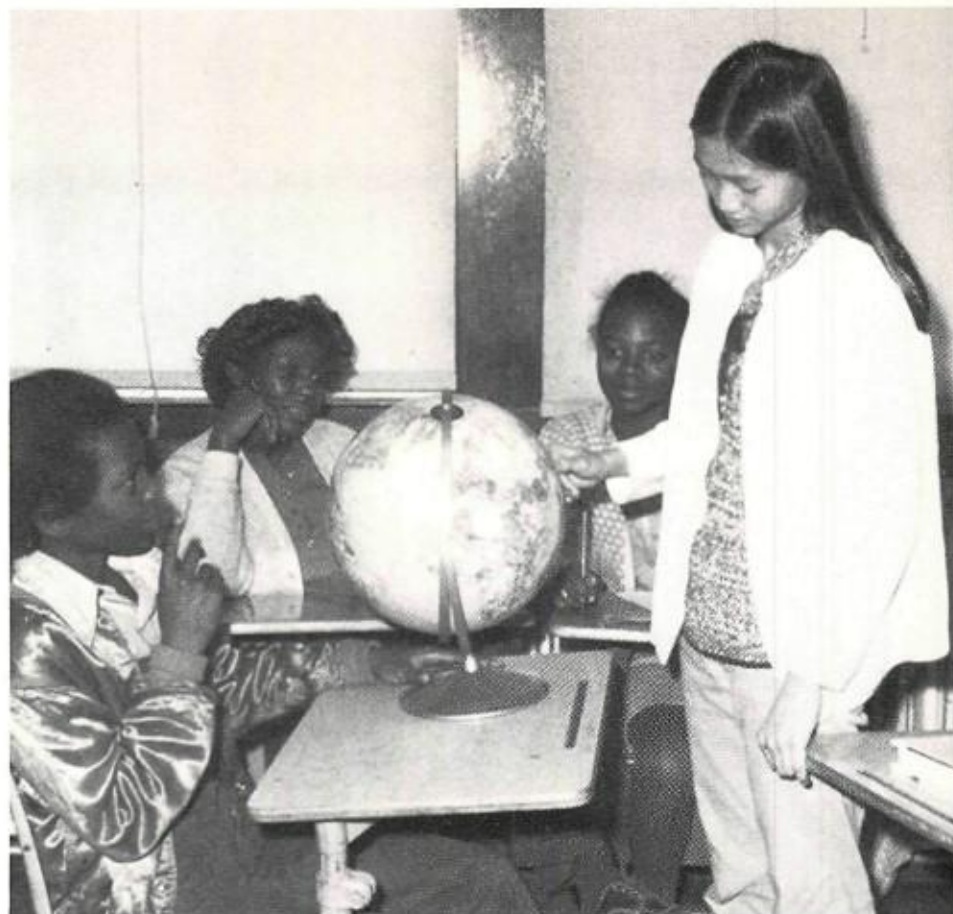

Motivational activities were popular in social studies classes. Some teachers used "question bee" team games and charades to teach history. Others participated in discussion panels, field trips, and special projects. Mr. Bill Turner, department chairman was assigned the responsibility of planning activities for the celebration of the American Bicentennial. Several departments cooperated in making various items such as a replica of the first United States flag, by the homemaking department. The art department planned a program of American music.

The introducing of the quarter system had its effect on the social studies classes. The civics or American government courses this year consisted of 24 weeks (two quarters) instead of 18 weeks (one semester). The Texas history and Problems of Democracy classes were cut to 12 weeks instead of the former length of one semester.

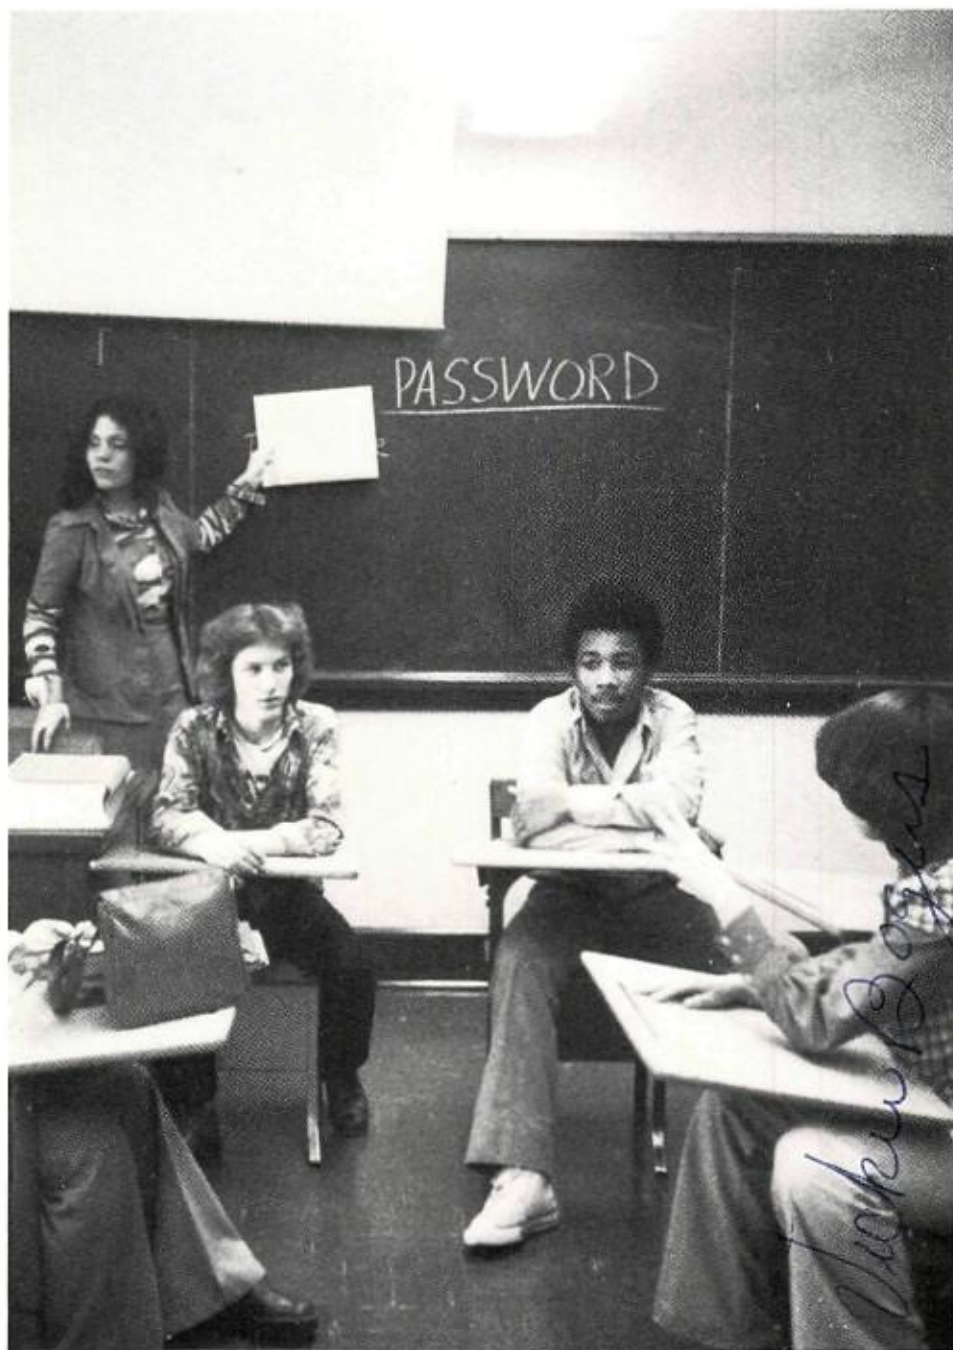

In order to take care of students who needed another quarter unit or so, two new classes were created, taught by Mr. Paul Allen. They were Urban Development and Latin American history.

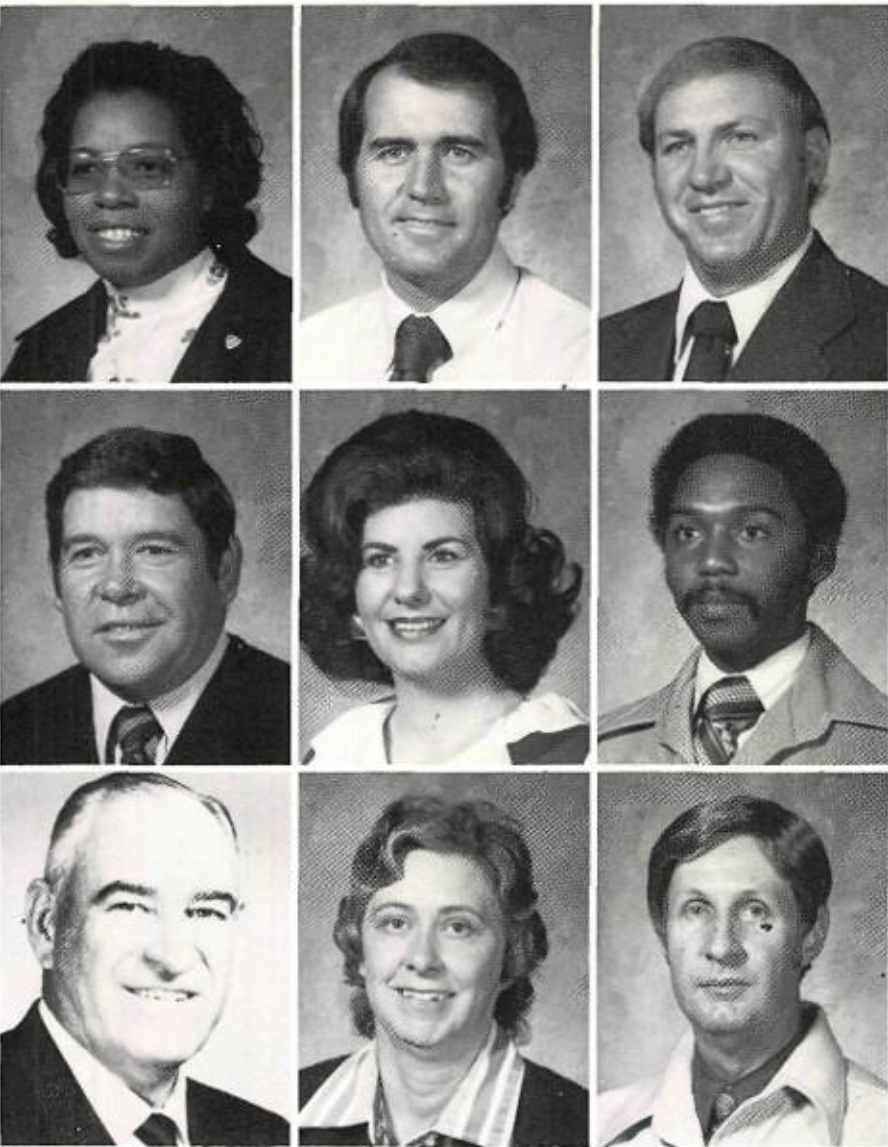

Students enjoy American history as taught by Mr. Lucious Newhouse. The contented ones here are Bobbye Parker and Chuck Kirkbride.

New Fine Arts Teachers Join Colleagues in Successful Projects

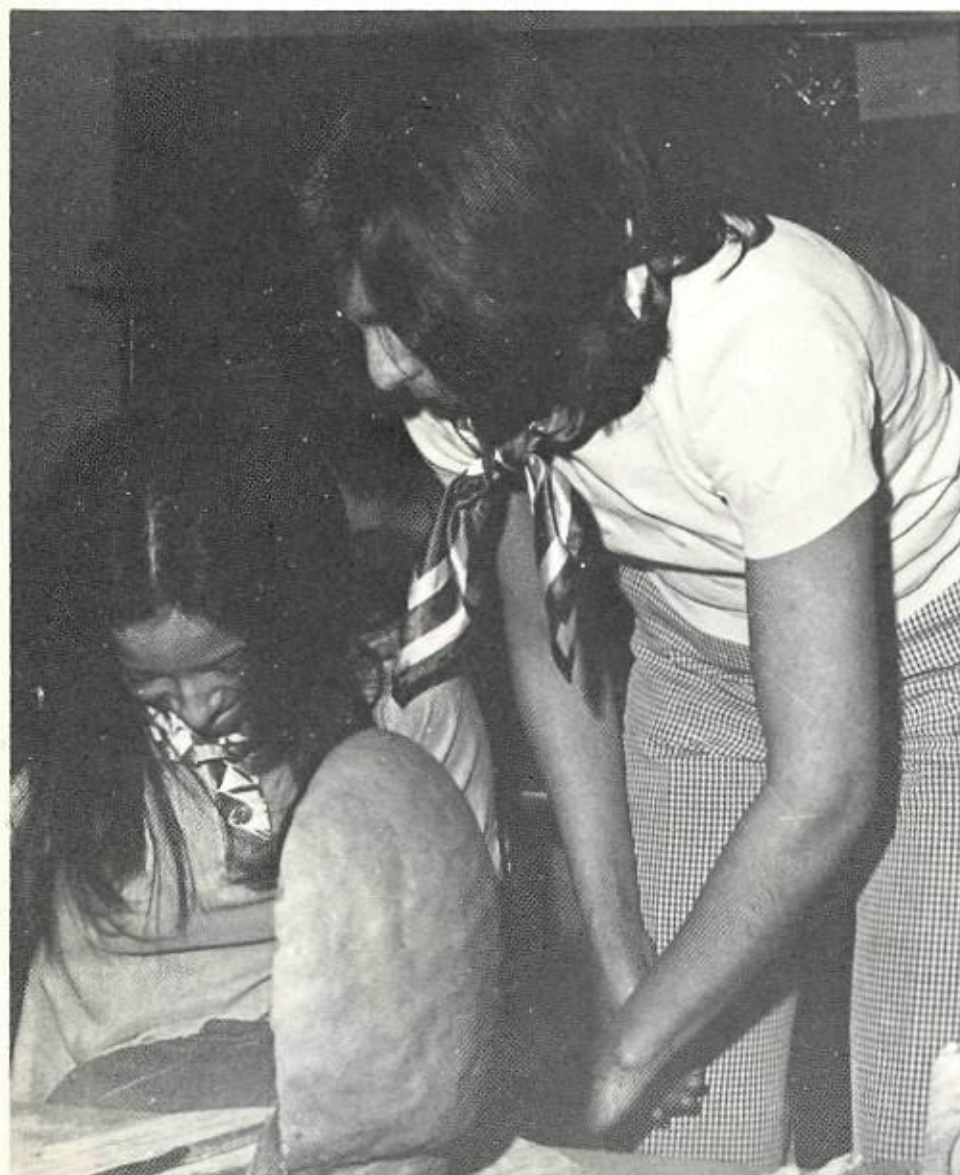

Woodrow welcomed two new teachers to the faculty this year. Mr. Phillip Cook replaced Mrs. Geraldine England in the art department and Mrs. Marca Lee Bircher filled the position in the music department vacated by Mr. Jerry McKinney.

Mr. Cook who taught formerly at Fred Florence Junior High School in Dallas, teaches Art I, II and Art Awareness. The creative department head, Mrs. Lollie Tompkins, worked with students on Bicentennial projects, including the making of posters and paintings.

Mrs. Bircher came to Dallas from Abilene Christian College Metrocenter (Dallas Campus). She produced the Christmas choir program, the musical "Oliver," and Bicentennial Music program. Band director Randy Garmon stated that he had a very successful year with the band and stage band. These two organizations performed at the halftime of the football games and assisted in the assemblies. This year the band participated in the Fiesta Flambeau Parade in San Antonio in April.

Drama, Stage Craft, Homemaking Keep Busy

Students in the drama classes performed scenes from classical plays, including some Christmas plays and duet scenes. Psychology, as was drama, was taught by Mrs. Marilyn McBride. The students participated in open discussions with outside speakers of the SPARK Volunteer Program. This is a special program for Additional Resources of Knowledge. They covered such topics as mental retardation, psychoanalysis, and Maslow's Hierarchy of Needs.

In homemaking this year, students were involved with a Bicentennial program, in which they made a replica of the Revolutionary flag. The department acquired several new sewing machines during the year. Miss Sarah Stovall taught clothing and family life and Mrs. Nancy Wilkinson has the classes in foods and nutrition.

Stagecraft this year, was busy with the sets for the musical "Oliver!" and with learning special theater techniques. This popular course lasted the full three quarters and was taught by Mrs. Marca Bircher.

Making a backdrop for the musical is like painting on a ten-league canvas. These second period stage crew members, Carla Healy, Tami Winchester, Melody Higgins, Kathy Hall, and Renee Workman have accepted this responsibility.

Two New Programs to Meet Students' Needs Added to Curriculum

MR. ROYCE BULLARD — B.B.A., M.E.; Vocational Adjustment Coordinator

MRS. MARYHELEN FEELEY — B.S.; Vocational Office Education, Office Education Association, Sponsor

MRS. VELMA LUPO — B.S.; Special Education

MRS. PEGGY JONES — B.S.; HOCT Coordinator

MR. FLOYD MALONE — B.S.E., M.Ed.; Coordinated Vocational Academic Education

MR. JOHN MITCHELL — B.S., M.Ed.; Industrial Cooperative Training Coordinator

MRS. RUTH STRUBLE — B.B.A., M.L.A.; Vocational Office Education Lab, Office Education Association, Sponsor

A new class to assist the vocationally handicapped was added to the Woodrow Wilson curriculum in 1975. Mr. Royce Bullard, coordinator, has classes in Vocational Adjustment both at Woodrow and Hillcrest. Some students in this course attended a personal, social and work adjustment class part of the day, and they worked at a job part time. Others were involved in full-time employment. These students will receive high school diplomas when they satisfy the full-time work requirement.

In its first year as a course at Woodrow, the Special Education class was designed to encourage the utilization of any instructional arrangement that would meet the educational needs of individual students. Under the course plan, the students in the class remained in the same classroom all day, where Mrs. Velma Lupo taught all subject areas. Eight of the 17 students originally enrolled in the program were moved to regular high school classes by the year's end.

From the new Vocational Adjustment Class, Elizabeth Gayle Prince works as a licensed beautician at "Heads and Threads," working on both human heads and on wigs.

Full Schedule Vocational Courses Offered at Woodrow Wilson

Cooperative courses maintained a full schedule at Woodrow Wilson this year. These courses included Health Occupations Cooperative Training (HOCT), Vocational Office Education (VOE), Industrial Cooperative Training (ICT), Distributive Education (DE), and Coordinated Vocational Academic Education (CVAE). In these classes, students would work half a day, after attending a theory vocational class and other academic classes for half a day.

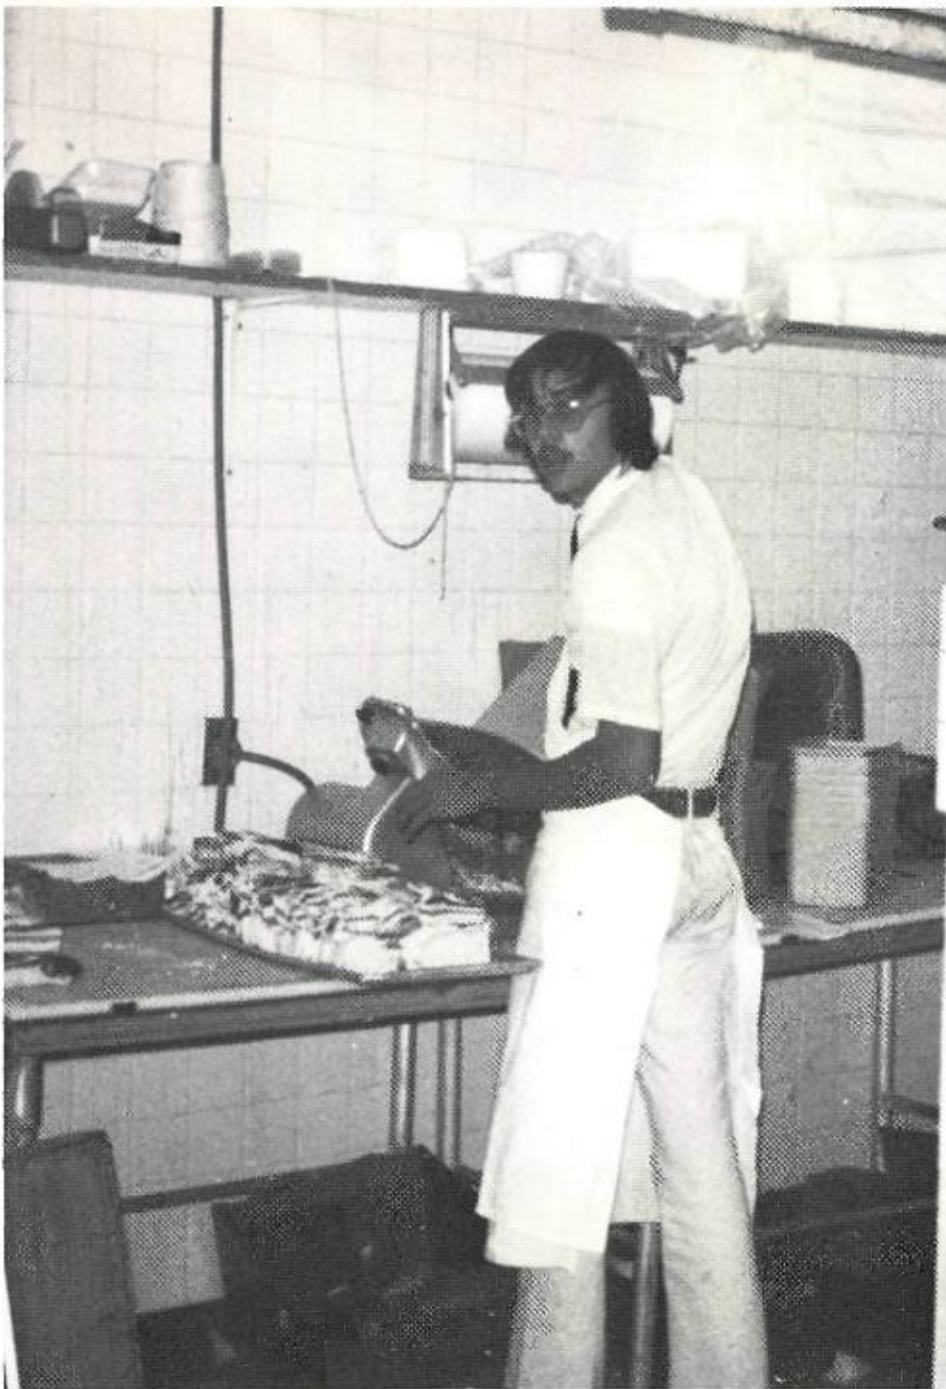

Students involved in HOCT were sent to hospitals, clinics, doctor's offices, and other places dealing with health occupations. Mrs. Peggy Jones coordinated this class.

For the second year, juniors were placed in a preparatory class in Vocational Office Education. These students, taught by Mrs. Ruth Struble, will be ready to work in office situations next year. The seniors, under the supervision of Mrs. Maryhelen Feeley, worked in private offices, banks, secretarial pools, and the like.

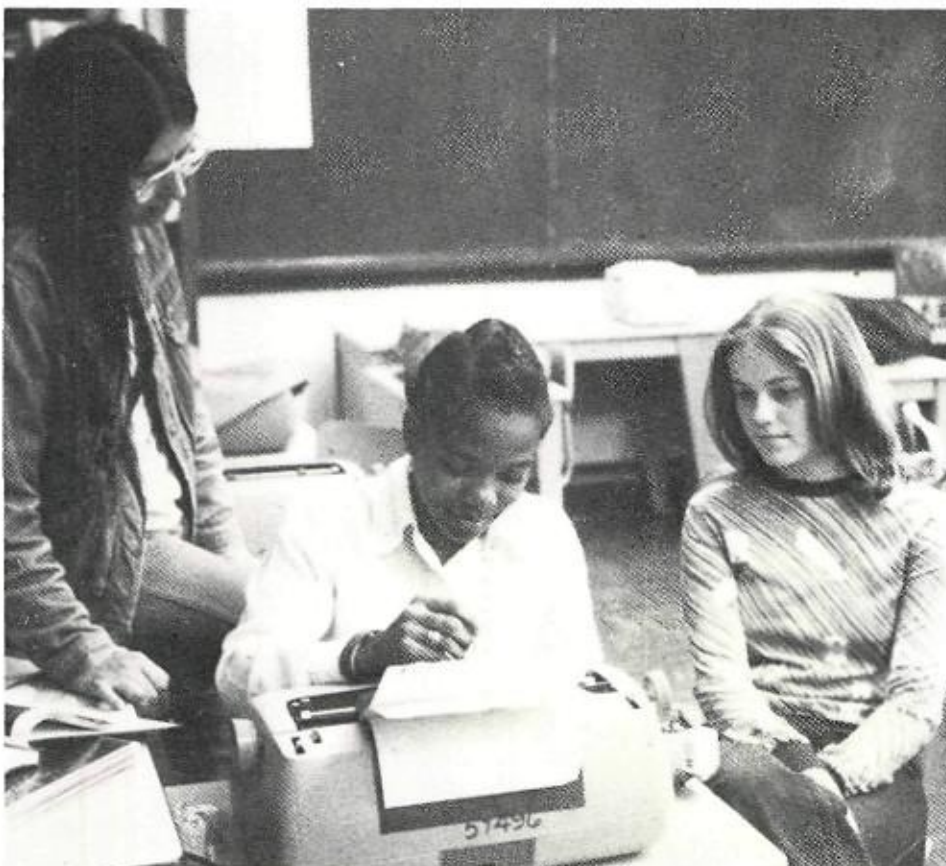

Industrial Cooperative Training classes involved students working in shop and construction skills. These students were sent by Mr. John Mitchell, instructor, to plastic shops, automobile, and other shops. This class also entered students in skills contests at district and regional meets.

Following the death of D.E. instructor Mrs. Helen Ardrey in January, Woodrow Wilson acquired Distributive Education instructor, Mr. Joseph Barnett. He came to Woodrow from Dallas' Carter High School and was in business-personnel work before he became a teacher. The DE students attended school classes in the mornings, and in the afternoons, worked in department stores and shops. These places of employment were newly entitled "training stations" this year. The students under Mr. Barnett also operated a school store in the front hallway of Woodrow during the last quarter. The store offered for sale school supplies to the students.

Taught by Mr. Floyd Malone, the Coordinated Vocational Academic Education program entered its third successful year. This program's plan was to assist students in finding jobs, such as restaurant help, building maintenance, and other services requiring less skill than the other cooperative courses. There were two classes, from which 32 students were employed in twenty firms in the Dallas area.

Slicing beef cuts appears to keep Dean Ippert busy at Minyard's Grocery Store.

In office education lab, Debra Marie Bell knows how to cut a mimeograph stencil (and also how to correct an error). Sophia Cordova and Tressie Ireland are picking up some pointers.

Attorney General's Ruling Upsets School Board Finances

Texas Attorney General John Hill ruled in the fall of 1975 certain fees charged by public schools were unconstitutional according to the Texas Constitution. Among these fees were uniform, towel, and lock fees for P.E. students. Students of physical education were therefore, not required to suit out in uniforms or to take showers. Thus, it was conceivable for a girl to participate in P.E. while wearing a long, formal dress, although no unusual incidents were reported.

Few changes occurred in Ms. Addington's gym classes this year. There was the continuation of intramural sports which consisted of basketball, volleyball, gymnastics, tennis, and badminton.

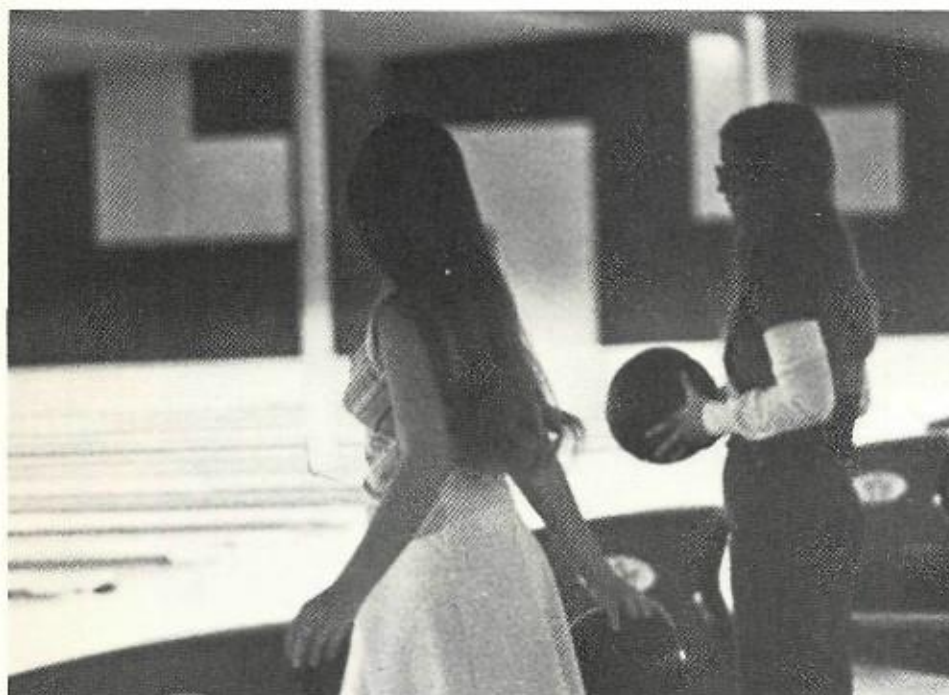

Boy's P.E. was mostly a carryover from last year with the "self-awareness for fitness" program a dominant activity. New additions to the P.E. curriculum were intra-class flag-football and basketball tournaments. A spring recreation program involving activities such as golf, tennis, weightlifting, and soccer followed the winter activities (tumbling, wrestling, and gymnastics).

In an effort to balance herself on the uneven bars, Elizabeth Rice requires Ms. Addington's assistance and direction.

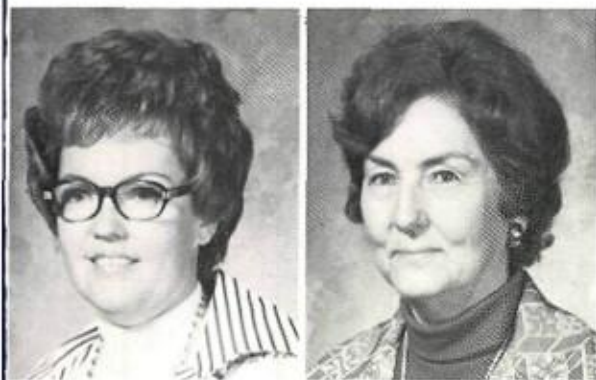

More Students Using Library Facilities

Striving to create an atmosphere of learning and creativity is still one of the library's main concerns. Mrs. Mary Brown and her assistant, Mrs. Doris Pierce, conducted another successful Book Fair. According to Mrs. Brown, the Book Fair has served two purposes: To make money for the library and to create a high interest in the library itself.

This year the sales were most gratifying, she added. This year the library also ordered and received some new volumes, ranging in subject matter from insects to auto mechanics. In Mrs. Brown's opinion, more people used the library this year, thanks to the availability of these and other books and to the encouragement by teachers.

Library Workers are: Debra Lunberg, Suzanne Taylor, Donna Young, Sandra Woods, Linda Todd, Dianna Melton, Mike McQuinney, Thomas Heckman, and Georgia Daniels. NOT PICTURED are: Raymond Abercumbia, and Carter Cambell.

Youth Action Center Staff Gives Valuable Aid to Students, Families

The Youth Action Center was concerned with delinquent attendance of students. The center worked closely with Jerry Johnson of The Dallas County Juvenile Department and Officer Bob Jones of the Dallas Police Department. "To encourage good school attendance, good behavior, and happy students is our goal," said Mr. Billy Barnes, director.

The center also counseled students who were in trouble with the police department. The staff helped to provide food and or clothing for needy families in the Woodrow Wilson area. Others working with Mr. Barnes are Bob Jones, Jose Servin, and Jerry Johnson.

Woodrow's popular History instructor, Mr. William Turner (with a beard, yet!), proves he is a world traveler by posing in the Dolomite Mountains of Northern Italy.

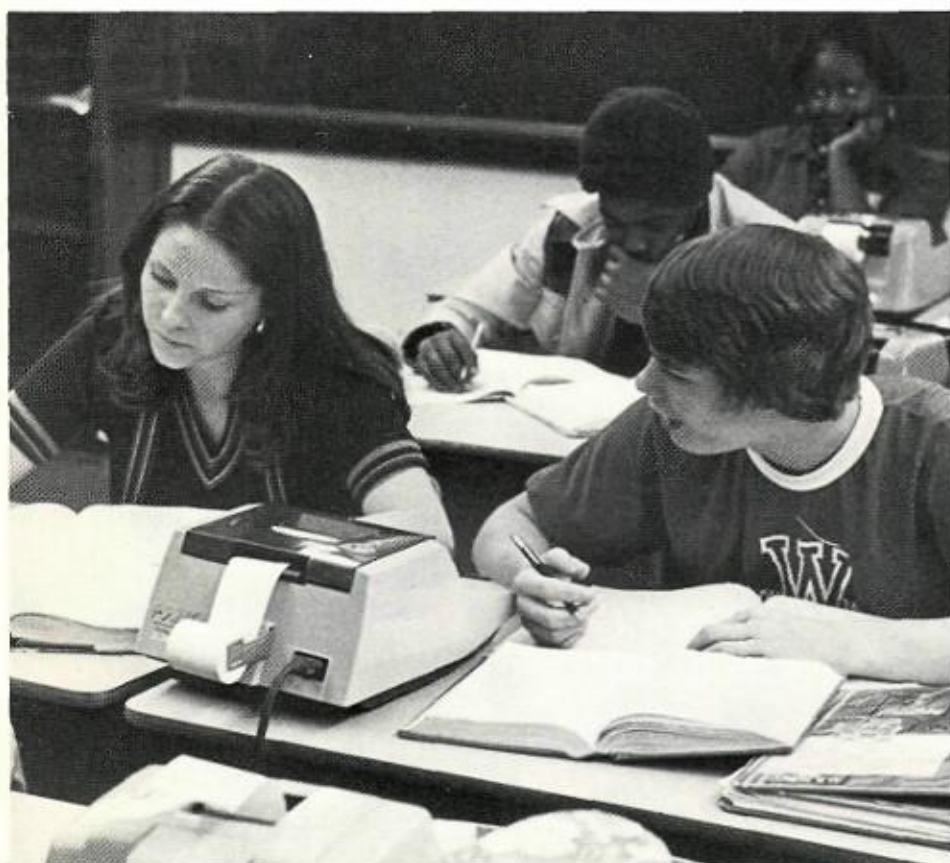

Some Teachers Like to Travel; Others Collect, Build Things

Woodrow Wilson teachers vary greatly in their choice of hobbies. They range from Mr. James Kelly's dune buggies to Mr. J. William Brown's antique book collection. Many teachers have an affinity for world travel. Mrs. Martha Timm's recent visit to Australia and Miss Betty Parrett's trip to Spain are examples.

One of Woodrow Wilson's globe trotters is Mrs. Doris Stratton, right, shown here with her husband and others having tea in a castle in Ruthin, Wales. The Strattons were named King and Queen for the evening.

Typing Rooms Acquire 29 New Electrics; Drafting Pupils Enter Contests

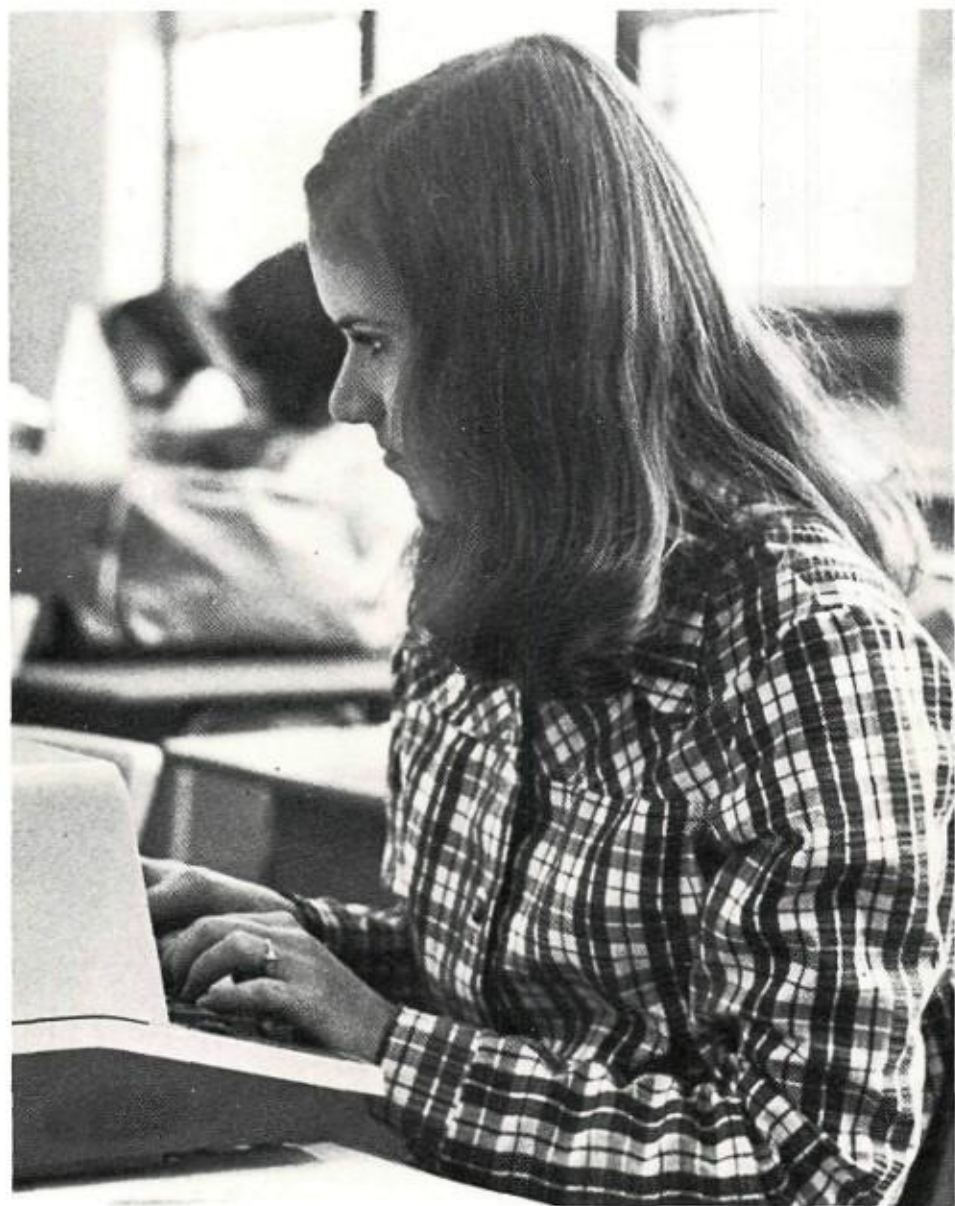

Harry Crawford seeks the opinion of Shirley Fugitt on a problem in Bookkeeping.

The students in Mrs. Verlene White's typing class rarely ever had a boring day. Mrs. White planned numerous enjoyable activities, such as typing by music, mystery games, and typing games. The students also worked hard to try to be Typist-of-the-Week. Mrs. White was chosen an Outstanding Secondary Educator of America for 1975 and was placed in the 1975 Outstanding Secondary Educators of America Yearbook for 1975. The typing classes this year also received new equipment. Mrs. Betty White's typing class received 15 new electric typewriters, and Mrs. Verlene White's class received 14. Mrs. Betty White stated that one of the goals this year was to have two all-electric typing rooms, and this objective has almost been realized.

In Mr. Bob Cargile's general and technical drafting classes, the students participated in the statewide Texas A&M drawing contest. Not only were the students interested in their regular class work, but they also found time to participate in the Young Designers Competition in January, sponsored by the Home and Apartment Builders Association.

Parking Lot, Custodial Staffs Make Work Schedule Changes

With the death of parking lot attendant Mr. Buster Coats, the parking lots were faced with a problem situation this year. It was solved by having the east parking lot, originally under the supervision of Mr. Coats, closed at 8:30 a.m., allowing the west lot to accept all of the cars of people who came after first period. As a result, attendant Mr. R. O. Stephenson often had an overflow of automobiles in his lot.

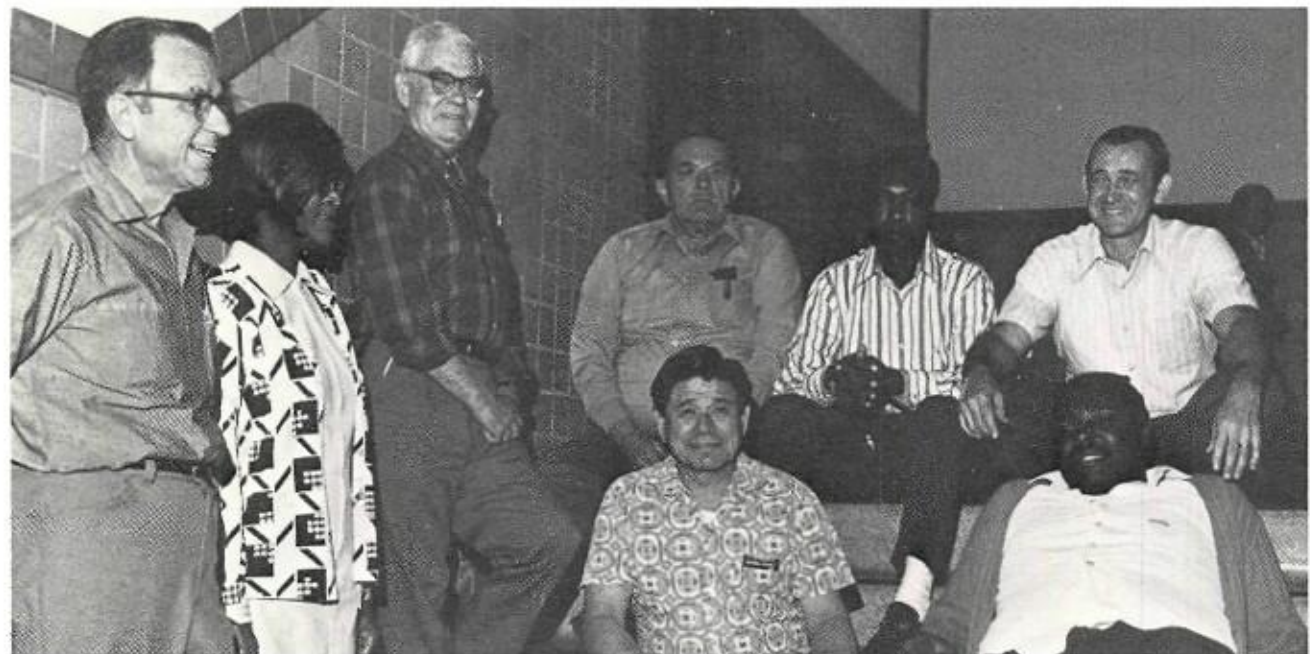

The custodians' shifts were slightly different from last year. The morning shift worked from 7:00 a.m. to 2:30 p.m., and the night shift, from 2:30 p.m. to 11:00 p.m. The morning shift was supervised by Mr. Grady Power, head custodian. The night shift supervisor was Mr. Audie Horn.

Joe Willie Mitchell, custodian on the night shift, cleans up the hall for the umpteenth time that day.

Preparing to begin the day's work, Mrs. Mary Parks reaches into her supply room.

Mrs. Reba Tenny, school dietitian, calculates the food budget for the day.

Inflation Takes Lunchroom Toll; Dessert Removed from Plate Lunch

Desserts were made a separate item from the regular plate lunch this year because of last year's price hike of sugar. Also, more milk was sold in the cafeteria since the items sold in the vending machines were sugar free. Inflation caused the price of the plate lunch to be increased ten cents, from 45¢ to 55¢, with various increases in other items also.

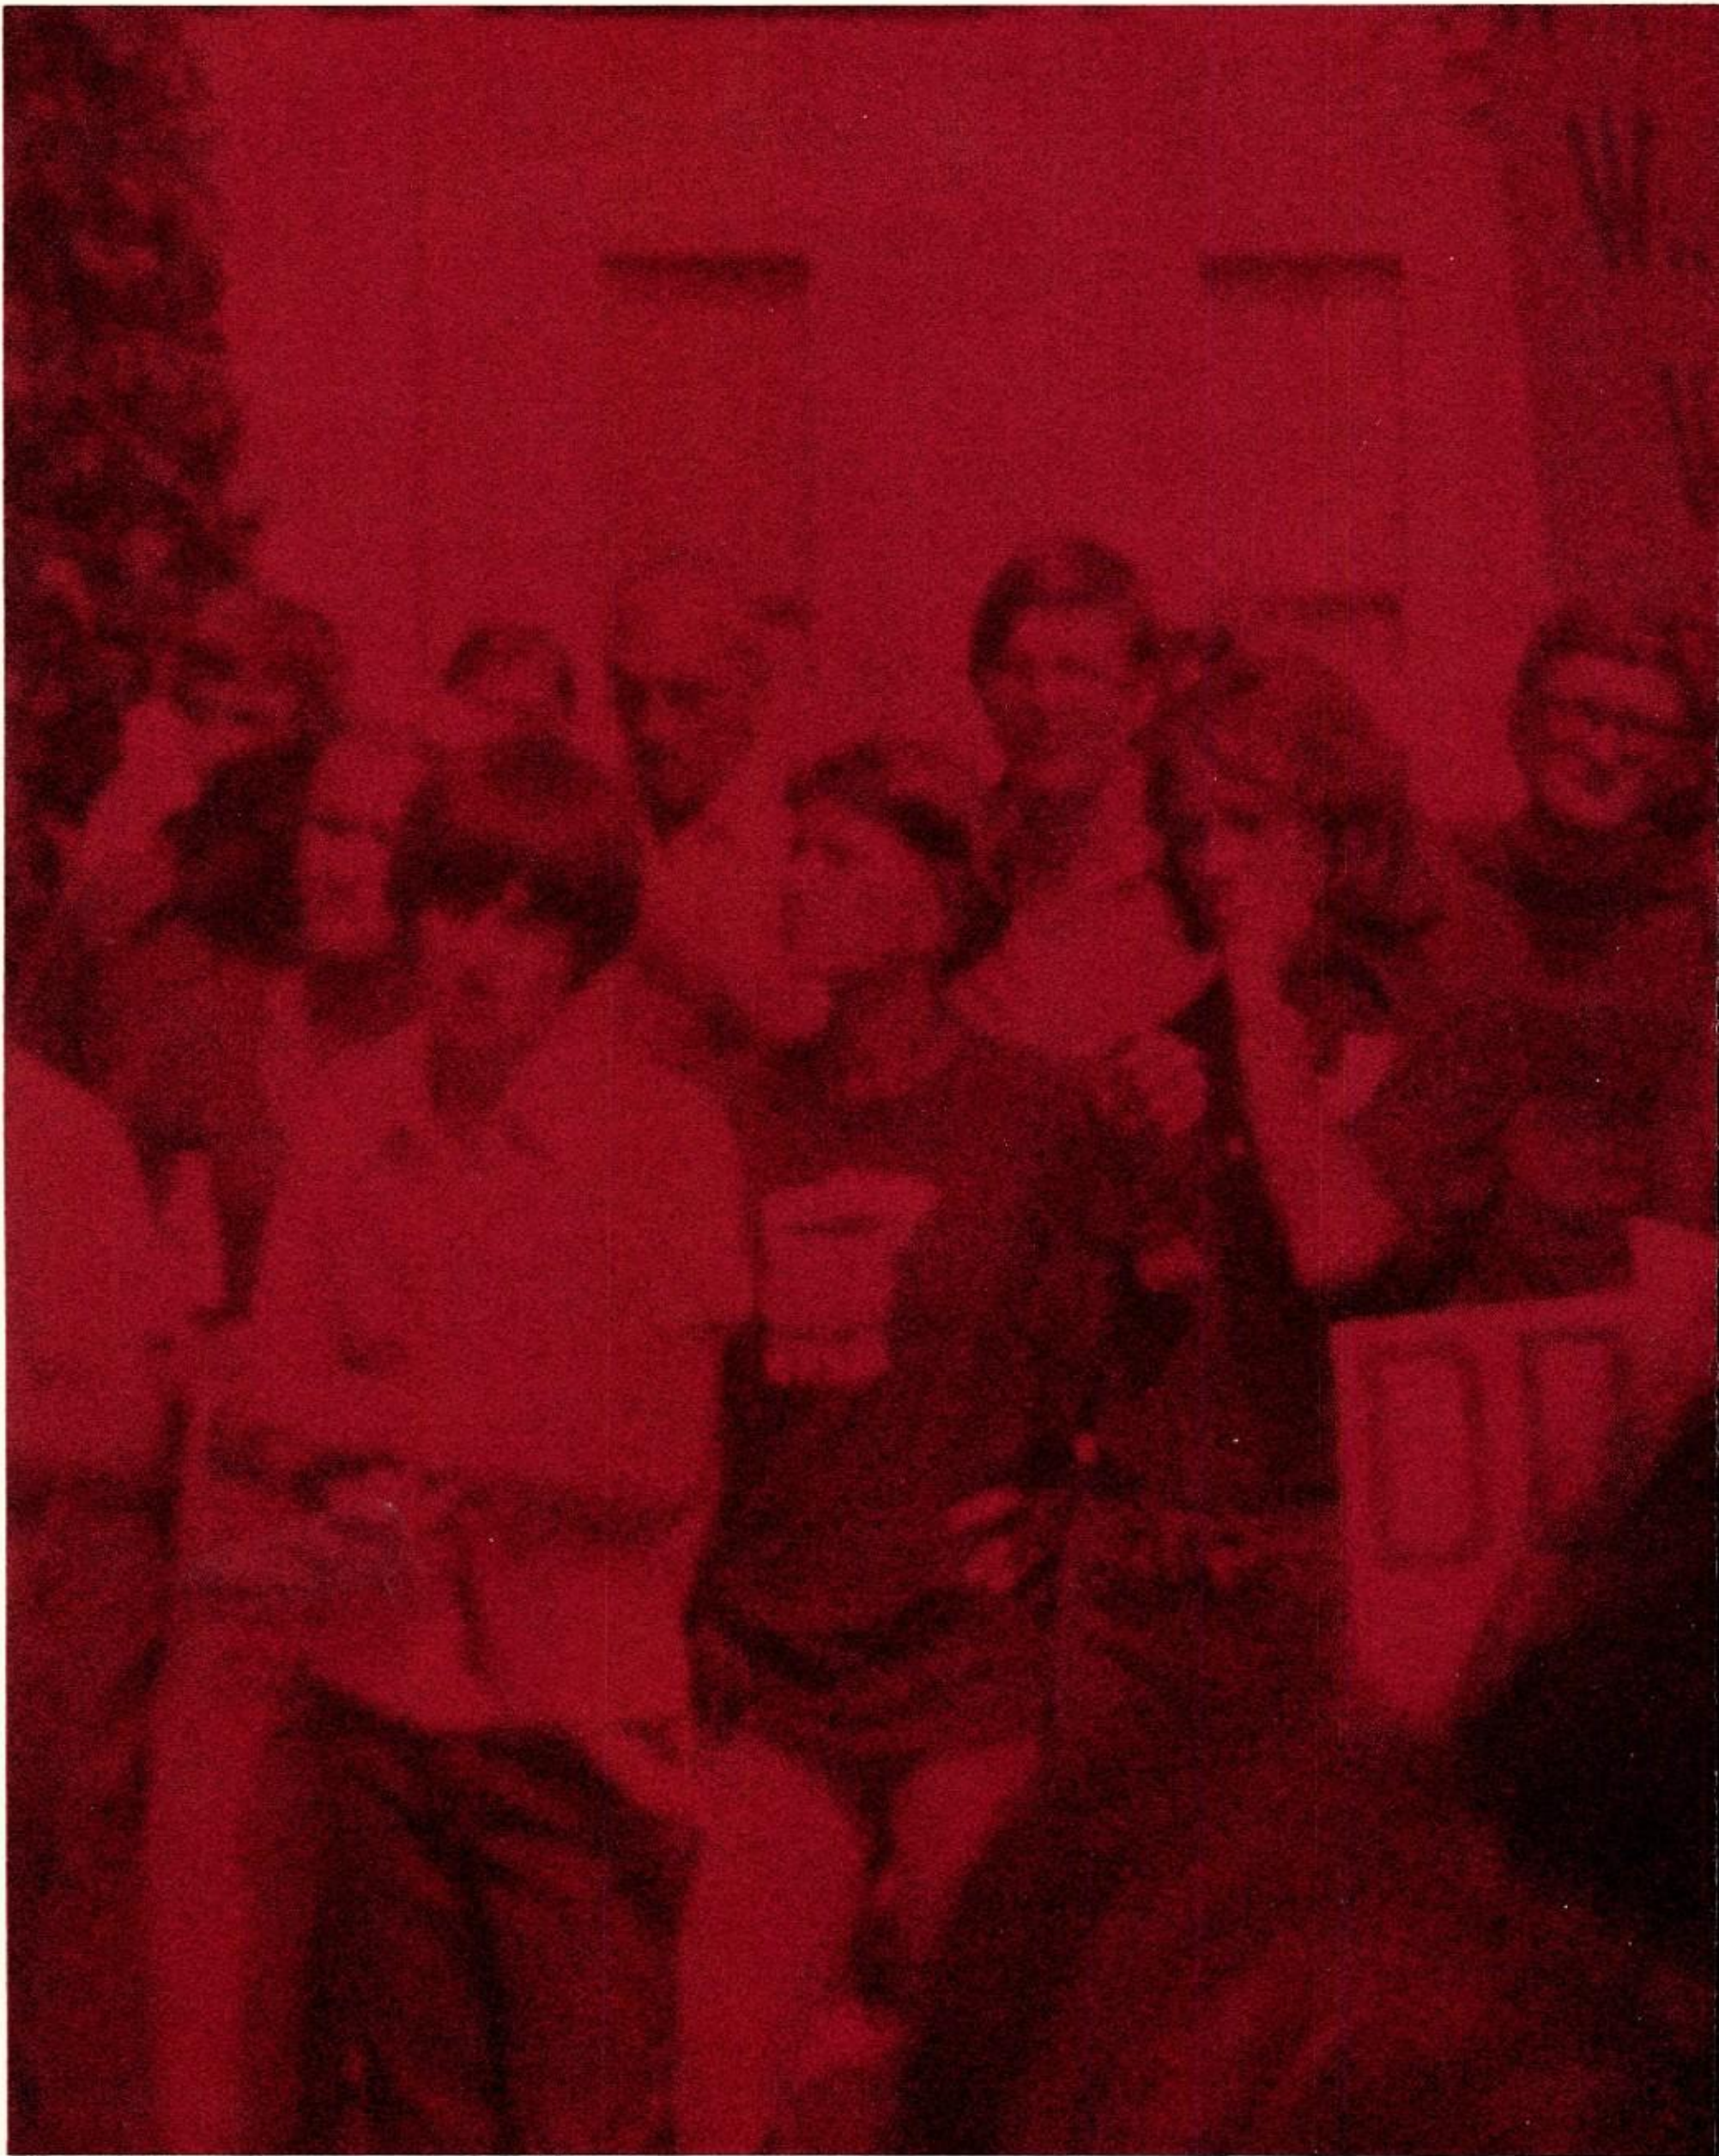

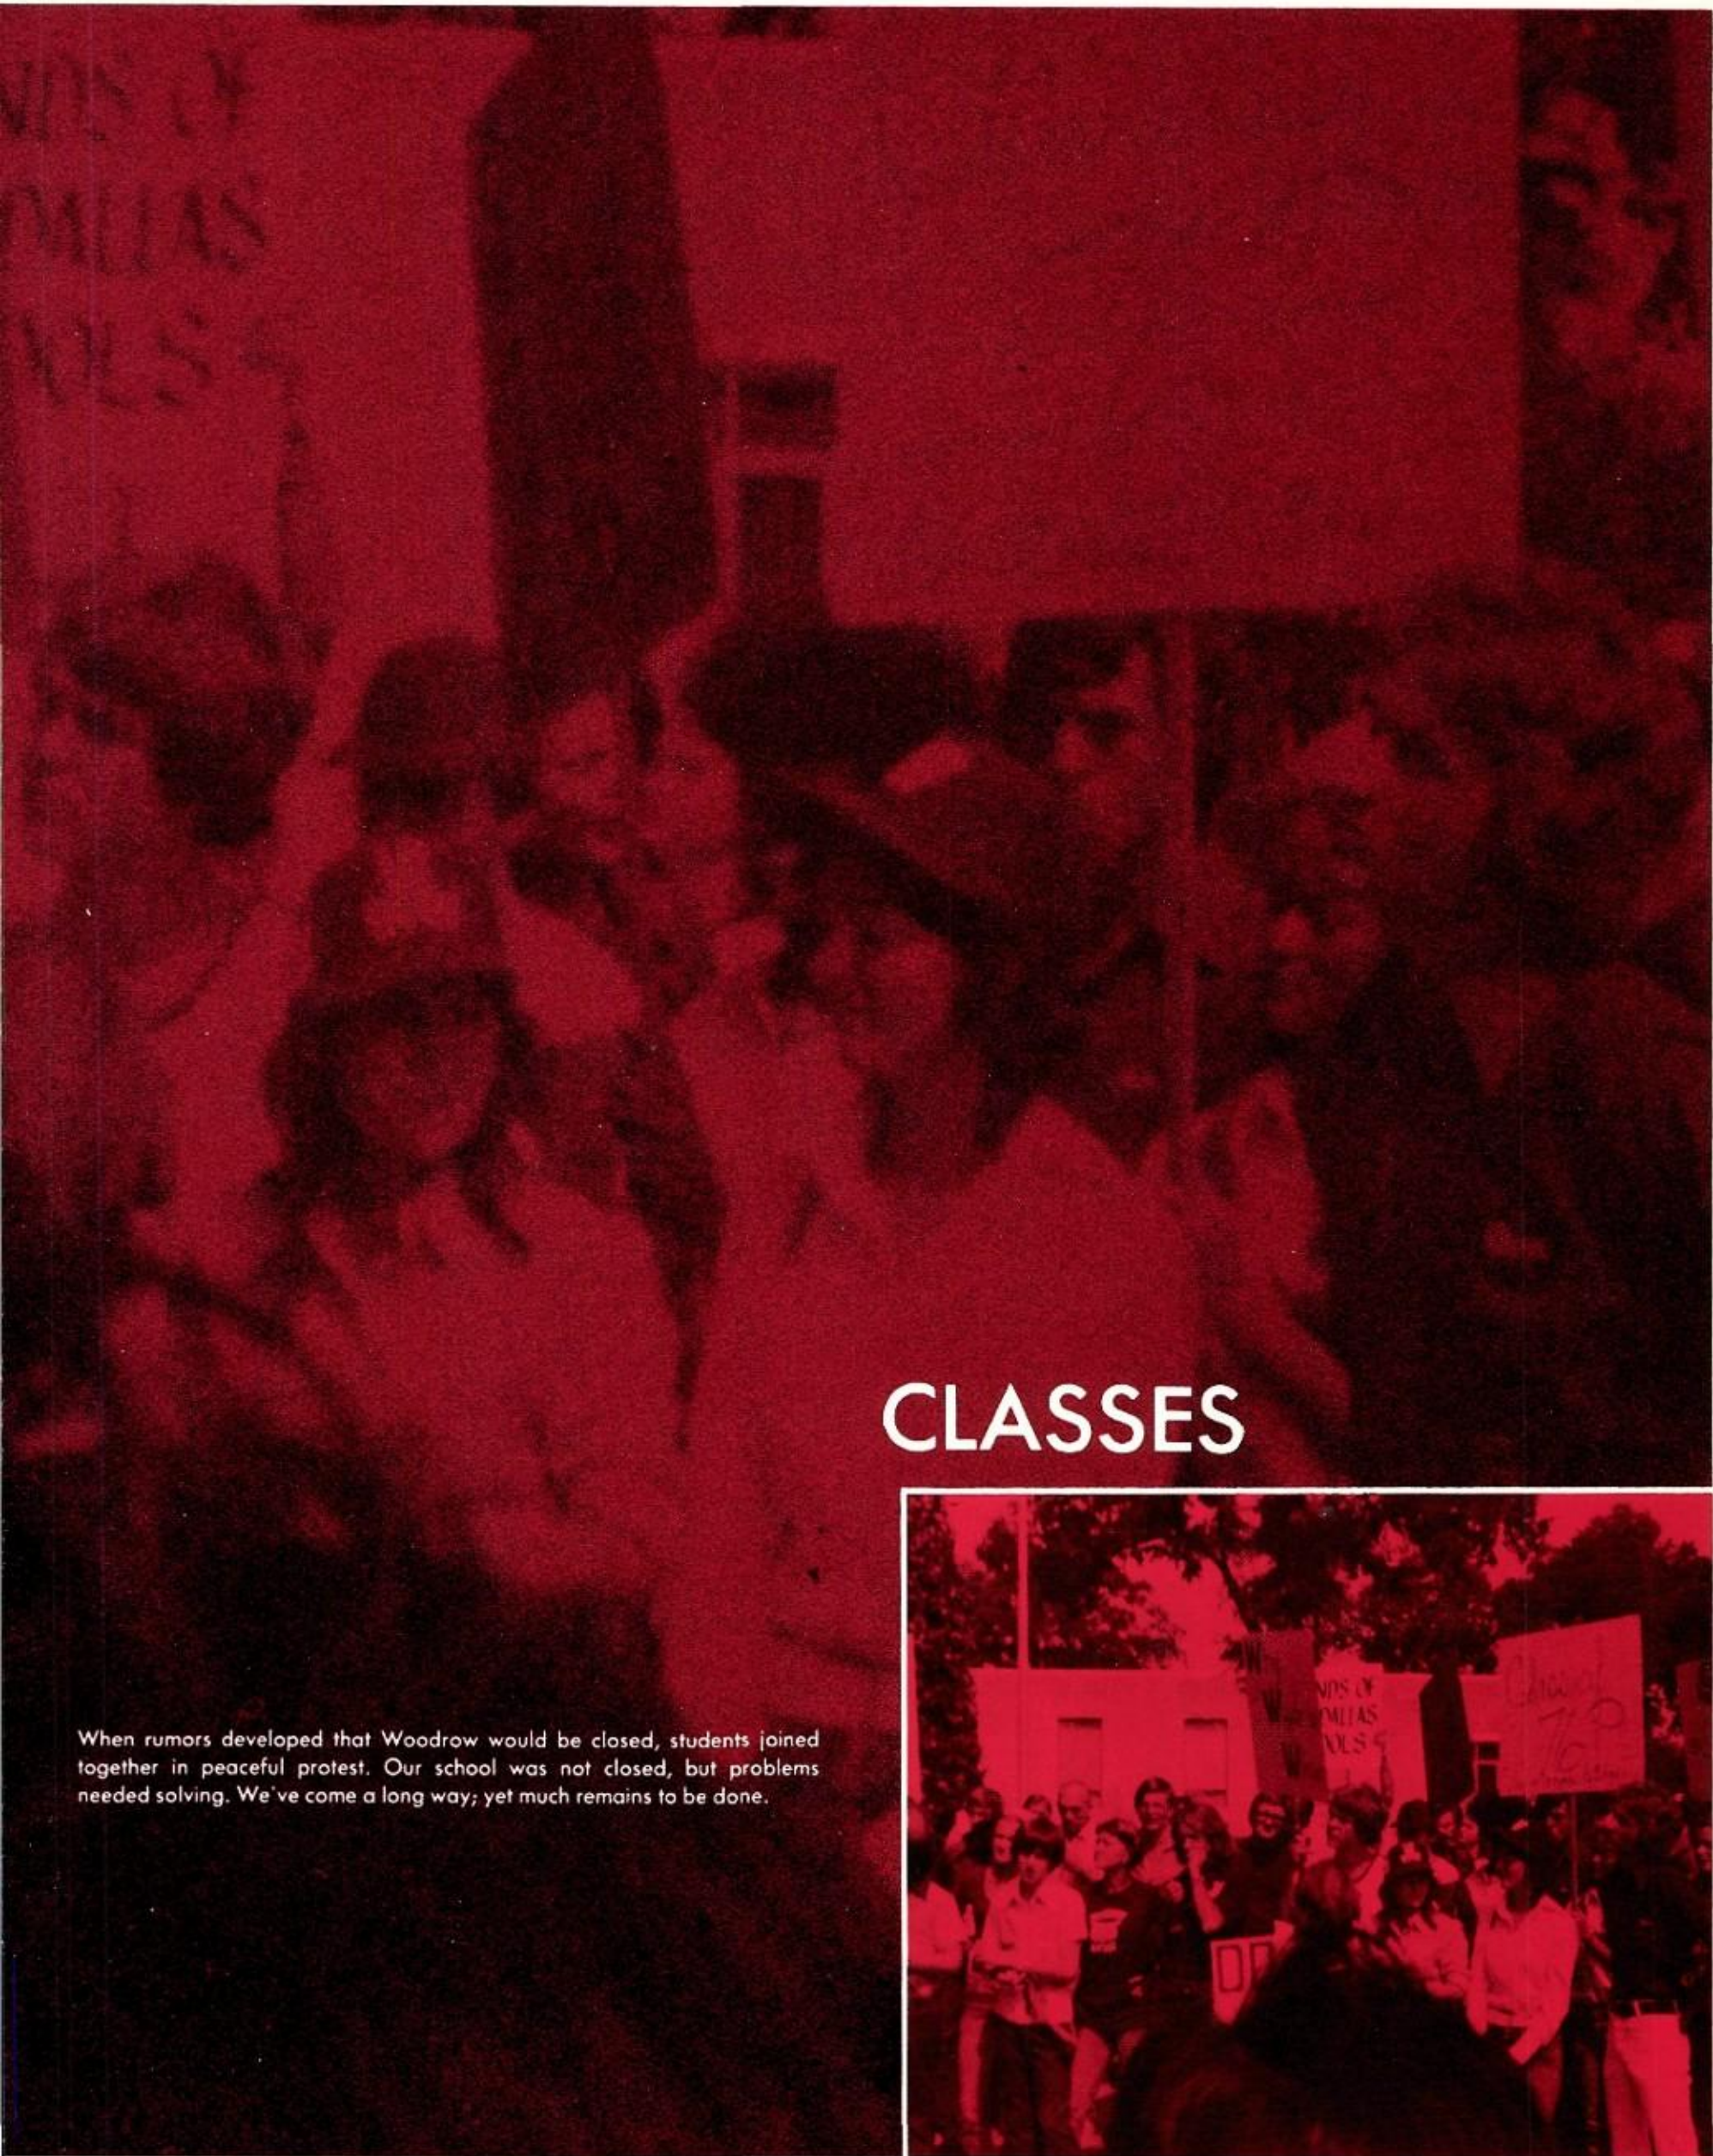

Pastry cook Mrs. Georgia Lewis prepares a day's dessert.

This year's lunchroom staff is: (clockwise from left) Ruby Williams, Irene Torrez, Judith Clift, Linda Choice, Beulah Pryor, Mary Ellen Bailey, Reba Tenny (dietitian),

Senior Committee Chosen to Plan End-of-Year Activities for Grads

Preparing for the many activities planned for the graduating class was a major task of the Senior Committee for 1976. The first of their many important decisions concerned the selection of the graduation invitations. Next on their busy schedule was the discussion relating to the location of the baccalaureate ceremony. Equally important on their agenda was the choice of the band which was to perform for the long-awaited Senior Prom, which was held May 20, 1976, at Sheraton-Dallas Hotel.

Who's Who

The Crusader would like to congratulate the students presented in the following pages for distinguishing themselves by receiving certain awards and honors.

These students were honored by organizations not officially connected with the Dallas Independent School District.

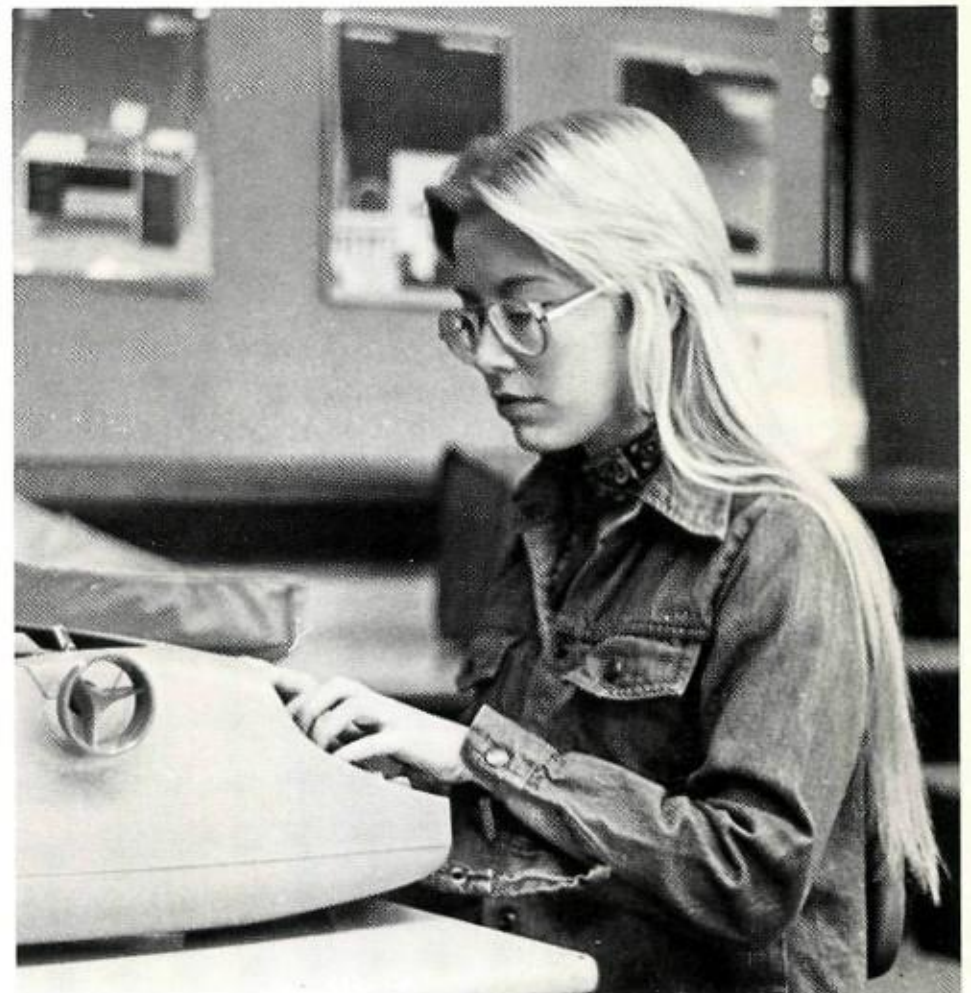

NANCY HARDWICK

chosen to perform in the Dallas Civic Ballet

SCOTT STORM

Chosen for inclusion in Who's Who in American High Schools

TRACEY WHITELEY

Dallas Chapter Executive Secretary's Nominee

Executive Assistants

The single exception to the rule of including in Who's Who only honors awarded outside the Dallas School District is the Executive Assistants program. They were relieved from classes to assist various executives in the city for one semester. They included JOHN RIVARD, STEVE EDWARDS, CARTER CAMPBELL, JOSIE GONZALES, MARK MOORE, and PAUL THOMPSON.

KENYON HISER

Drum Major chosen for Dallas all-city Bicentennial marching band. He also received a PSAT letter of commendation.

TONY WHITEHEAD

Chosen by Dallas Music Education Association to be on the All-City High School Concert Band

ROBERT FLORES

Won numerous top ratings in Dallas solo and ensemble contest.

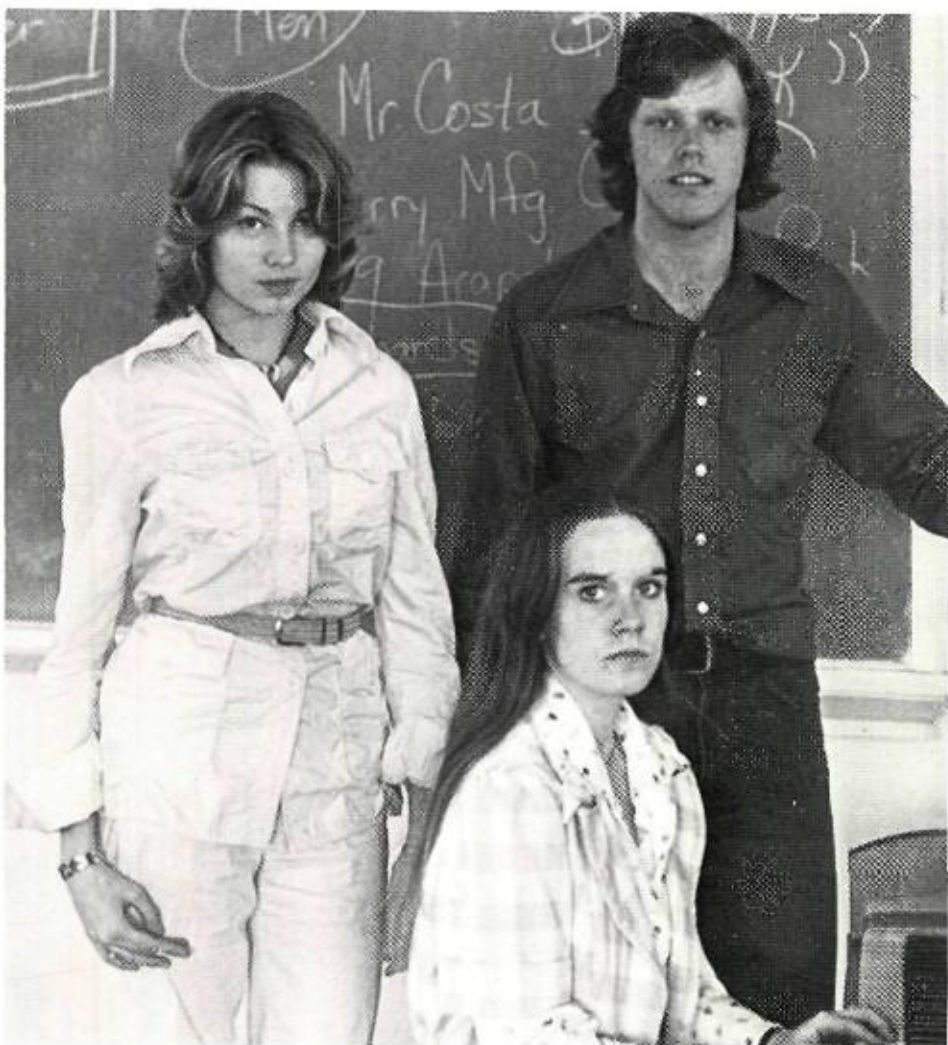

RUTH ANN BURTON

Was chosen to represent the Jane Douglas Chapter of the Daughters of the American Revolution in State Competition. She also represented Woodrow Wilson in the Exchange Club Competition.

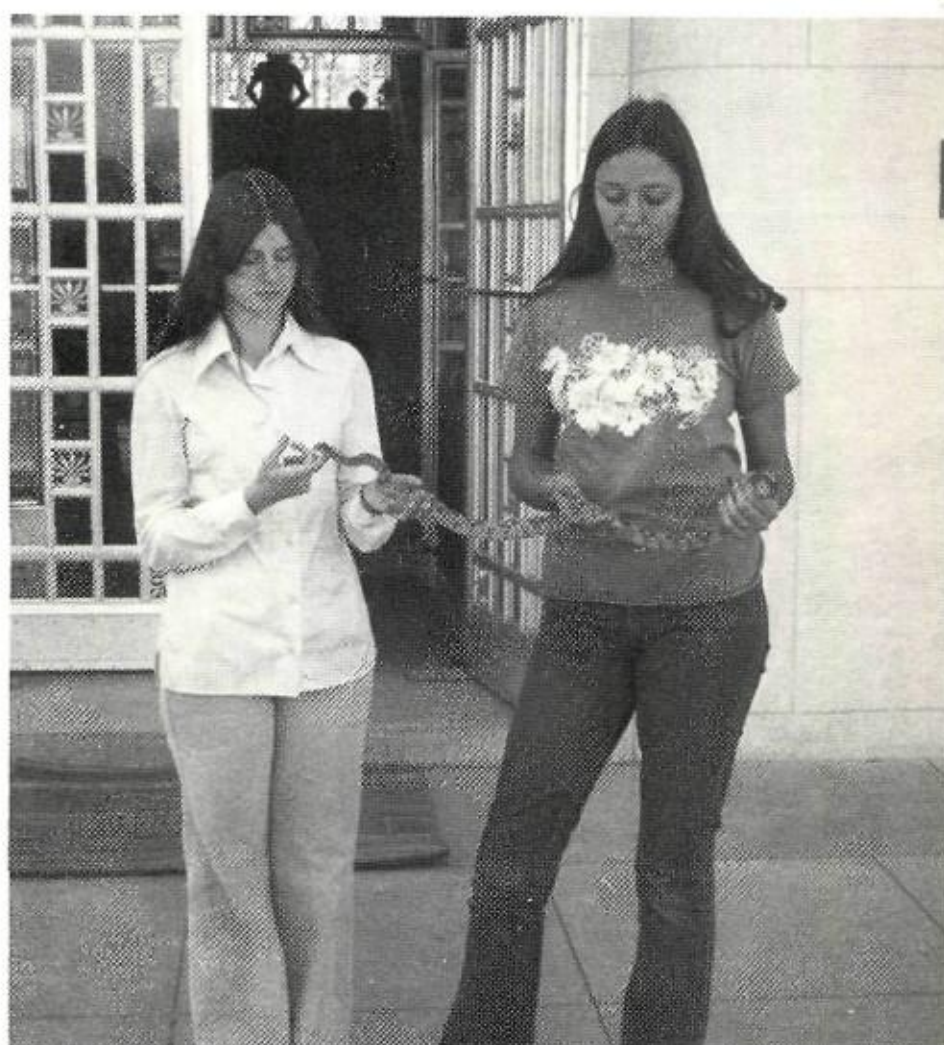

Music Department Honorees

Among the students in the Woodrow Wilson music department were these who made Who's Who in American High Schools. They were CAROLYN STORM, JOE SHOLDEN, and BEVERLY BRIN. CAROLYN STORM received highest ratings in Interscholastic League vocal competition for ensemble. She also represented Woodrow Wilson at Texas Girls' State. JOE SHOLDEN participated in the American Citizenship seminar and represented Woodrow Wilson in Exchange Club Competition.

Selected in Interscholastic League Vocal competition were PAM DUKE and LENIS HALEY for solo and DEANA HICKS, PAM DUKE, and LENIS HALEY for ensemble competition. These people received the highest rating possible. DEANA HICKS was presented a special citation by the National Association of Jazz Educators for Outstanding Musicianship and also participated in the vocal U.T.A. Jazz Band Festival. LENIS HALEY was chosen for induction in Who's Who Among American High School Students.

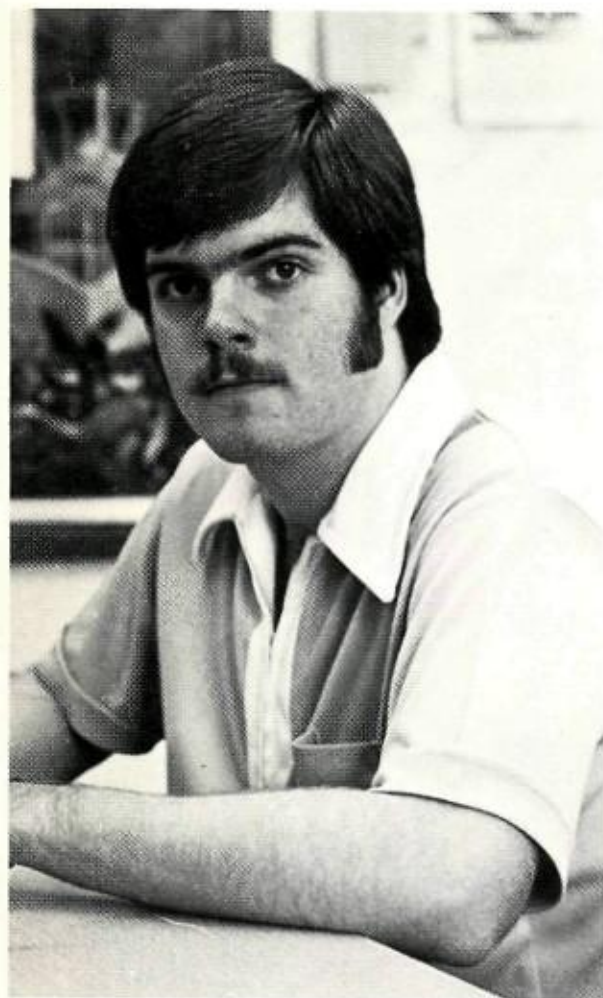

BRONWYN REES and DEBRA LUNDBERG

Chosen for their scholastic ability and genuine interest in Biology to participate in the Field Biology Program, sponsored by the Dallas Museum of Natural History at Fair Park.

Citizenship Seminar

Selected by Woodrow Counselors, PHIL ROLLAND, CRIS COLBURN, MIKE McQUISTON, SERGIO DE LA GARZA, KYLE RAINS, and JUAN COSTILLO attended the American Citizenship Seminar in Arlington. This seminar offered various lectures in problems of democracy.

MIKE DIXON

Was selected to attend the Texas Nuclear Science Symposium in Austin. He was sponsored by Dallas Power and Light Company.

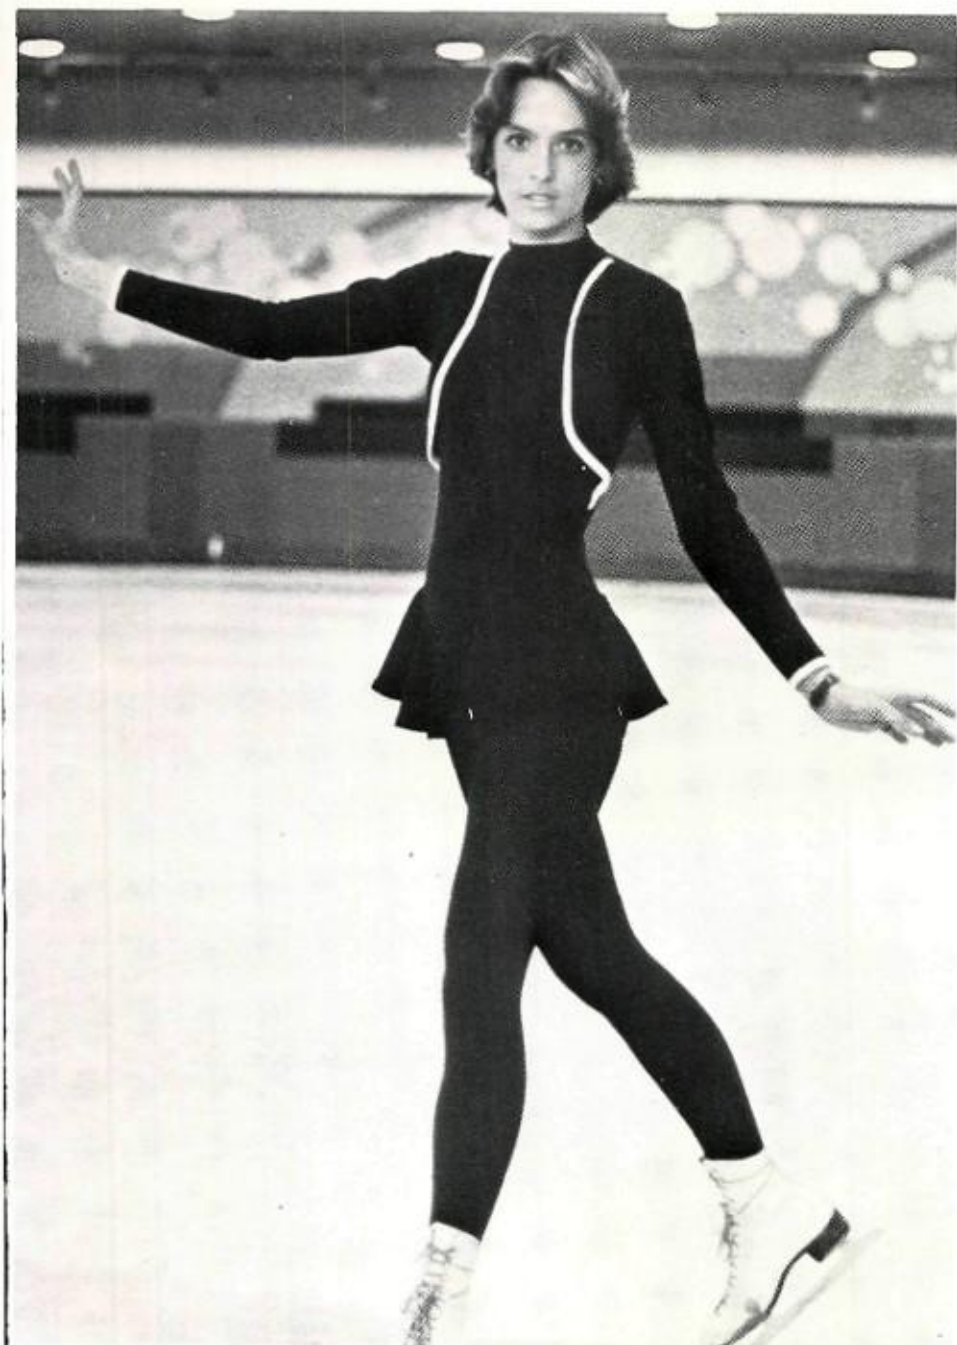

O. B. MATHIS

Was selected for the All-District Football Team (First Team in 1974) all three years at Woodrow. He was also chosen as Runner-up Sophomore of the Year in District 12-AAAA, as well as First All-Metro Team as a junior.

ADVERTISEMENTS

People complain about the state of the economy and few really understand what they are complaining about. Much has been accomplished in recent years for the protection of the consumer against false advertising. Yet who can deny that much remains to be done to improve further the truth in advertising gains and to stem our growing inflation.

RODOLFO CHAPA
Born: Dallas, Texas, July 5, 1958.
Deceased: July 21, 1975.

His immediate ambition in life was to finish high school. Written in his autobiography was this statement: "It's funny how some people take their good health for granted, while others struggle and fight for theirs."

Rodolfo Chapa will always be remembered for his kindness, politeness, and cooperative attitude.

IN MEMORIAM

Beverly Parrish

Mr. Buster Coats

Rodolfo Chapa

Mrs. Helen L. Ardrey II

The sun has set on another year and many of us leave our school and part of our lives behind. One year is a small interval in comparison with two hundred years but the achievements made in that year crown the efforts of 18 years of the seniors' lives. We leave behind our accomplishments, our failures, our hopes and despairs, and, yes, much of our happiness and a little sadness. The world stretches before us, offering all its treasures. It is up to us to make the most of these opportunities to better ourselves and our country. Our lives reflect our dreams and our dreams reflect the expectations for a perfect America. We have come a long way, but much remains to be done.

Candy
 Good luck

As Co-editors of the "75-76" CRUSADER, we would like to express our gratitude to those who helped with the publication of the 1976 CRUSADER. Without their constant help and abiding confidence this book would never have been completed. Our sincere appreciation goes to art instructor M. S. Tompkins, who designed our cover; to Kyle Rains who contributed an illustration; to Harry Crawford who dedicated his services as a typist; to Mr. Paul Allen who sponsored his 29th CRUSADER and gave much of his time; and to Mr. Wayne Pierce who advised us.

As we close out this book, we want to express our most heartfelt thanks to the members of the CRUSADER staff for their concentrated efforts and untiring dedication.
